

Telephone Registration Work Sheet Winter Semester

Use *only* a Touch-tone telephone to make entries. Touch-tone phones make a tone sound after each button is pushed. Phones that make no tone will not work.

If the system does not answer the phone, it is not working. If the phone is busy, all lines are being used. Please call back later.

A voice response will guide you after each entry. Press entire sequence when told to do so: code, numbers, star * key, and pound # key.

Mailing Address Verification

Make a longer add list because some classes might be full.

ACADEMIC ADVISEMENT

Where do you go for academic advisement?

If you have chosen a major, or if you have one in mind, go to the advisement center for the college that offers that major. If you have no major in mind, visit the Open-Major Advisement Center.

All academic advisement centers are open from 8:00 a.m. to 5:00 p.m. Monday-Friday. Write, visit, or call (area code 801—then 378- and the appropriate extension) the advisement center of your choice:

REGISTRATION INSTRUCTIONS

Are You Eligible to Register?

You are eligible to register for winter semester 1989 if you registered for and completed regular day school classes during fall semester or fall block 1988 or have been issued a valid letter of admission for winter semester 1989 by the Admissions Office. If you do not meet one of these criteria, registration will be blocked.

IMPORTANT NOTICE: THE UNIVERSITY RESERVES THE RIGHT TO CLOSE REGISTRATION AT THE TIME THE STUDENT ENROLLMENT REACHES THE MAXIMUM NUMBER SET BY THE BOARD OF TRUSTEES.

New students: Find additional registration information on page 7.

Step 1

Declare intent to register. (See page 4 for details.)

Step 2

Complete the Telephone Registration Work Sheet. (See page 4 for details.)

Step 3

Register by Touch-tone telephone. Open Registration Late Registration (See page 4 for details.)

Step 4

Pay tuition. (See page 6 for details.)

Complete the Telephone Registration Work Sheet and register.

STEP 1: DECLARE INTENT TO REGISTER

- A. Receive from the Registration Office an Intent to Register Form. Currently enrolled students will be mailed an Intent to Register Form in October. This form will be mailed to newly admitted students beginning in October and on a continuing basis as they are admitted. If you have not received this form by November 1, contact the Registration Office.
- B. Complete the Intent to Register Form by updating your current mailing address.
- C. Declare your intent to register by returning the form with a \$50 tuition prepayment to the BYU Cashier's Office, D-148 ASB, Provo, Utah 84602. On receipt of the nonrefundable tuition prepayment, the Touch-tone telephone registration system will be opened for your use. No \$50 prepayment is required of scholarship recipients; however, scholarship recipients <u>must</u> return the Intent to Register Form.

NOTICE: Winter semester day school students will not be able to access the registration system for spring, summer, or fall until they have completed a continuing endorsement interview.

STEP 2: COMPLETE THE TELEPHONE REGISTRATION WORK SHEET

The Telephone Registration Work Sheet is found inside the front cover of this schedule.

Sample Telephone Registration Work Sheet (see page 5)

This sample shows you how to take the information from the Class Schedule and list it on the work sheet.

Remember: Prioritize your desired classes. Most students list the classes for their major first, and many list more than one section of each course to assure receiving a complete schedule. The computer will not schedule you in more than one section of the same class (except R courses). As you request classes, the computer voice will tell you if you receive a class, or if a class is full, and will inform you if other sections are available for the same time.

If you do not have access to a Touch-tone telephone, you may complete the work sheet inside the cover and mail it to the Registration Office, B-130 ASB, Provo, Utah 84602.

STEP 3: REGISTER BY TOUCH-TONE TELEPHONE

Register October 1-December 15

Register using a Touch-tone telephone (Touch-tone telephones make a clear tone after each button is pushed). Registration by telephone is allowed after you declare your intent to register by returning the Intent to Register Form with a \$50 payment (nonrefundable and nontransferable).

Final Tuition Deadline December 15

ATuition Billing Statement will be sent to all registrants. If you register after December 1, a statement may not arrive before the payment deadline. In the event that a Tuition Billing Statement is not received by mail, FULL TUITION REMAINS THE STUDENT'S RESPONSIBILITY AND IS DUE BY THE PAYMENT DEAD-LINE. If the billing statement and final tuition payment are not returned by December 15, you will be assessed a \$50 late tuition fee to finalize registration.

Late Registration December 15-January 6

After December 15, A \$50 LATE FEE AND FULL TUITION MUST BE PAID BEFORE THE TELE-PHONE SYSTEM WILL BE MADE AVAILABLE FOR LATE REGISTRATION. You may late register by telephone until 5:00 p.m. January 6. Beginning the first day of class, January 9, you should go to the Registration Office to late register in person.

IMPORTANT NOTICE: THE UNIVERSITY RESERVES THE RIGHT TO CLOSE REGISTRATION AT THE TIME THE STUDENT ENROLLMENT REACHES THE MAXIMUM NUMBER SET BY THE BOARD OF TRUSTEES.

Other Requests

List of Scheduled Classe

If you do not have access to a Touch-tone telephone, you may mail this form to the Registration Office, B-130 ASB, Brigham Young University, Provo. 11th 84602

STEP 4: PAY TUITION

\$50 Prepayment Required Before Registration October 1-November 30, 1988

A minimum of \$50 is required as a tuition prepayment. The prepayment is applied toward total tuition, and the \$50 is nonrefundable. Registration by telephone is allowed after you declare your intent to register by returning the Intent to Register Form. Follow the instructions on the Intent to Register Form carefully. Those who do not prepay \$50 before December 1, 1988, must pay full tuition to access telephone registration.

Address Correction Required

Because it is important that your correct mailing address be on file at the Registration Office, you are expected to submit a mailing address along with your \$50 prepayment. If you are uncertain about your mailing address on file, the telephone registration system will report your mailing address (see work sheet, inside front cover). Addresses may be corrected by contacting the Registration Office, B-130 ASB, Provo, Utah, 84602, telephone (801) 378-2824.

Payment Deadline December 15, 1988 (Without Late Fee)

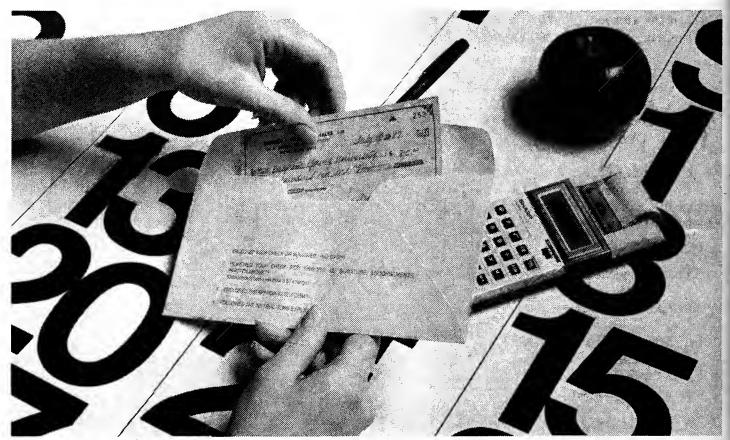

The Tuition Billing Statement and a confirmation of classes will be mailed by December 1, 1988. If you register after December 1 or have not received this notice by December 10, contact the Registration Office immediately. Full tuition must be received in the BYU Cashier's Office by 4:00 p.m. December 15. STUDENTS WHO FAIL TO MEET THE TUITION DEADLINE WILL BE ASSESSED A \$50 LATE FEE. IN THE EVENT YOU DO NOT RECEIVE A TUITION BILLING STATEMENT BY MAIL, PAYMENT STILL REMAINS YOUR RESPONSIBILITY AND IS DUE BY THE DEADLINE.

IMPORTANT NOTICE: You will be assessed a \$50 late tuition fee if you pay less than full-time tuition by December 15 and are then enrolled or later become enrolled for more than 8 credit hours.

Payment Procedure

The Tuition Billing Statement and a check or money order to cover the amount of tuition due should be mailed to the BYU Cashier's Office, D-148 ASB, Provo, Utah 84602. A drop box is provided in the administration building (D-148 ASB) for students on campus who wish to save postage. (Do not use campus mail.)

NOTE: BYU SCHOLARSHIP RECIPIENTS MUST RETURN THE TUITION BILLING STATEMENT EVEN IF NO TUITION PAYMENT IS DUE.

Pay tuition by December 15, 4:00 p.m., to avoid the late fee.

HELP FOR NEW STUDENTS:

Organize Your Registration Materials

You will need the following items to register:

BYU General Catalogue or BYU Graduate Studies Catalogue

The BYU General Catalogue includes all courses and describes university and major requirements for undergraduates. The BYU Graduate Studies Catalogue describes graduate courses and programs. Both are available at the BYU Bookstore or may be ordered by sending \$4, plus \$1 postage and handling, for each catalogue, to BYU Mail Services, 296 UPB.

Telephone Registration Work Sheet

Found inside the front cover of this Class Schedule. Also available at the Registration Office, B-130 ASB, or the college advisement centers.

List of Required Classes

List of classes needed to meet university and major requirements.

Continuing Students should refer to the BYU General Catalogue, contact their advisement center, or refer to the General Education section of this Class Schedule.

New Students are mailed a list of suggested classes from their college advisement center. IF YOU HAVE NOT RECEIVED THIS LIST, YOU SHOULD CONTACT YOUR COLLEGE ADVISEMENT CENTER AS LISTED ON PAGE 1 OF THIS BULLETIN. The following section, Questions New Students Must Be Able to Answer, will help you understand some new college vocabulary.

Questions New Students Must Be Able to Answer

What is a credit hour?

A credit hour usually refers to the number of hours you will meet for formal instruction in class each week. The average freshman can successfully complete from 12.5 to 16 credit hours (five or six classes) per semester or 6 to 8 credit hours (three or four classes) per term. This will vary depending on the difficulty of the classes, outside involvement, and motivation to study.

What is general education?

The General Education Program at BYU assures that the student has achieved competence in certain skills or knowledge before graduating. Proof of competency is achieved by successfully passing required courses. Some students pass the requirement by taking special examinations for credit when they arrive on campus (without having taken prior BYU course work).

What is a major?

A major is a concentrated group of classes in a particular field you take to achieve your educational goals. You may have selected a major on the admission application. If you are presently undecided, you may enter the area called Open-Major Advisement.

How do I request classes?

Students request classes using a Touch-tone telephone. You should complete the Telephone Registration Work Sheet (see inside cover) and have alternate sections available. This will enable you to submit additional requests by phone if the class is full.

Which classes should I select?

New freshmen are mailed a list of suggested classes from their college advisement center. If you have not received this list, you should contact your college advisement center as listed on page 1 of this book, or, you can choose from the classes listed on page 8.

SAMPLE FRESHMAN SCHEDULES

New freshmen are mailed a First Semester Suggested Schedule from their college advisement center. If you have not received this schedule, you should contact your college advisement center as listed on page 1. You may likewise develop your schedule according to one of the samples provided below.

Additional classes that fill university and general education requirements are listed in the General Education section of this book. Most students attend five classes (12.5 to 16 credit hours). You will want to prepare a list of as many as ten classes, so that you can select additional classes in case some of your first choices are not open or available.

If you intend to major in social sciences, Sample A is a suggested schedule. Sample B is suggested for science and technology majors, and Sample C is an option for majors in humanities.

Sample A is for a student who wishes to pursue either the Mathematics or Foreign Language option in the General Education Academic Skills area—students who cannot meet the General Education Precollege Mathematics requirement should begin with the appropriate course as outlined in the General Education section of this Class Schedule.

Sample B is for a student who wishes to pursue the Mathematics option in the General Education Academic Skills

Sample C is for a student who wishes to pursue the Foreign Language option in the General Education Academic Skills area—it is assumed that a student pursuing this option has completed the Precollege Mathematics requirement.

⁺PE—S 129 and Hlth. 129 (concurrent registration required) should be taken during <u>one</u> of the semesters of the freshman year.

^{*}RelA. 421 and 422 are for returned missionaries.

^{**}See the General Education section on the Precollege Mathematics Requirement.

^{***}See the General Education section on the Foreign Language or Mathematics requirement.

PLAN YOUR SCHEDULE

We suggest that you use the following form to work out your ideal schedule. BE CAREFUL NOT TO SELECT CLASSES THAT MEET AT THE SAME TIME ON THE SAME DAYS. Consult the listing of classes beginning on page 39. After listing your ideal schedule, list additional courses or sections for submission if your first choices are not available.

ADDING AND DROPPING CLASSES

Adding and Dropping by Telephone (before class begins)

Students may add and drop classes by using a Touch-tone telephone. Students who declare their intent to register and pay their tuition by December 15, 1988, may continue to adjust their schedules through January 6, 1989.

Adding and Dropping Classes (after class begins)

After school has started, each academic department determines how classes are added. DEPARTMENTS' ADDING PROCEDURES ARE LISTED ABOVE THEIR CLASS LISTINGS IN THE CLASS SCHEDULE.

The procedure for using add/drop cards follows:

1. Obtain an add/drop card from the Registration Office or a college advisement center.

2. To add a class, obtain a signature of approval from the instructor or department, as indicated in this Class Schedule. Some classes are added by telephone only the first five days of class.

3. To drop a class, complete the card, indicating the class to be dropped (no signature required).

- 4. After the second day of school, pay a fee for each class dropped at the Cashier's Office. (The amount of the fee increases each day.) The charges per day are printed on the add/drop card.
- 5. Take the add/drop card to the Smith Family Living Center step-down lounge during the first two weeks of school. Beginning the third week of classes, add/drop cards should be taken to the Registration Office, B-130 ASB. Turn the card in before the appropriate deadline listed below.

ADDITIONAL REGISTRATION INFORMATION

Maximum Hours per Semester or Term

Undergraduate students in good standing may register for as many as 18 hours of credit in one semester (9 per term) by following the regular registration procedures. The college advisement centers may authorize a student who has demonstrated superior academic ability to register for a maximum of 21 hours (11 per term). This approval is to be noted by the college advisement center on the add/drop card. Auditing of classes, registering for a class without receiving credit, or registering for evening classes constitute a part of your total registration. Exceptions to these rules should be presented to: University Registrar, B-150 ASB.

Deadlines

During fall or winter semester students may add classes during the first ten class days and drop classes during the first twenty-five class days. During spring or summer term classes may be added during the first six class days and dropped during the first thirteen class days.

Please note the following deadlines for changes in schedule:

Semester Classes	ì
------------------	---

January 9	M	Classes begin. You may add, drop, or late register for classes.
January 11	W	First day fees are charged for dropping classes. (The amount of the fee increases each day.
		The charges per day are printed on the add/drop card.)
January 23	M	Last day to add classes, late register, or change classes to audits.
January 23	M	Last day to drop classes without W, official withdrawal, appearing on the transcript.
February 13	M	Last day you may drop classes for academic reasons.

Last day you may officially withdraw from classes for nonacademic emergencies.

April 4

First Block Cl	asses	
January 9	M	Classes begin. You may add, drop, or late register for classes.
January 11	W	First day fees are charged for dropping classes. (The amount of the fee increases each day.
•		The charges per day are printed on the add/drop card.)
January 23	M	Last day to add first block classes.
January 23	\mathbf{M}	Last day to drop block classes without W, official withdrawal, appearing on the transcript.
January 26	Th	Last day you may drop first block classes for academic reasons.
February 13	M	Last day you may officially withdraw from first block classes for nonacademic emergencies.

Second Block Classes

March 2 Th Classes begin. You may add or drop classes.

March 6 M First day fees are charged for dropping classes. (The amount of the fee increases each day.

The charges per day are printed on the add/drop card.)

March 9 Th Last day to add second block classes or change classes to audits.

March 9 Th Last day to drop block classes without W, official withdrawal, appearing on the transcript.

March 20 M Last day you may drop second block classes for academic reasons.

April 4 T Last day you may officially withdraw from classes for nonacademic emergencies.

Auditing Classes

Students desiring to audit classes (register for a class without receiving credit) must do so on an add/drop card during the last five days of the add period, January 17, 18, 19, 20, 23. It is not possible to register for an audit class on the Touch-tone telephone system. You are charged the same tuition for auditing classes as for taking classes for credit. Classes taken on an audit basis will not appear on your official record and will not be considered in calculating enrollment verifications.

Credit to Audit

Students who are registered for credit and wish to change to audit must first drop the class and pay any appropriate drop fees. The class may then be added for audit beginning the fifth through the tenth day of the semester or the fourth through the sixth day of the term.

Admission to Class

Students whose names are on the university class roll are officially registered. If your name is not on the official roll, you should contact the Registration Office, B-130 ASB, immediately. Instructors receive rolls of students in their classes the first day of classes. Other rolls, sent out during the third and eighth weeks, include the names of all students currently registered for that class.

Enrollment Verification

Students are considered full-time by the university if they are enrolled for at least 8.5 credit hours during a semester or 4.5 credit hours during a term. Students enrolled in 4.5 to 8 hours during a semester or 4 hours or less during a term are considered part-time. Students enrolled in 4 or less credit hours for the semester will be considered less than part-time. Audits do not count in total enrollment hours.

Evening Classes

Daytime students taking Evening Classes (sections 400–499) must register for the courses at the same time they register by Touch-tone telephone for day school.

Evening Classes mail-in registration must be received before December 15, 1988. On-campus registration will be in the Evening Classes Office, 120 HCEB, beginning October 3, 1988. Late registration will begin on January 9, 1989.

Faculty and staff members who register for Evening Classes only must register by December 15, 1988.

Independent Study Programs

Independent Study is the university's "portable" program. You may register for courses anytime during the year and take up to a year to finish each course. Tuition is \$54 per semester hour and is not included in your regular BYU daytime tuition. For further information and a free catalogue of courses, contact the Independent Study Office, 206 HCEB, or telephone 378-2868.

TUITION AND FEES

One of the nation's largest private universities, BYU is owned and operated by The Church of Jesus Christ of Latter-day Saints. A significant portion of the cost of operating the university is paid from the tithes of Church members. Because of this, students or their families who are Church members already have made a monetary contribution to the operation of the university. To equalize this cost, nonmembers are assessed higher tuition. This higher tuition still does not cover the total educational costs.

A student's registration is incomplete until tuition and fees are paid. Past financial delinquencies must be cleared before a new registration can be completed. Please see page 6 for tuition payment deadlines.

Students are held responsible to pay the correct amount of tuition and fees (in U.S. dollars).

The charge for noncredit courses or for auditing courses is the same as for credit courses. Noncredit courses taken by part-time students will be assessed on the basis of hours involved in lecture classes. For example, 3 hours of lecture a week are considered 3 semester hours and are charged for accordingly. Therefore, if you are taking 7 credit hours plus a noncredit class involving 2 or more lecture hours per week, you are considered to be full-time and must register as a full-time student. For courses in which no lecture hours are involved—for example, dissertations and theses—tuition and fees are charged based on hours being carried during the semester, as determined by the supervising professor.

Advanced-standing students are those students who are or will be in the following categories by the beginning of the semester or term for which they are registering:

- A. All graduate students (except Law School students or Graduate School of Management students), including non-degree-seeking graduates.
- B. All students who have received their first bachelor's degree.

Full-time classification (for tuition assessment) for both undergraduate and graduate students is registration for more than 8 credit hours per semester and 4 credit hours per term.

The university reserves the right to change these figures without notice. Questions regarding fee assessment should be referred to Financial Services.

Tuition and General Fees Per Semester

Undergraduate Students	LDS	Non- LDS
Full-time (more than	a 000	@1_000
8 credit hours)		\$1,290
Part-time	•	\$ 132
	per hour	per hour
Advanced-Standing Stude	nts	. /
Full-time (more than		
8 credit hours)	\$ 995	\$1,490
Part-time	\$ 110	\$ 165
	per hour	per hour
Graduate School of Manag Full-time (more than	gement Stu	ıdents
8 credit hours)	\$ 1,610	\$2,415
Part-time		\$ 267
	per hour	per hour
Law School Students Full-time (more than		
8 credit hours)	. \$ 1,610	\$2,415
Part-time		\$ 267
	per hour	per hour
		C

A fraction of an hour is counted as a full hour in assessing fees. The charge for noncredit courses or for auditing courses is the same as when taking them for credit.

\$50 Tuition Prepayment (nonrefundable)

A prepayment is required of all students who access the telephone registration system before December 1. (See page 6 for registration and payment instructions.)

Tuition Adjustments

After the semester begins, a part-time student who increases the number of credit hours must pay for these additional hours on the day they are added. If this is not done, a late fee may be assessed.

A full-time student dropping to part time or a part-time student who decreases credit hours may be entitled to a tuition refund. A refund request must be initiated by the student through the Financial Services Office, D-151, ASB. The activity card must be surrendered at that time. A full refund of the difference between full-time assessment and part-time assessment will be allowed to the last day for adding classes. Refunds for courses dropped after that date will be subject to the refund schedule listed under Tuition Refunds—Discontinuance.

Late Tuition Fee

Late tuition fees will be assessed all students who fail to pay tuition by payment deadline dates. The late fee will also be assessed to students who register as fulltime students but pay less than full-time tuition by the deadline.

After December 15 (winter semester) \$50 Any student whose tuition check is dishonored by the bank will be charged the late registration fee in effect at the time the check is redeemed.

Tuition Refunds-Discontinuance

Both full-time and part-time students who discontinue school will receive a refund based on the date they report their discontinuance to the Discontinuance Support Office, 170 SWKT. The following rates apply:

Full-time Students

Before Jan 7	.100% less \$50
Jan 9-Jan 13	. 90%
Jan 16-Jan 20	. 80%
Jan 23-Jan 27	. 60%
Jan 30-Feb 3	. 40%
Feb 6-Feb 10	. 20%
After Feb 10	.None

A petition for exception to the refund schedule will be considered for students forced to discontinue because of medical incapacitation after the 80 percent refund period. Petition forms are in D-208 ASB.

Part-time Students

Inasmuch as all tuition assessments have a minimum nonrefundable amount of \$50, part-time tuition refunds will be the above percentage of tuition except there will be a minimum \$50 nonrefundable.

A refund due because of discontinuance from school will be made only by check through the mail. It will be mailed approximately two weeks from the date on which you report your discontinuance and have your activity card voided by the Discontinuance Support Office.

Refunds will not be granted to students who are requested to discontinue from the university for violation of standards.

Late fees are not refundable.

Class fee refunds are based on the above schedule.

Debt Collection Fees

Students' past-due debts are referred to Financial Services for collection. If the BYU debt collection officer is unable to collect the debt within a reasonable time, the debt will be referred to an outside collection agency. The student debtor will be required to reimburse the university for such collection agency fees before obtaining a release of a financial hold on his or her transcript or before being considered for readmission.

After December 15, pay full tuition plus the \$50 late fee and register by telephone until January 6, 4:00 p.m.

University Calendar

The annual calendar at BYU includes two semesters and two terms. Fall semester 1989 begins the Tuesday after Labor Day and ends before the Christmas holidays. Winter semester is from early January to late April. Spring and summer terms begin in May and late June, respectively.

Registering for spring and summer terms allows students to accelerate their progress in many degree

Registration procedures may change because of the development of new systems. Information on new procedures, fees, and deadlines will be published each semester in the Class Schedule.

Calendar for Winter Semester 1989

Th	Jun 30	Last day international graduate applicants may submit completed applications for winter semester admission
Sa	Oct 15	Last day U.S. graduate applicants may submit completed applications for winter semester admission
Sa	Oct 15	Last day undergraduate international students may submit admission applications for winter semester
T	Nov 1	Last day new freshmen and new transfer and former BYU students may submit admission and scholarship applications for winter semester
T	Nov 1	Last day to apply for BYU short-term loans from Financial Aid Office to pay winter semester tuition by the payment deadline
Th	Dec 15	Tuition payment deadline for winter semester
F	Jan 6	Orientation
M	Jan 9	Classes begin
M	Jan 9	In-person late registration for students who did not use advance registration system

GENERAL EDUCATION

Why General Education?

General education is, quite simply, at the heart of what the university is about. In an age of increasing specialization, technical complexity, and rapid change, general education increases our understanding of humankind's most valuable knowledge and achievements in the arts, letters, and sciences. It helps us understand the development of our culture and civilization. It sharpens our awareness of the relationships among human activities and knowledge.

Furthermore, general education teaches us the importance of critical thinking, moral judgment, aesthetic sensibility, and a sense of the past. These, together with training in basic language and mathematical skills, help prepare us for a lifetime of learning, problem solving, effective communication, responsible action, and appreciation of the good, the beautiful—all that is worthwhile.

At BYU, the General Education Program stresses both how we have come to our present state of knowledge and culture and the methodological limitations to our pursuit of "truth." In this important sense, general education provides a foundation for intellectual development. In addition, Brigham Young University's concern for the eternal development of the individual gives an added significance to the kind of understanding that general education can provide.

What Are the General Education Requirements?

No. of Courses

General Education Requirements for the Bachelor's Degree*

Academic Skills

Social and Behavioral

Sciences

Freshman English Precollege Mathematics Advanced Writing Language or Mathematics	1 0-1 1 1-4
Arts and Sciences	
Core (five courses)	
American Heritage	1
Biological Science	1
Physical Science	1 - 1
History of Civilization	2
Electives (four courses)	
Selected from approved GE	4
courses in Arts and Letters	
Natural Sciences, and	

In addition to the general education requirements, there are the following:

University Requirements for the Bachelor's Degree

Religion	No. of Courses
RelA. 121-122 or 421-422	2
RelA. 211 or 212	1
RelA. 324 or 325	1
Electives	3
Physical Education	
PE-S 129	1
Electives (100 level)	2
Health	
Hlth. 129 or Hlth. 130	1 or 2

^{*}Certain modifications are made for degree-seeking students in fine arts, engineering, music, and nursing. See your college advisement center for specific information.

GE for Students Enrolled Before Fall 1988

Students enrolled before fall semester 1988 or transfer students enrolled before fall semester 1990 will be required to fulfill the following GE requirements:

Academic Skills	No. of Courses
Freshman English	1
Precollege Mathematics	0–1
Advanced Writing	1
Language or Mathematics	1-4
Arts and Sciences	
Core (three courses)	•
American Heritage	1
Biological Science	1
Physical Science	1
Electives (six courses)*	
Selected from approved GE	
courses in:	
Arts and Letters	3
Natural Sciences	1
Social and Behavioral	
Sciences	2

^{*}To meet the elective requirements, a student may not take more than one class from any single department.

In addition to the general education requirements, the university requirements listed above are required.

How Should I Choose General Education Classes?

An undergraduate degree signifies that the recipient has completed at least two types of study: concentrated study in a single discipline or major and a more general education in the subject matters and methods of the commonly accepted categories of knowledge. The second, broader study is intended not to supplement the major but to complement it.

Since the purpose of general education is to provide you with broad educational experiences, you should try to use your general education credits to learn about aspects of the world your major will not lead you to confront. Looking for what is likely to be "useful" in your career is not, therefore, the best way of choosing classes from among those approved to meet the various general education requirements. Instead, choose your classes as if each were your only opportunity for instruction in some area you might want to know more about once you have left the university.

Your general education classes should give you the necessary background to learn more about a subject on your own through reading, asking questions, and knowing how to find answers to those questions. For students entering fall semester 1988, a Civilization sequence will be required so that you might better understand your political, social, cultural, and intellectual heritage.

Is There an Honors General Education Track?

Yes. An enriched general education curriculum designed to challenge especially capable and motivated students is offered through University Honors. Further information about University Honors is provided in the University Honors section of this Class Schedule and from the Honors and General Education Office, 302 MSRB, 378-3038.

When Should General Education Requirements Be Completed?

Students are encouraged to complete Freshman English and Precollege Mathematics during their first year at the university. Any student challenging the Freshman English requirement by examination must complete the

challenge within a year after entering BYU. No challenge will be allowed thereafter.

Students are also encouraged to complete the Biology, Physical Science, and American Heritage requirements early in their college program since these courses are prerequisite to some electives. The History of Civilization sequence should be completed during the sophomore year.

Any student pursuing the Mathematics requirement must complete Math. 110 (or have equivalent high school or transfer credit) before enrolling in subsequent courses in mathematics or statistics. Registration in subsequent courses before the completion of Math. 110 will be blocked.

Finally, the Advanced Writing requirement must be completed by the end of your junior year, never post-poned until the final semester before graduation. A student must have completed the Freshman English requirement before enrolling in any course that will meet the Advanced Writing requirement.

How Do I Complete the General Education Requirements?

GE requirements can be met in four ways:

- 1. Successfully complete approved general education courses.
- 2. Successfully complete Honors general education courses.
- 3. Pass special examinations.
- 4. In some cases, transfer acceptable credit from other institutions.

We strongly encourage you to meet the general education requirements by enrolling in departmental or Honors courses at the university designed specifically for this purpose. As we noted earlier, general education is at the heart of what the university is about. As a consequence, the university devotes substantial resources and engages its best faculty in providing this kind of educational opportunity for you. However, some of the general education requirements can also be met through special examinations or with transfer credit on a course-by-course basis where sufficiently strong courses meet the university's requirements.

GENERAL EDUCATION COURSES

The official list of all courses that satisfy current general education requirements follows. In addition, a GE column appears with the listing of courses in this Class Schedule. The codes identify all general education courses, both required and elective. Definitions of these codes are listed at the bottom of each page.

Courses for Academic Skills

Freshman English

(One course. This should be taken during your freshman year.)

Engl. 115, 115H, or HonP. 200, or Phil. 105, 105H

Transfer Students: If you have not already completed this requirement and wish to challenge the course, you must do so during your first year at BYU. See the English Department for details.

NOTE: We strongly encourage you to take a freshman writing course (Engl. 115, Honors 200, or Phil. 105) even if you have received AP credit for English, because the skills taught in these courses are essential to a successful university education.

Precollege Mathematics

(One course. This should be taken during your freshman year.)

Math. 99, 100, 110, 111, 112, 112H, 113, 113H, or 119
See course suggestions for freshmen and for transfer students below. If you are uncertain about which course to register for, contact your college advisement center.

Freshmen: You should register for the appropriate mathematics course according to your ACT mathematics subscore, as shown below:

ACT Mathematics

Subscore 21 or above 19–20

13–18

12 or below

Precollege Mathematics
Requirement waived
Challenge Math. 99 or enroll in
Math. 100

Register for Math. 99 if you have taken high school algebra. Otherwise, see next recommendation. NOTE: Math. 99 is a noncredit course requiring an additional fee.

Register for Math. 98

NOTE: Math. 98, a noncredit course requiring an additional fee, does not satisfy the GE requirement, but it prepares you for a course that does—Math. 100. Math. 99 also satisfies the GE requirement.

Transfer Students: You may satisfy the requirement by (1) submitting your ACT mathematics subscore if it is 21 or above, (2) passing any one of the BYU mathematics courses listed or (3) submitting equivalent mathematics transfer credit to Admissions and Records (A-153 ASB).

Advanced Writing

(One course. This should be taken during your junior year; see your college advisement center for the course recommended for your major).

Engl. 252, 252H, 312, 312H, 313, 315, 315H, 316, 316H, or IM 320 or Phil. 311, 311H or HonP. 300.

Foreign Language or Mathematics (This should be started early in your college career. Contact your college advisement center for details.) The Foreign Language or Mathematics requirement need not be filled outside the major, but foreign language, mathematics, and statistics students may be required to fill a block of compensatory requirements designated by their department or college.

Foreign Language Option:

If you elect to pursue the Foreign Language option, you must complete a course at or above the fourth semester of university study that involves reading, literature, or history taught in the language. Conversation and grammar courses will not ordinarily satisfy the requirement. Any of the following courses will fill the requirement:

Arab. (colloquial) 301

Arab. (standard) 351 or 531R

Chin. 202, 301, 321, 322, 441, 442, 443, or 444

Dansh. (Scand. 441)

Dutch 340

ESL 300 (only for native speakers of languages other than English)

Finn. (Scand. 447)

Fren. 301, 401, 441, 442, 443, 444, 445, or 446

Germ. 202, 330, 430, 431, 441R, or 442R

Mathematics Option:

If you elect to pursue the Mathematics option, you must complete a calculus, college algebra-based statistics, or quantificational logic course. Any of the following courses will fill the requirement:

Math. 112, 112H, 113, 113H, or 119

Phil. 305

Quechua

Math. 110 plus one of the following:

Stat. 221, 222, 321, or 501.

Arts and Sciences Core Courses

The core courses in American Heritage, Biology, and Physical Science—required of all students—should be taken during the freshman year and the History of Civilization sequence during the sophomore

Honors courses are recommended for students with a composite ACT score of 28 or above or a cumulative university GPA of 3.5 or

above.

American Heritage AHtg. 100, 100H, or HonP. 240

Biological Science Biol. 100, 100H, 200 or HonP. 260

Physical Science PhyS. 100, 100H, PhyS. 110A and 110B, or HonP. 259

History of Civilization Complete one of the following two-course sequences: Comparative Literature CLit./Engl. 201, 201H; 202, 202H

> English Engl./CLit. 201, 201H; 202, 202H

Arts and Sciences Electives

The following restrictions apply to the electives:

1. No more than one course taken in the broad area of the student's major will meet the electives requirement. That is, majors in the College of Fine Arts and Communications and in the College of Humanities (except University Studies, see below) may take only one elective in Arts and Letters; majors in the Colleges of Biology and Agriculture, Physical and Mathematical Sciences, Engineering and Technology, and Nursing may take only one elective in Natural Sciences; majors in the College of Family, Home, and Social Sciences (including jointly sponsored programs administered by the David M. Kennedy Center) may take only one elective in Social Sciences; and majors in the Colleges of Education, Physical Education, and Business, as well as majors in University Studies, must distribute the four electives over all three of the categories.

NOTE: Students may choose not to take any elective course in the broad area of the major but to fulfill the elective requirement by completion of two approved courses in each of the two categories outside the area of the major.

- 2. No more than two of the remaining three courses taken in any one category will meet the electives requirement (e.g., no more than two in Arts and Letters).
- 3. Students who elect to complete both the Foreign Language and Mathematics options under Academic Skills (see above) are subject to restrictions 1 and 2 but are excused from one of the four Arts and Sciences electives.

Arts and Letters Electives

Honors courses are recommended for students with a composite ACT score of 28 or above or a cumulative university GPA of 3.5 or above. In addition to the courses listed below, any Honors (HonP.) course numbered 203-220 or 303-320 will fill an Arts and Letters elective.

Honors General Education Courses

Honors courses are designated throughout this schedule by either an H following the course number or by HonP. Additional information is provided in the University Honors section of this Class Schedule or from the University Honors Office, 302 MSRB, 378-3038.

Special Examinations

Examinations for basic GE classes are offered at the Testing Center (265 HGB) on the dates noted below. The Testing Center is open during the following times:

		Exams	Center
	Open	collected	vacated
Monday-Friday	8:00 a.m.	7:45 p.m.	8:00 p.m.
Saturday	9:00 a.m.	12:45 p.m.	1:00 p.m.

NOTE: You can retake an examination only after seven days of further preparation and during the posted exam period.

Special Examinations for Exemptions (No Credit or Grade)

Exemption examinations are given in the Testing Center for three GE requirements, Freshman English, Precollege Mathematics, and Physical Science, and one university requirement, Health, on the following dates:

Precollege Mathematics (Math. 99)

Previously enrolled students and students entering fall semester 1988

Jan 9-23

Freshman English—Reading (Engl. 115)

Previously enrolled students and students entering fall semester 1988

Jan 9-Feb 7

Freshman English—Writing (Engl. 115)

Previously enrolled students and students entering fall semester 1988

Jan 9-Feb 7

NOTE: Students wishing to take the special examination for Freshman English must contact the English Composition Office, 3110 JKHB, for details on the examination. All parts of the examination must be completed within the semester or term in which the examination was begun.

Physical Science (PhyS. 100)

Previously enrolled students and students entering fall semester 1988

Jan 9-Feb 7

Health (Hlth. 129)

Previously enrolled students and students entering fall semester 1988

Jan 9-23

The Precollege Mathematics, Freshman English, and Physical Science exemption examinations are graded on a pass/fail basis for no academic credit. If you pass these examinations, your transcript will automatically reflect that the GE requirement has been completed, but no academic credit will be posted on the transcript unless you choose to purchase it. The Health exemption examination is graded on a pass/fail basis with one hour of credit posted to your transcript if you pass.

The Freshman English examination must be taken within the first academic year at BYU for freshman or transfer students. If you do not challenge Freshman English within your first year at BYU, you must complete the Freshman English requirement by registering for the appropriate class. Detailed information on the Freshman English examination is available in the English Composition Office, 3110 JKHB.

All students may take the examination for Freshman English and Precollege Mathematics free of charge, one time only, on the dates noted above during their first semester or first term at BYU. Otherwise, authorization to take the examination is obtained by paying a \$5 testing fee for Precollege Mathematics or a \$10 testing fee for Freshman English and Physical Science at the Testing Center.

You may take the exemption examination for Health one time only during the posted testing period of any semester or term at BYU. If you fail the exam, you must complete Hlth. 129 or Hlth. 130 or successfully take the challenge examination for Hlth. 129. The challenge and exemption exams are two different exams. You must wait at least until the following semester to take the challenge examination for Health if you fail the exemption examination.

GENERAL EDUCATION COURSES (continued)

Special Examinations for Graded Credit

You do not necessarily have to be enrolled in a course to challenge it for credit. However, if you pass the special examination for a course, you must purchase the credit as noted below to receive GE or university credit. If you are enrolled in a course that you successfully challenge by special examination for graded credit, you may drop the course but must do so before the official university drop deadline. You can then purchase the academic credit for \$5 per credit hour (in addition to the testing fee) and have the letter grade posted to your transcript. There is a maximum credit-hour fee of \$40 in any one department in any semester.

If you receive a B- or higher grade on the exemption examination for Freshman English, you have the option of purchasing the academic credit and having the grade you received on the examination posted to your transcript. If you receive a C- or higher on the Physical Science exemption examination, you may purchase the academic credit and have the grade posted on your transcript to meet the GE requirement (however, you can only obtain an exemption from the course by passing the examination with a B- or higher grade). The exemption examination for Precollege Mathematics is at the level of Math. 99, which does not carry university credit.

If you do not pass the exemption examination for Health, you may challenge Hlth. 129 by examination for credit. Authorization is obtained by paying a \$5 testing fee. If you pass the challenge examination, you may purchase credit and receive a letter grade. You may challenge Hlth. 129 whenever you choose (during posted examination periods) and may retake the examination or enroll in Hlth. 129 or Hlth. 130 to complete the requirement. The challenge examination is given on the following dates:

Health (Hlth. 129)

Previously enrolled students and students entering fall semester 1988

Jan 9-23

In addition, examinations for graded credit for American Heritage, Biology, and Advanced Writing can be taken in the Testing Center. Authorization is obtained by paying a \$10 testing fee. The examinations are given on the following dates:

Advanced Writing, Parts 1 and 2

Previously enrolled students and students entering fall semester 1988

Jan 9-Feb 6

NOTE: The Advanced Writing examination has three parts. After passing Parts 1 and 2, a student should contact the departmental office for the course being challenged. Several papers are required for Part 3, which must be initiated before the end of the examination period noted above and completed before the end of the semester or term in which Parts 1 and 2 were taken. An additional \$40 handling fee is required for Part 3. (All parts of the examination must be completed within a single semester or term.) Students cannot challenge the Advanced Writing requirement in the semester in which they intend to graduate.

American Heritage (AHtg. 100)

Previously enrolled students and students entering fall semester 1988

Jan 9-Feb 6

Biology (Biol. 100)

Previously enrolled students and students entering fall semester 1988

Jan 9-23

Special examinations for all other GE courses are administered by the departments offering the GE courses. You must make arrangements early in the semester with the department offering the course you intend to challenge.

Transfer Credit

Application of transfer credit to general education requirements will be determined on a course-by-course equivalency basis by the Transfer Evaluation Office, A-183 ASB.

How Do I Get Specific Help with General Education Problems?

The college advisement centers will provide individual assistance on GE matters, including up-to-date reports of your progress in the GE Program. Additional information about the program is found in the General Education Guide (available in college advisement centers and departmental and deans' offices), in the BYU General Catalogue, and from the General Education Office, 302 MSRB, 378-3038.

UNIVERSITY HONORS

Participation in the University Honors Program

The University Honors Program provides an unusually rich and challenging experience for motivated students. Honors education is not merely a more intensive general education or a more strenuous program in a major. Rather, it is a fully integrated undergraduate program that links the broad university perspective with the specific concentration associated with a major. Students who elect to pursue an Honors education at Brigham Young University will be offered the challenge of Honors courses that form a part of their general education, as well as special and intensive experience in their major.

To graduate from BYU, students must meet not only the requirements of a major department but also earn credit in general education, religion, and physical education. Most students complete the nonmajor requirements through courses in the general university curriculum: Especially capable and motivated students, however, are invited to satisfy general education and religion requirements through the University Honors Program. Students who choose to participate in University Honors courses will be expected to excel in all the requirements of their major as well as in all the university's general education requirements. Although it is hoped that students will choose to complete all University Honors requirements, those who do not intend to do so are still invited to participate in the Honors general education curriculum.

The University Honors Program is unique in that it is open to all especially capable and motivated students and does not require formal application for membership. "Especially capable" is defined to include those students with a composite ACT score of 28 or above or a university GPA of 3.5 or above. Defining "motivated" is more difficult. The university does not want to recommend Honors courses only to those students with high scores, either GPA or ACT, since it is difficult to gauge a student's ability from scores alone. Such scores may not say much about such important inner qualities as determination and initiative or about recent achievements that may contrast with earlier performance. All especially capable and motivated students are invited to decide for themselves whether the University Honors Program will provide the kind of academic experiences they seek.

The Advantages of Honors

Professors and Curriculum

The most important advantage of participation in the University Honors Program is the opportunity to participate in demanding courses of high quality taught by some of the university's best professors. In addition, the

Honors Program tries to create a stimulating and enriched learning environment outside formal course settings.

1. Honors Core.

The Honors Program offers a "core" curriculum that consists of a two-semester sequence in civilization, an intensive writing course, and a course in epistemology, i.e., the philosophy of science, or the history of science. Although not everyone will be taking precisely the same courses, Honors colloquia, seminars, and departmental courses in the core are combined in a variety of ways to provide a similar experience for each Honors student in the historical development of culture, society, science, and ideas.

2. Honors Colloquia.

These are forums of interdisciplinary discussion and learning taught by at least two and often three professors from different fields. Depending on which one you choose, they may fill Arts and Letters, Social and Behavioral Sciences, and Natural Sciences GE electives.

3. Honors Seminars.

These are small (usually 20 students or less), rigorous classes that provide a wide variety of choices for filling your GE requirements. Each semester we offer about a dozen Arts and Letters seminars, eight or ten Social and Behavioral Sciences seminars, and six or eight Natural Sciences seminars.

4. Honors Departmental Sections.

Some departments within the university offer introductory courses intended especially for Honors students taught by their strongest teachers. Departmental Honors sections of general education courses are usually smaller than regular GE courses and provide more occasions for classroom discussion and additional reading and writing.

Honors Housing, the Honors Center, and Special Activities

Students in the University Honors Program benefit most directly from their association with fellow Honors students and with Honors faculty. To encourage this interaction among students outside class, the program offers special on-campus housing for Honors students (in Helaman Halls, Deseret Towers, and Heritage Halls). Honors students also have a special center in the Karl G. Maeser Memorial Building, which provides them with a quiet study hall, a commons room for informal discussion and get-togethers, an advisement center, and five classrooms. An Honors computer room and an Honors writing laboratory are housed nearby in the Heber J. Grant Building.

University Honors (continued)

In addition to formal courses, the Honors Program publishes scholarly student writing in *Insight* and sponsors a special series of concerts, dramatic productions, and exhibitions in the Maeser Building (presented by faculty in the Departments of Art, Music, and Theatre and Film). Four Honors student aides provide assistance with academic advisement, and the Honors Student Council, which is open to all Honors students, sponsors social and educational events, publishes a regular newsletter, and serves as an important advisory body to the Honors deans.

Early Registration Privilege

The letter inviting students to register by Touch-tone telephone is sent before those of the general student body. This privilege is awarded to a student the semester after he or she completes an Honors class. (New freshmen receive this benefit by registering for an Honors class their first semester.) This significant advantage is given to students who are conscientiously and consistently designing a more rigorous undergraduate education. If a student does not complete an Honors class in a particular semester, the privilege is lost for the following semester but will be available any semester after another Honors class is taken. Each semester the Honors Office certifies who will receive the early registration privilege.

University Honors and Honors in Major Field

"University Honors" is a distinction awarded to all graduates of BYU who have met the Honors-level requirements in their education as described below. Students meeting all requirements for Honors graduation receive this prestigious designation, which is recorded on the university diploma, on the official transcript, and in the graduation program (all Honors classes taken and the Honors Thesis title also appear on the transcript).

In addition, those students who also complete the Honors track within their major (if one is provided) will have recorded on their university diploma and official transcript *Graduation with Honors* in the particular discipline.

University Honors Graduation Requirements

To graduate with University Honors, a student must:

- 1. Complete the Honors core and three or more Honors GE classes in areas outside his or her major.
- 2. Maintain a 3.5 GPA both in Honors classes and in all other university classes.
- 3. Master any classical or modern foreign language to the level of the GE requirement.
- 4. Achieve a proficiency in mathematics to the level of the GE requirement.

- 5. Complete a senior Honors Thesis (a serious research project in the student's major).
- 6. Master the requisite number of literary and artistic works.
- 7. Apply at the Honors Office for graduation with University Honors.
- 8. Complete an exit interview with one or more of the Honors deans.

Masterworks of Art and Literature

Honors students will be expected to master a number of the most important works of literature and the arts in the course of their undergraduate studies. A reading, listening, and viewing list will provide suggestions, but alternative works may also fulfill the requirement, subject to approval by the deans.

Many of the masterworks might be studied in connection with courses, but the Honors Program will also sponsor several series of noncredit "modules" each semester devoted to discussion and analysis of selected works and conducted by professors who are authorities on the subject.

Honors Thesis

To graduate with University Honors, a student must initiate and complete an Honors Thesis. This provides an opportunity for a student to work closely with a faculty member on a project of the student's choosing in the student's major. It is expected that these projects will differ greatly from one discipline to another. Each, however, requires an independent written work that must receive both departmental and Honors approval.

Honors and Grades

Anyone may register for Honors classes, but students should be aware that the classes will be taught and graded on the level of the superior student. Yearly statistics indicate that especially capable and diligent students do very well in Honors classes. In fact, on the average, they receive slightly higher grades in their Honors classes than in their other classes in any given semester. Honors courses are not graded on a curve, and students do well in large part because the classes are more demanding and fulfilling. Students are motivated to perform well, and they do; thus their grades are higher.

NOTE: The Honors Program Book, containing a complete course listing and detailed description, is available in the rack outside 350 MSRB (or call 378-3038). This is an essential supplement to the university Class Schedule. Students may register for Honors GE classes at any time during their undergraduate years without necessarily intending to complete all the Honors graduation requirements.

Honors Program GE Courses

HONORS HAS A 12-HOUR CORE REQUIREMENT:

- 1. A 6-hour Civilization sequence: this must be filled by one of the two-semester course sequences listed below.
 - 2. A 3-hour intensive writing course (AP English credit does not meet this requirement).
 - 3. A 3-hour epistemology course, i.e., the history or philosophy of science.

University Assemblies

University Forums and Devotionals

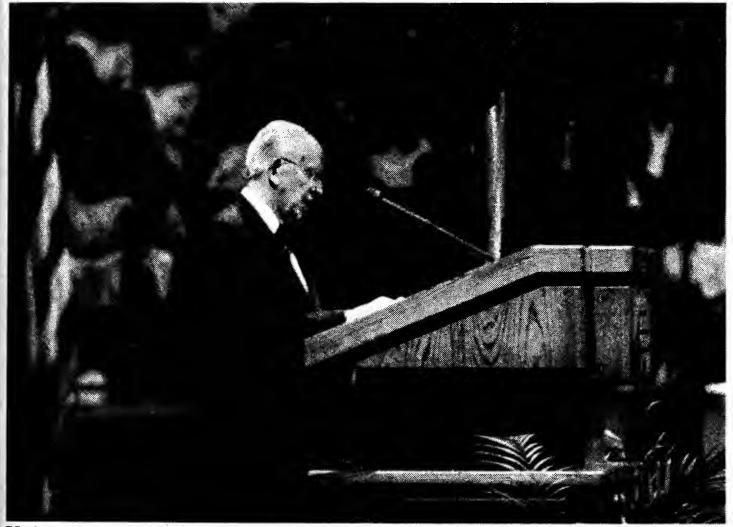

University-wide forums and devotionals are held on selected Tuesdays at 11:00 a.m. through the year. These assemblies are an integral part of the general education experience at Brigham Young University and are an occasion to celebrate the university's sense of community. Participation will extend your understanding of the intellectual and cultural achievements of mankind and renew spiritual commitment and faith.

Speakers for forums are selected carefully from the arts, the sciences, the humanities, the media, and the government. They are chosen for their professional accomplishment, their ability to communicate effectively, and the importance of their contributions to society. Participation in these assemblies (and in the question-and-answer sessions and other lectures that often accompany them) will extend your understanding of intellectual and cultural achievements and will focus

your thinking on significant and engaging issues. The university forums aim at being truly integrative and stimulating.

Devotional speakers are selected from the General Authorities and other leaders of the Church. They come prepared to remind you of the importance of the spiritual dimension of your educational experience, to teach the gospel, to instruct in moral principles, to offer religious enrichment, and to encourage commitment and faith. An additional spiritual opportunity is provided by monthly university-wide stake firesides. These firesides, which also feature General Authorities as speakers, are usually scheduled the first Sunday of each month at 7:30 p.m. in the Marriott Center.

To foster participation in university forums and devotionals, most campus offices and services are closed during the assemblies.

University forums and devotionals are an integral part of the general education experience.

University Policies

Student Classification

At the beginning of each semester, students are classified for that semester as follows:

0-31.9 Freshman 32-63.9 Sophomore 64-95.9 Junior 96 and over Senior

Engineering students having more than 128 semester hours are classified as fifth-year professional students.

Class Attendance Policy

You are expected to attend classes for which you are registered. Each class instructor may determine the relationship of class attendance to the final grade for the course. Officially excused absences are required only when you are away representing the university on official business. All officially excused absences must be approved through the office of the dean of Student Life.

Faculty should tell you what relationship attendance has to your final grade for the course, but you must take the responsibility for your actions. It is not necessary for the instructor to report absences to the office of the dean of Student Life unless he or she has knowledge of an accident or illness that is causing the absence. Notification to teachers of emergency absences (death in the family, serious illness, etc.) is your responsibility.

Academic Standards

Your academic standing in the university is determined by two measures of your work. One measure is the grades that you earn (grade standing) and the other is the progress that you make to complete the work for which you have registered (progress standing). The following outline shows the parallel relationship between grade standing and progress standing:

Academic Standing (Two Measures)

Grade Standing

Progress Standing

Satisfactory Academic Standing (Acceptable Academic Work)

Satisfactory Grade Standing Satisfactory Progress Standing

Unsatisfactory Academic Standing (Levels of Academic Difficulty)

Grade Warning
Grade Probation
Grade Suspension

Progress Warning Progress Probation Progress Suspension

Grade Standing

Your grade standing at BYU is based on BYU grades only. To be in satisfactory grade standing you must maintain at least a C average (2.0 GPA) each enrollment. Both semester/term GPA and your BYU cumulative GPA must be above 2.0 to be in satisfactory grade standing. Please note that many departments require a much higher minimum GPA for acceptance into their majors. A grade warning will be given if your most recent semester/term falls below 2.0 even though your cumulative BYU grade point average is at or above 2.0. Grade probation will result if

(1) your cumulative BYU grade point average falls below 2.0, or (2) your semester/term GPA drops below 2.0 for two consecutive semesters/terms even though your BYU cumulative remains above 2.0.

NOTE: Beginning freshman students completing their first college enrollment at BYU will be placed on grade warning if this first enrollment is below 2.0. Transfer students will be placed on grade probation after their first enrollment if they receive a GPA below 2.0.

Grade suspension will result from failure to bring both BYU cumulative and semester GPAs to 2.0 or above during the grade probation semester. Suspension means that a student is no longer eligible to attend day or evening classes at BYU.

Progress Standing

Progress is determined by the percentage of progress grades you make each enrollment. Nonprogress grades are W's, E's, UW's, WE's, I's, and grades of repeat classes that already have credit (D-or above). This percentage is calculated by examining your most recent semesters/terms until at least 30 credit hours can be evaluated using whole semesters/terms. (For students with fewer than 30 BYU credit hours but more than 10, all hours will be used to calculate the percentage.) If your progress percentage is 65 percent or less (for the first time), you will be placed on progress warning. Once warned, you will be placed on progress probation if your percentage stays at or again drops to 65 percent or below. Receiving nonprogress grades during a progress probation enrollment will result in progress suspension. Repeating failing grades (E's, WE's, IE's, or UW's) successfully will not contribute to nonprogress. Dropping (withdrawing) from a class after the add/drop deadline will count as a nonprogress grade (W).

NOTE 1: Students on grade or progress probation are normally not eligible for university or federal financial aid.

NOTE 2: Because students often preregister and pay tuition for a subsequent semester/term before learning they have been suspended, they are responsible to withdraw (discontinue) and arrange for a tuition refund.

A more complete statement of BYU's academic standards is found in the Academic Standards section of the BYU General Catalogue. Because not all students are at the same level of academic accomplishment, the Academic Support Office has been established to help you reach and exceed BYU's minimum academic standards. You are encouraged to contact this office (173 SWKT, 378-2723) for assistance in achieving academic success or for clarification about BYU's academic standards as they apply to your specific situation.

Repeating Classes

You can repeat classes at BYU in four ways:

1. Repeat at BYU classes taken at BYU.

2. Repeat at BYU classes taken at other institutions. A memo of equivalency is needed from the BYU department chairman.

3. Repeat at other institutions classes taken at the same institution—and have the credit transferred to BYU.

4. Repeat classes taken at BYU through Independent Study or a Continuing Education center.

When you repeat a class, except for classes classified as R classes, the grade used to figure your grade point average is the grade earned the last time the repeated class was taken. You must notify the Records Office, B-150 ASB, during the subsequent semester that the class has been repeated.

The I (Incomplete) Grade

The letter grade I (incomplete) is given on a contractual basis with the instructor for students who are eligible to complete the work in a prescribed time period. An incomplete is only given when extenuating circumstances (serious illness, death in the immediate family, etc.) occur after the twelfth week of a semester or the sixth week of a term. The Incomplete Grade Contract must be completed and signed by the instructor and the fee must be paid before the instructor's submission of the official grade roll at the end of the semester or term. A copy of the Incomplete Grade Contract must accompany the grade roll. If the contract is not attached to the roll, the grade will be changed to an E.

An incomplete is never given when one is failing or has failed the course. The instructor should indicate a specific length of time in which the student must complete the incomplete. The time length may not exceed one year. Class attendance in a subsequent semester or reregistration is not permitted to make up the incomplete. Once the work has been completed, the instructor should fill out the portion of the Incomplete Grade Contract that indicates the grade earned and submit the form to the Records Office, B-150 ASB.

An incomplete is computed in the grade point average as a failing grade until the course work has been completed and the official grade has been submitted by the instructor.

Grade Reports

Grade reports are available at no charge for all day and evening school students after the semester has concluded. Grade reports will be mailed to students who leave self-addressed, stamped envelopes containing their Social Security number at the Records Office. Grade reports are also sent to the parents of unmarried freshman students under twenty.

Changing College or Major

A student who desires to transfer from one major to another, or from one college to another, must clear this change through the college advisement centers. Official change of major cards may be obtained from the college advisement center of the college in which you are

presently enrolled. After being properly signed, the card must be submitted to the college advisement center of your new college. Graduate students should review the policy regarding them that follows.

Withdrawal (Discontinuance) from BYU

A daytime student is not officially withdrawn from the university unless the student has completed the discontinuance process in the Discontinuance Support Office, 170 SWKT.

If you find it necessary to withdraw from all your classes, you must do the following:

- 1. Complete discontinuance forms available from the Discontinuance Support Office, 170 SWKT, 378-7705.
- 2. Obtain instructor and clearance signatures if necessary. Beginning with the sixth week of the semester or third week of the term, you become responsible for grades earned in classes. Signatures must be obtained from individual instructors, who indicate your academic status.
- 3. Submit completed forms and sign out with a member of the Discontinuance Support Office staff.
- 4. Have your student activity sticker voided. You retain the voided sticker as your receipt.
- 5. See page 13 for discontinuance refund information.

Students enrolled through the Office of Evening Classes should discontinue in that office, 120 HCEB. Law School students must initiate their discontinuance through the office of the Law School dean, 348 JRCB.

Students who leave the university under emergency conditions and subsequently do not return still have the responsibility to discontinue before the discontinuance deadline. Official termination can be initiated by contacting the Discontinuance Support Office at the earliest possible time.

Graduate Information

It is the responsibility of each graduate student to understand and follow both the general requirements of the university for graduate work and the specific requirements of the department in which he or she is registered. These are available in the BYU Graduate Studies Catalogue, from the department, and from the Office of Graduate Studies.

Graduate students must register for a minimum of 6 semester hours per academic year and must be registered for a minimum of 2 semester hours in the semester in which they (a) are accepted in a graduate program or (b) plan to graduate.

Graduate International Students

International students will also need to conform to the U.S. Immigration Regulations. This means registering for at least 9 semester hours of credit each fall and winter semester. Anyone having fewer than 9 semester hours of credit remaining in the program will need to register for a minimum of 2 hours per semester. Questions concerning this requirement may be answered in the Office of Graduate Studies.

Registration for Faculty, Staff, Administrative Personnel, and Their Spouses

Full-time regular faculty, staff, and administrative personnel may register for courses up to 6 hours per semester, within the limits indicated below, and will not be required to pay the cost of the tuition.

Written approval is required for employees to take daytime classes (7:00 a.m. to 5:00 p.m.). Applications for approval may be obtained at the Benefits Office, B-202 ASB, before registration. (Final approval for daytime class work rests with the manager of Employee Benefits.) Employees eligible to take daytime classes need to be properly admitted through the Admissions Office.

Full-Time Regular Faculty and Administrative Personnel

(See Personnel Policies and Procedures)

Regular teaching faculty and administrative personnel may register for courses of study up to 6 hours per semester. Those wishing to take daytime classes will need the written approval of the department chairman or supervisor, the dean or director over the area, and the manager of Employee Benefits. Administrative personnel who take classes in the daytime hours will be expected to make up the time they are absent from their regular work.

During the spring and summer terms, faculty members who have teaching duties or administrative personnel may take 3 credit hours per term, or 4 in one and 2 in another. (If no classes are taken in spring term, 6 credit hours may **not** be taken in the summer term, or vice versa.) Faculty who are not teaching during a spring or summer term, and who are not on contract with the university for research, administrative, or other special assignments, may take as many credit hours during that term as their department permits and will not be required to pay the cost of the tuition.

Full-Time Regular Staff

(See Personnel Policies and Procedures)

Regular staff employees may register for courses of study up to 6 hours per semester. However, these courses may **not** be taken during regular work hours. Lunch hours, no matter when scheduled, may **not** be used for class attendance.

With the required approvals, staff employees with staggered hours schedules (See *Personnel Policies and Procedures* No.215) may register for daytime classes. A staggered hours work schedule, which must first be approved by the employee's supervisor, allows an employee to work eight hours between 7:00 a.m. and 6:00 p.m. with a meal period of at least one-half hour. The work schedule should remain as constant as possible. Whether or not an employee can have a staggered hours schedule and take day classes will depend on the seasonal and daily workload of the department. The opportunity to take a daytime class is limited to classes that are needed to complete a degree or will enhance job performance. Written approval needs to be obtained

from the employee's supervisor, the dean or director over the area, and the manager of Employee Benefits.

During the spring or summer terms, regular staff may take 3 credit hours per term, or 4 in one and 2 in another. (If no classes are taken in spring term, 6 credit hours may not be taken in summer term, or vice versa.)

Spouses of Regular Faculty, Staff, and Administrative Personnel

(See Personnel Policies and Procedures)

Eligible spouses of regular, full-time faculty, staff, and administrative personnel may register for courses of study with no limit as to the number of hours, day or night, and will not be required to pay the cost of the tuition. Those who wish to take daytime classes need to be properly admitted through the Admissions Office.

To be eligible for tuition benefits for their spouses, employees must (a) be at least age 30 and have completed at least one year of service, or (b) have completed five years of service with the university, whichever comes first. Regular employees who terminate employment and are rehired may be able to add prior employment to the most recent period of employment, within the limits indicated in *Personnel Policies and Procedures* No. 236, to achieve the required years of service for eligibility for spouse tuition benefits.

Part-Time Employees

(See Personnel Policies and Procedures)

Part-time, on-call, and temporary employees and their spouses are required to pay tuition costs for courses for which they register.

Auditing Classes

Faculty and administrative employees and their eligible spouses who desire to audit classes should go to the Registration Office, B-130 ASB, for auditing procedures. Any class audited in this manner will not appear on official records. Staff employees are not eligible to audit daytime classes. Those wishing to audit Evening Classes should do so through the Evening Classes Office. Any exceptions should be cleared through the Benefits Office.

University Discontinuance

An employee or spouse enrolled through day school who discontinues his or her entire registration at the university is required to discontinue through the Discontinuance Support Office, 170 SWKT. If all classes are Evening Classes, discontinue through Evening Classes, 120 HCEB.

Evening Classes

Employees and their eligible spouses who desire to register only for Evening Classes may do so at Evening Classes, 120 HCEB. They may obtain their tuition benefit at Evening Classes at the time they register by presenting their employee or employee spouse ID card, or they may obtain vouchers in advance from the Benefits Office, B-202 ASB.

Daytime students taking Evening Classes (sections 400–499) must register for the courses through the same procedure as for day school.

Faculty and staff members who register for Evening Classes only must register by December 15, 1988. On-campus registration will be in 120 HCEB beginning October 3, 1988.

Registration. Forms for registering may be obtained at Evening Classes, 120 HCEB, or in the Benefits Office. Check the current Class Schedule for semester and term deadlines and watch the weekly Y News for instructions. To assure a place in a class, early registration is necessary. All completed registration material must be submitted to 120 HCEB. All matters concerning evening registration are handled in this office.

1 11 11 11 11 11 1

Changes in Registration. When a change in registration becomes necessary, employees must obtain a change of registration card from 120 HCEB. The approval and signature of the instructors are required to add classes. This card must then be returned to 120 HCEB.

Discontinuance. A student discontinuing his or her entire registration at Evening Classes is required to clear through Evening Classes, 120 HCEB. A \$10 fee is charged for the service after registration has been finalized.

FINAL EXAMINATION SCHEDULE FOR DAY CLASSES—WINTER 1989

Final examinations will be given at the times shown in the following schedule. Examinations are not given early. The examination period is preceded by reading days, which give time for conscientious review, study, and synthesis of the semester's work. The reading and the examination periods are firmly scheduled parts of the semester; students must not make plans that interfere with these important academic activities. If illness or other uncontrollable circumstances prevent a student from taking an examination at the scheduled time, that student is responsible to inform the class instructor as soon as possible. The instructor may give the grade *Incomplete*, depending on the circumstances. The incomplete cannot be given unless the student and instructor together prepare a contractual agreement.

Second block class examinations will be given at the time shown in the schedule below. First block examinations will be given during the last regular class period. In cases where a student has conflicting examinations or more than three examinations in one day, individual arrangement for alternative test times may be made by the instructor.

Examinations will be held April 22, 24, 25, 26, 27, with reading days April 19, 20, 21; therefore, Tuesday, April 18, 1989, will be the last day of instruction.

Classes meeting DAILY, MTWTH, MWF, MW, M, or W-

LASS SCHEDULE ABBREVIATIONS

СТВ

Class Schedule Abbreviations

The courses in the Listing of Classes section are listed under their respective departments, which appear alphabetically. Abbreviations used in the Class Schedule are as follows:

DEPT-the department of the university which offers the class. The university is divided into ten colleges and each college is divided into various departments. See the BYU General Catalogue for a listing of the colleges and departments at BYU.

CATG NO-the catalog number. Enter this number in the second column of the work sheet. The numbers indicate the following classifications: Preparatory and remedial courses

Lower-division courses 100-299 Upper-division courses 300-499

Courses for graduates or advanced undergraduates

500-599 Graduate courses 600 or above Freshmen and sophomores should not take courses with numbers

above 299 unless approval has been obtained from the dean of their college.

R designates a course that may be repeated for credit. Two R courses with the same number on a transcript are treated as two independent courses.

If an R course is repeated for the purpose of raising the grade received, the grades will be averaged because it is assumed that the subject matter varies from time to time.

LAB or QZ-lab or quiz section noted by L or Q.

SEC-section. When more than one class of a particular course is offered, they are distinguished by different section numbers. Enter this number on the work sheet.

INDEX-index number. Each course has a different index number for computer identification purposes. Enter this number on the work

CR HR-credit hours. To graduate, you must have completed 128 credit hours of course work. To graduate in eight semesters, you must average 16 credit hours per semester. V means variable credit hours. Register for the desired number of hours within the approved range indicated in the schedule (see advisement center for further information). Arr. means credits to be arranged.

BLK-block. Each semester is divided into two blocks. Block classes are offered either during the first or second block of the semester.

DAYS TAUGHT-class days.

ROOM-BLDG-where the class meets (see below for building abbreviations).

SPECIAL ENROLLMENT-classes restricted to particular students. GE CATG-General Education Category-E = Freshman English, M = Precollege Mathematics, AL = Arts and Letters, NS = Natural Sciences, SS = Social Sciences, AW = Advanced Writing, L/M =

Foreign Language or Mathematics Requirement. APPROV OR FEE-classes requiring special approval or fee. See the explanatory footnote at the bottom of every other page.

TBA-to be announced (see department).

FLD WYMNT	Wymount Field

Course Divisions

Classes are given numbers as follows:

Preparatory and remedial courses		1-99
Lower-division courses	1	100-299
Upper-division courses	*	300-499
Courses for graduates or advanced	•	
undergraduates		500-599
Graduate courses		600 or above
	t .	

Freshmen and sophomores should not take courses with numbers above 299 unless approval has been obtained from the dean of their college.

Telephone Registration Work Sheet Spring Term

Use *only* a Touch-tone telephone to make entries. Touch-tone phones make a tone sound after each button is pushed. Phones that make no tone will not work.

If the system does not answer the phone, it is not working. If the phone is busy, all lines are being used. Please call back later.

A voice response will guide you after each entry. Press entire sequence when told to do so: code, numbers, star * key, and pound # key.

Make a longer add list because some classes might be full.

ACADEMIC ADVISEMENT

Where do you go for academic advisement?

If you have chosen a major, or if you have one in mind, go to the advisement center for the college that offers that major. If you have no major in mind, visit the Open-Major Advisement Center.

All academic advisement centers are open from 8:00 a.m. to 5:00 p.m. Monday-Friday. Write, visit, or call (area code 801—then 378- and the appropriate extension) the advisement center of your choice:

Extension

3826	Open-Major	151 SWKT
3042	Biology and Agriculture	380 WIDB

REGISTRATION INSTRUCTIONS

Spring Term 1989

Are You Eligible to Register?

You are eligible to register for spring term 1989 if you registered for and completed regular day school classes during winter semester or winter block 1989 or have been issued a valid letter of admission for spring term 1989 by the Admissions Office. Winter semester day school students will not be able to access the registration system for spring, summer, or fall until they have completed a continuing endorsement interview.

If you do not meet one of these criteria, registration will be blocked.

No Intent to Register Form will be mailed to you spring or summer terms since it is not necessary to declare your intent to register. A \$50 prepayment is required for fall and winter semesters only.

Students may register by Touch-tone telephone beginning December 12, 1988.

New Students: Find additional Registration Information on page 7.

Step 1

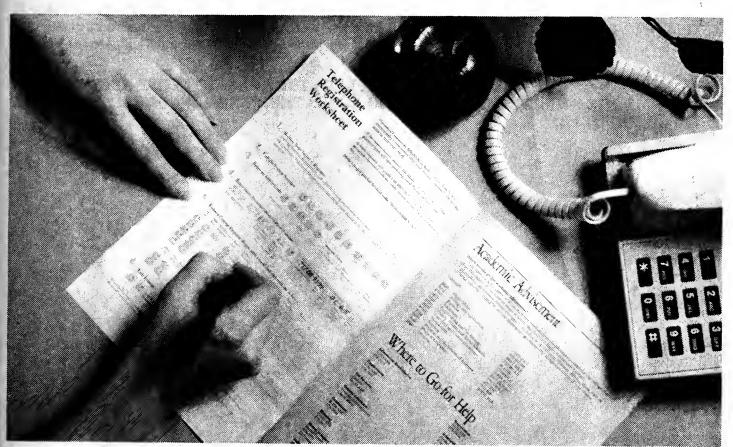

Complete the Telephone Registration Work Sheet (See page 4 for details.)

Step 2

Register by Touch-tone Telephone Open Registration Late Registration (See page 4 for details.)

Step 3

Pay Tuition (See page 6 for details.)

Complete the Telephone Registration Work Sheet and register.

STEP 1: COMPLETE THE TELEPHONE REGISTRATION WORK SHEET

The telephone registration work sheet is found inside the front cover of this schedule.

Sample Telephone Registration Work Sheet (see page 5)

This sample shows you how to take the information from the Class Schedule and list it on the work sheet.

Remember: Prioritize your desired classes. Most students list the classes for their major first, and many list more than one section of each course to assure receiving a complete schedule. The computer will not schedule you in more than one section of the same class (except R courses). As you request classes, the computer voice will tell you if you receive a class and will inform you if other sections are available.

If you do not have access to a Touch-tone telephone, or if you prefer, you may complete the work sheet inside the cover and mail it to the Registration Office, B-130 ASB, Provo, Utah 84602.

STEP 2: REGISTER BY TOUCH-TONE TELEPHONE

Register December 12-April 14

Register using a Touch-tone telephone (Touch-tone phones make a clear tone after each button is pushed).

Final Tuition Deadline April 14, 4 p.m.

A Tuition Billing Statement will be sent to all registrants. If you register after March 31, a statement may not arrive before the payment deadline. In the event that a Tuition Billing Statement is not received by mail, FULL TUITION REMAINS THE STUDENT'S RESPONSIBILITY AND IS DUE BY THE PAYMENT DEAD-LINE. If the billing statement and final tuition payment is not returned by April 14, you will be assessed a \$25 late tuition fee.

Late Registration April 17-May 1

After April 14, A \$25 LATE FEE AND FULL TUITION MUST BE PAID BEFORE THE TELEPHONE SYSTEM WILL BE MADE AVAILABLE FOR LATE REGISTRATION. You may late register by telephone until 5:00 p.m. May 1. Beginning the first day of class, May 3, you should go to the Registration Office to late register in person.

IMPORTANT NOTICE: THE UNIVERSITY RESERVES THE RIGHT TO CLOSE REGISTRATION AT THE TIME THE STUDENT ENROLLMENT REACHES THE MAXIMUM NUMBER SET BY THE BOARD OF TRUSTEES.

SAMPLE REGISTRATION WORK SHEET

English Biology PRINCIPLES BIOLOGY PRINCIPLES BIOLOGY PRINCIPLES BIOLOGY **General Studies** Use only a Touch-tone telephone to make entries. Touch-tone phones make a tone sound after each button is pushed. Phones that make no tone will not work. **Telephone** Registration If the system does not answer the phone, it is not working. If the phone is busy, all lines are being used. Please call back later. **Work Sheet** A voice response will guide you after each entry. Press entire sequence when fold to do so: code, numbers, star * key, and pound # key. **Spring Term** Make a longer add list because some classes might be full. 1. Declare Your Intent to Register For spring and summer terms the \$50 prepayment is waived and the student is not required to return an Intent to Register Form. Students may begin calling on December 12, 1988. 8013785111 2. Call the System Number Or it busy, call 801 3 7 8 5 1 1 2 3. Enter an Action Code R S B 9 # Registration Sprug 1989 Enter 4. STEP 3: PAY TUITION

Address Correction Requested

It is important that your correct mailing address be on file at the Registration Office. If you are uncertain about your mailing address on file, the telephone registration system will report your mailing address (see work sheet, inside front cover). Addresses may be corrected by contacting the Registration Office, B-130 ASB, Provo, Utah, 84602, telephone (801) 378-2824.

Payment Deadline April 14, 1989

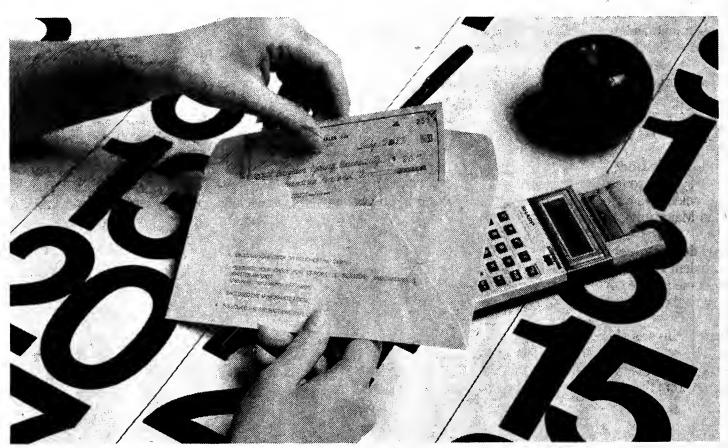

The Tuition Billing Statement and a confirmation of classes will be mailed by March 31, 1989. If you register after March 31 or have not received this notice by April 10, contact the Registration Office immediately. Full tuition must be received in the BYU Cashier's Office by 4:00 p.m. April 14. STUDENTS WHO FAIL, TO MEET THE TUITION DEADLINE WILL BE ASSESSED A \$25 LATE FEE. IN THE EVENT YOU DO NOT RECEIVE A TUITION BILLING STATEMENT BY MAIL, PAYMENT STILL REMAINS YOUR RESPONSIBILITY AND IS DUE BY THE DEADLINE.

IMPORTANT NOTICE: You will be assessed a \$25 late tuition fee if you pay less than full-time tuition by April 14 and are then enrolled or later become enrolled for more than 4 credit hours.

Payment Procedure

The Tuition Billing Statement and a check or money order to cover the amount of tuition due should be mailed to the BYU Cashier's Office, D-148 ASB, Provo, Utah 84602. A drop box is provided in the administration building (D-148 ASB) for students on campus who wish to save postage. (Do not use campus mail.)

NOTE: BYU SCHOLARSHIP RECIPIENTS MUST RETURN THE TUITION BILLING STATEMENT EVEN IF NO TUITION PAYMENT IS DUE.

Pay Full Tuition by April 14, 4:00 p.m., to avoid the late fee.

HELP FOR NEW STUDENTS:

Organize Your Registration Materials

You will need the following items to register:

BYU General Catalogue or BYU Graduate Studies Catalogue

The BYU General Catalogue includes all courses and describes university and major requirements for undergraduates. The BYU Graduate Studies Catalogue describes graduate courses and programs. Both are available at the BYU Bookstore or may be ordered by sending \$4, plus \$1 postage and handling, for each catalogue, to BYU Mail Services, 296 UPB.

Telephone Registration Work Sheet

Found inside the front cover of this Class Schedule. Also available at the Registration Office, B-130 ASB, or the college advisement centers.

List of Required Classes

List of classes needed to meet university and major requirements.

Continuing Students should refer to the BYU General Catalogue, contact their advisement center, or refer to the General Education section of this Class Schedule.

New Students are mailed a list of suggested classes from their college advisement center. IF YOU HAVE NOT RECEIVED THIS LIST, YOU SHOULD CONTACT YOUR COLLEGE ADVISEMENT CENTER AS LISTED ON PAGE 1 OF THIS BULLETIN. The following section, Questions New Students Must Be Able to Answer, will help you understand some new college vocabulary.

Questions New Students Must Be Able to Answer

What is a credit hour?

A credit hour usually refers to the number of hours you will meet for formal instruction in class each week. The average freshman can successfully complete from 12.5 to 16 credit hours (five or six classes) per semester or 6 to 8 credit hours (three or four classes) per term. This will vary depending on the difficulty of the classes, outside involvement, and motivation to study.

What is general education?

The General Education Program at BYU assures that the student has achieved competence in certain skills or knowledge before graduating. Proof of competency is achieved by successfully passing required courses. Some students pass the requirement by taking special examinations for credit when they arrive on campus (without having taken prior BYU course work).

What is a major?

A major is a concentrated group of classes in a particular field you take to achieve your educational goals. You may have selected a major on the admission application. If you are presently undecided, you may enter the area called Open-Major Advisement.

How do I request classes?

Students request classes using a Touch-tone telephone. You should complete the Telephone Registration Work Sheet (see inside cover) and have alternate sections available. This will enable you to submit additional requests by phone if the class is full.

Which classes should I select?

New freshmen are mailed a list of suggested classes from their college advisement center. If you have not received this list, you should contact your college advisement center as listed on page 1 of this book, or, you can choose from the classes listed on page 8.

SAMPLE FRESHMAN SCHEDULES

New freshmen are mailed a list of suggested classes from their college advisement center. If you have not received this list, you should contact your college advisement center as listed on page 1. You may wish to choose from the sample schedule of classes listed below.

Additional classes that fill university and general education requirements are listed in the General Education section of this book. Most students will attend three classes (8 credit hours). You will want to prepare a list of as many as 10 classes, so that you can give the computer some additional classes to search for in case some of your first choices are not open or available.

7:30 to 10:00				-	

ADDING AND DROPPING CLASSES

Adding and Dropping by Telephone (before class begins)

Students may add and drop classes by using a Touch-tone telephone. Students who pay their tuition by April 14, 1989, may continue to adjust their schedules through May 1, 1989.

Adding and Dropping Classes (after class begins)

After school has started, each academic department determines how classes are added. **DEPARTMENTS'**ADDING PROCEDURES ARE LISTED ABOVE THEIR CLASS LISTINGS IN THE CLASS SCHEDULE.

The procedure for using add/drop cards follows:

1. Obtain an add/drop card from the Registration Office or a college advisement center.

2. To add a class, obtain a signature of approval from the instructor or department, as indicated in this Class Schedule. Some classes are added by telephone only the first five days of class.

3. To drop a class, complete the card, indicating the class to be dropped (no signature required).

- 4. After the second day of school, pay a fee for each class dropped to the university cashier. (The amount of the fee increases each day.) The charges per day are printed on the add/drop card.
- 5. Take the add/drop card to the Smith Family Living Center step-down lounge during the first two weeks of school. Beginning the third week of classes, add/drop cards should be taken to the Registration Office, B-130 ASB. Turn the card in before the appropriate deadline listed below.

ADDITIONAL REGISTRATION INFORMATION

Maximum Hours per Semester or Term

Undergraduate students in good standing may register for as many as 18 hours of credit in one semester (9 per term) by following the regular registration procedures. The college advisement centers may authorize a student who has demonstrated superior academic ability to register for a maximum of 21 hours (11 per term). This approval is to be noted by the college advisement center on the add/drop card. Auditing of classes, registering for a class without receiving credit, or registering for evening classes constitute a part of your total registration. Exceptions to these rules should be presented to: University Registrar, B-150 ASB.

Deadlines

During fall or winter semester students may add classes during the first ten class days and drop classes during the first twenty-five class days. During spring or summer term classes may be added during the first six class days and dropped during the first thirteen class days.

Please note the following deadlines for changes in schedule:

Term Classes

May 3	W	Classes begin. You may add, drop, or late register for classes.
May 5	F	First day fees are charged for dropping classes. (The amount of the fee increases each day.
•		The charges per day are printed on the add/drop card.)
May 10	W	Last day to add classes, late register, or change classes to audits.
May 10	W	Last day to drop classes without W, official withdrawal, appearing on the transcript.
May 19	F	Last day you may drop classes for academic reasons.
June 7	W	Last day you may officially withdraw from classes for nonacademic emergencies.

Auditing Classes

Students desiring to audit classes (register for a class without receiving credit) must do so on an add/drop card during the last three days of the add period, May 8, 9, 10. It is not possible to register for an audit class on the Touch-tone telephone system. You are charged the same tuition for auditing classes as for taking classes for credit. Classes taken on an audit basis will not appear on your official record and will not be considered in calculating enrollment verifications.

Credit to Audit

Students who are registered for credit and wish to change to audit must first drop the class and pay any appropriate drop fees. The class may then be added for audit beginning the fifth through the tenth day of the semester or the fourth through the sixth day of the term.

Admission to Class

Students whose names are on the university class roll are officially registered. If your name is not on the official roll, you should contact the Registration Office, B-130 ASB, immediately. Instructors receive rolls of students in their classes the first day of classes. Other rolls, sent out during the third and eighth weeks, include the names of all students currently registered for that class.

Enrollment Verification

Students are considered full-time by the university if they are enrolled for at least 8.5 credit hours during a semester or 4.5 credit hours during a term. Students enrolled in 4.5 to 8 hours during a semester or 4 hours or less during a term are considered part-time. Students enrolled in 4 or less credit hours for the semester will be considered less than part-time. Audits do not count in total enrollment hours.

International undergraduate students are required to enroll in 12 credit hours a semester or 6 hours a term to be considered full-time students.

Evening Classes

Daytime students taking Evening Classes (sections 400–499) must register for the courses at the same time they register by Touch-tone telephone for day school.

Evening Classes mail-in registration must be received before April 24, 1989. On-campus registration will be in the Evening Classes Office, 120 HCEB, beginning February 1, 1989. Late registration will begin on May 3, 1989. Faculty and staff members who register for Evening Classes only must register by April 24, 1989.

Independent Study Programs

Independent Study is the university's "portable" program. You may register for courses anytime during the year and take up to a year to finish each course. Tuition is \$54 per semester hour and is not included in your regular BYU daytime tuition. For further information and a free catalogue of courses, contact the Independent Study Office, 206 HCEB, or telephone 378-2868.

FINAL EXAMINATION SCHEDULE FOR SPRING TERM CLASSES*

Final examinations will be given at the times shown in the following schedule. Examinations are not given early. The examination period is preceded by a reading day, which gives time for conscientious review and study and synthesis of the term's work. The reading and the examination periods are firmly scheduled parts of the term; students must not make plans that interfere with these important academic activities. If illness or other uncontrollable circumstances prevent a student from taking an examination at the scheduled time, that student is responsible to inform the class instructor as soon as possible. The instructor may give the grade *Incomplete*, depending on the circumstances. The incomplete cannot be given unless the student and instructor together prepare a contractual agreement.

If a class begins after the hour, the final exam period is determined by the beginning hour. Example: a class

beginning at 8:35 must take the 8:00 exam period.

In cases where a student has conflicting examinations or more than three examinations in one day, individual arrangement for alternative test times may be made by the instructor. Examinations will be held June 23 and 24, with a reading day Thursday, June 22; therefore, Wednesday, June 21, 1989, will be the last day of instruction.

*Finals for evening classes will be conducted the last class period Thursday, June 15; Friday, June 16; Monday, June 19; Tuesday, June 20; and Wednesday, June 21.

NOTE TO INSTRUCTORS: Exam periods have been scheduled with recitation hours back to back in most cases. If your class begins on an even hour (8, 10, 12, 2) and continues into the following odd hour (9, 11, 1, 3), you may extend your testing period into the next exam hour. For example, if a class is scheduled MWF, 8–10 a.m., then the exam period available would be 7–10:50 a.m., Saturday, June 24.

University Calendar

The annual calendar at BYU includes two semesters and two terms. Fall semester 1989 begins the Tuesday after Labor Day and ends before the Christmas holidays. Winter semester is from early January to late April. Spring and summer terms begin in early May and late June, respectively.

Registering for spring and summer terms allows students to accelerate their progress in many degree programs.

Registration procedures may change because of the development of new systems. Information on new procedures, fees, and deadlines will be published each semester in the Class Schedule.

Calendar for Spring Term 1989

Su	Oct 30	Last day international graduate applicants may submit completed applications for spi	ring term admission
W	Feb 1	Last day undergraduate international students may submit admission applications fo	r spring term
M	Feb 20	Last day U.S. graduate applicants may submit completed applications for spring terr	n admission
W	Mar 1	Last day continuing undergraduate students may submit scholarship applications for	spring term
W	Mar 1	Last day new freshmen and new transfer and former BYU students may submit adn scholarship applications for spring term	nission and
W	Mar 1	Last day to apply for BYU short-term loans from Financial Aid Office to pay spring to payment deadline	erm tuition by the
M	Apr 3	Last day to submit ecclesiastical endorsement without fee	.f ,

TUITION AND FEES

One of the nation's largest private universities, BYU is owned and operated by The Church of Jesus Christ of Latter-day Saints. A significant portion of the cost of operating the university is paid from the tithes of Church members. Because of this, students or their families who are Church members already have made a monetary contribution to the operation of the university. To equalize this cost, nonmembers are assessed higher tuition. This higher tuition still does not cover the total educational costs.

A student's registration is incomplete until tuition and fees are paid. Past financial delinquencies must be cleared before a new registration can be completed. Please see page 6 for tuition payment deadlines.

Students are responsible to pay the correct amount of tuition and fees (in U.S. dollars).

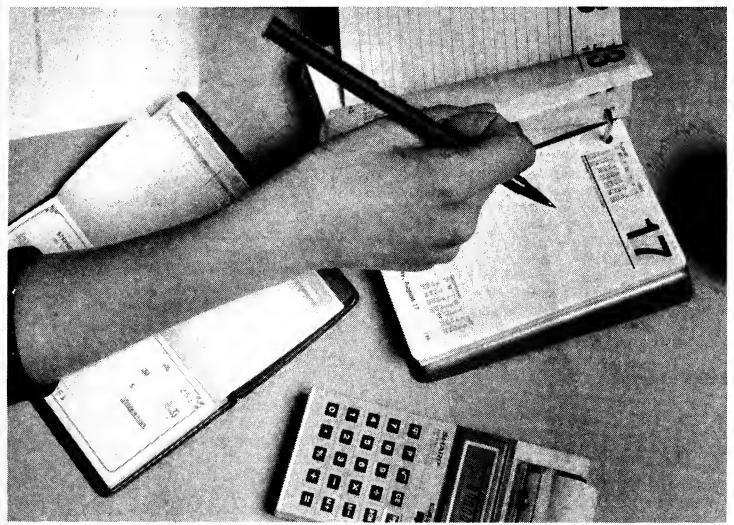

The charge for noncredit courses or for auditing courses is the same as for credit courses. Noncredit courses taken by part-time students will be assessed on the basis of hours involved in lecture classes. For example, 3 hours of lecture a week are considered 3 semester hours and are charged for accordingly. Therefore, if you are taking 4 credit hours plus a noncredit class involving 2 or more lecture hours per week, you are considered to be full-time and must pay tuition accordingly. For courses in which no lecture hours are involved—for example, dissertations and theses—tuition and fees are charged based on hours being carried during the semester, as determined by the supervising professor.

Advanced-standing students are those who have received their first bachelor's degree (or will have received it by the beginning of the semester or term for which they are registering) and who are not students of the Law

School or the Graduate School of Management.

Full-time status (for tuition assessment) for both undergraduate and graduate students is registration for 4 credit hours per term.

The university reserves the right to change these figures without notice. Questions regarding fee assessment should be referred to Financial Services.

Late Tuition Payment April 14 (spring) / June 9 (summer)

Tuition and General Fees	Tuition and General Fees Per Term								
Undergraduate Students Full-time	L	DS		Non- LDS					
(Over 4 credit hours) Part-time	\$	430 88 hour	\$ \$ pe	645 132 r hour					
Advanced-Standing Studen Full-time	nts								
(Over 4 credit hours)	\$	497	\$	745					
Part-time		110	\$	165					
	per	r hour	pe	r hour					
Graduate School of Manag Full-Time	em	ent Stu	den	ts					
(Over 4 credit hours)	\$	805	\$1	,207					
Part-time		178		267					
		r hour		r hour					
Law School Students Full-time									
(Over 4 credit hours)	\$	805	\$1	,207					
Part-time	\$	178	\$	267					
	pe	r hour	pe	er hour					

When total hours include a fraction of an hour, it is rounded up to the next whole hour for assessing tuition. The charge for noncredit courses or for auditing courses is the same as when taking them for credit.

\$50 Tuition Prepayment (nonrefundable)

This prepayment is not required for spring term and summer term telephone registration. It is required only for semester registration.

Tuition Adjustment—Status Change

After the term begins, a part-time student who increases the number of credit hours must pay for these additional hours on the day they are added. If this is not done, a late fee may be assessed.

A full-time student dropping to part time or a parttime student who decreases credit hours may be entitled to a tuition refund. A refund request must be initiated by the student through the Financial Services Office, D-151, ASB. The activity card must be surrendered at that time. A full refund of the difference between full-time assessment and part-time assessment will be allowed to the last scheduled day for adding classes. Refunds for courses dropped after that date will be subject to the refund schedule listed under Tuition Refunds.

Late Tuition Fee

Late tuition fees will be assessed to all students who fail to pay tuition by payment deadlines. The late fee will also be assessed to students who register as full-time students but pay less than full-time tuition by the deadline:

After 4 p.m. April 14 for spring term.						٠.	\$25
After 4 p.m. June 9 for summer term							
Attel 4 p.m. Jule 9 for Summer term	•	•	• •	•	• •	• •	φΔυ

Any student whose tuition check is dishonored by the bank will be charged the late registration fee in effect at the time the check is redeemed.

Tuition Refunds—Discontinuance

If you discontinue school, a refund will be made based on the date you report your discontinuance to the Discontinuance Support Office (170 SWKT). The following rates apply:

Date of Discontinuance

Spring Term	Summer Term	Tuition Refund
May 3-May 12	June 26-June 30.	90%
May 15-May 19	July 3-July 7	80%
May 22-May 26	July 10-July 14	60%
May 29-June 2	July 17-July 21	
June 5-June 9	July 24-July 28	20%
After June 9	After July 28	No refund

Any refund due because of discontinuance from school will be made only by check through the mail. It will be mailed approximately three to four weeks from the date on which you report your discontinuance and have your activity card voided by the Discontinuance Support Office (170 SWKT).

Late fees are not refundable.

Refunds for Class Fees

Class fee refunds are based on the same schedule as listed for tuition refunds. Music and chemistry fees are exceptions to this schedule and must be applied for at the Department of Music (C-550 HFAC) or the Department of Chemistry (104 NICB).

Class Fees

Animal Science 124, 231R, 331R	1	
(equitation)	\$1	10

GENERAL EDUCATION

Why General Education?

General education is, quite simply, at the heart of what the university is about. In an age of increasing specialization, technical complexity, and rapid change, general education increases our understanding of humankind's most valuable knowledge and achievements in the arts, letters, and sciences. It helps us understand the development of our culture and civilization. It sharpens our awareness of the relationships among human activities and knowledge.

Furthermore, general education teaches us the importance of critical thinking, moral judgment, aesthetic sensibility, and a sense of the past. These, together with training in basic language and mathematical skills, help prepare us for a lifetime of learning, problem solving, effective communication, responsible action, and appreciation of the good, the beautiful—all that is worthwhile.

At BYU, the General Education Program stresses both how we have come to our present state of knowledge and culture and the methodological limitations to our pursuit of "truth." In this important sense, general education provides a foundation for intellectual development. In addition, Brigham Young University's concern for the eternal development of the individual gives an added significance to the kind of understanding that general education can provide.

What Are the General Education Requirements?

General Education Requirements for the Bachelor's Degree*

Academic Skills Freshman English Precollege Mathematics Advanced Writing Language or Mathematics	No. of Courses 1 0-1 1 1-4
Arts and Sciences	
Core (five courses)	
American Heritage	1
Biological Science	1
Physical Science	1
History of Civilization	2
Electives (four courses)	
Selected from approved GE courses in Arts and Letters,	4
Natural Sciences, and	
Social and Behavioral	
Sciences	

In addition to the general education requirements, there are the following:

University Requirements for the Bachelor's Degree

Religion**	No. of Courses
RelA. 121-122 or 421-422	2
RelA. 211 or 212	1
RelA. 324 or 325	1
Electives	3
Physical Education	
PE—S 129	1
Electives (100 level)	2
Health	
Hlth. 129 or Hlth. 130	1 or 2

*Certain modifications are made for degree-seeking students in fine arts, engineering, music, and nursing. See your college advisement center for specific information.

**In general, only 2 credit hours of religion should be taken each semester or term; if you register for more than 2 credit hours in a single semester, no more than 4 credit hours taken in any single semester may be counted toward graduation requirements.

GE for Students Enrolled Before Fall 1988

Students enrolled before fall semester 1988 or transfer students enrolled before fall semester 1990 will be required to fulfill the following GE requirements:

Academic Skills	No. of Courses
Freshman English	1
Precollege Mathematics	0–1
Advanced Writing	1
Language or Mathematics	1–4
Arts and Sciences	
Core (three courses)	
American Heritage	1
Biological Science	1
Physical Science	1
Electives (six courses)*	
Selected from approved GE	e,
courses in:	
Arts and Letters	3
Natural Sciences	1
Social and Behavioral	•
Sciences	2 -

*To meet the elective requirements, a student may not take more than one class from any single department.

In addition to the general education requirements, the university requirements listed above are required.

How Should I Choose General Education Classes?

An undergraduate degree signifies that the recipient has completed at least two types of study: concentrated study in a single discipline or major and a more general education in the subject matters and methods of the commonly accepted categories of knowledge. The second, broader study is intended not to supplement the major but to complement it.

Since the purpose of general education is to provide you with broad educational experiences, you should try to use your general education credits to learn about aspects of the world your major will not lead you to confront. Looking for what is likely to be "useful" in your career is not, therefore, the best way of choosing classes from among those approved to meet the various general education requirements. Instead, choose your classes as if each were your only opportunity for instruction in some area you might want to know more about once you have left the university.

Your general education classes should give you the necessary background to learn more about a subject on your own through reading, asking questions, and knowing how to find answers to those questions. For students entering fall semester 1988, a Civilization sequence will be required so that you might better understand your political, social, cultural, and intellectual heritage.

Is There an Honors General Education Track?

Yes. An enriched general education curriculum designed to challenge especially capable and motivated students is offered through University Honors. Further information about University Honors is provided in the University Honors section of this Class Schedule and from the Honors and General Education Office, 302 MSRB, 378-3038.

When Should General Education Requirements Be Completed?

Students are encouraged to complete Freshman English and Precollege Mathematics during their first year at the university. Any student challenging the Freshman English requirement by examination must complete the

challenge within a year after entering BYU. No challenge will be allowed thereafter.

Students are also encouraged to complete the Biology, Physical Science, and American Heritage requirements early in their college program since these courses are prerequisite to some electives. The History of Civilization sequence should be completed during the sophomore year.

Any student pursuing the Mathematics requirement must complete Math. 110 (or have equivalent high school or transfer credit) before enrolling in subsequent courses in mathematics or statistics. Registration in subsequent courses before the completion of Math. 110 will be blocked.

Finally, the Advanced Writing requirement must be completed by the end of your junior year, never post-poned until the final semester before graduation. A student must have completed the Freshman English requirement before enrolling in any course that will meet the Advanced Writing requirement.

How Do I Complete the General Education Requirements?

GE requirements can be met in four ways:

- 1. Successfully complete approved general education courses.
- 2. Successfully complete Honors general education courses.
- 3. Pass special examinations.
- 4. In some cases, transfer acceptable credit from other institutions.

We strongly encourage you to meet the general education requirements by enrolling in departmental or Honors courses at the university designed specifically for this purpose. As we noted earlier, general education is at the heart of what the university is about. As a consequence, the university devotes substantial resources and engages its best faculty in providing this kind of educational opportunity for you. However, some of the general education requirements can also be met through special examinations or with transfer credit on a course-by-course basis where sufficiently strong courses meet the university's requirements.

GENERAL EDUCATION COURSES

The official list of all courses that satisfy current general education requirements follows. In addition, a GE column appears with the listing of courses in this Class Schedule. The codes identify all general education courses, both required and elective. Definitions of these codes are listed at the bottom of each page.

Courses for Academic Skills

Freshman English

(One course. This should be taken during your freshman year.)

Engl. 115, 115H, or HonP. 200, or Phil. 105, 105H

Transfer Students: If you have not already completed this requirement and wish to challenge the course, you must do so during your first year at BYU. See the English Department for details.

NOTE: We strongly encourage you to take a freshman writing course (Engl. 115, Honors 200, or Phil. 105) even if you have received AP credit for English, because the skills taught in these courses are essential to a successful university education.

Precollege Mathematics

(One course. This should be taken during your freshman year.)

Math. 99, 100, 110, 111, 112, 112H, 113, 113H, or 119
See course suggestions for freshmen and for transfer students below. If you are uncertain about which course to register for, contact your college advisement center.

Freshmen: You should register for the appropriate mathematics course according to your ACT mathematics subscore, as shown below:

ACT Mathematics

Subscore 21 or above 19–20

13-18

12 or below

Precollege Mathematics
Requirement waived
Challenge Math. 99 or enroll in
Math. 100
Register for Math. 99 if you have

taken high school algebra.
Otherwise, see next recommendation. NOTE: Math. 99 is a noncredit course requiring an additional fee.

Register for Math. 98

NOTE: Math. 98, a noncredit course requiring an additional fee, does not satisfy the GE requirement, but it prepares you for a course that does—Math. 100. Math. 99 also satisfies the GE requirement.

Transfer Students: You may satisfy the requirement by (1) submitting your ACT mathematics subscore if it is 21 or above, (2) passing any one of the BYU mathematics courses listed or (3) submitting equivalent mathematics transfer credit to Admissions and Records (A-153 ASB).

Advanced Writing

(One course. This should be taken during your junior year; see your college advisement center for the course recommended for your major).

Engl. 311, 312, 312H, 313, 315, 315H, 316, 316H, or IM 320 or Phil. 311, 311H or HonP. 300.

Foreign Language or Mathematics (This should be started early in your college career. Contact your college advisement center for details.) The Foreign Language or Mathematics requirement need not be filled outside the major, but foreign language, mathematics, and statistics students may be required to fill a block of compensatory requirements designated by their department or college.

Foreign Language Option:

If you elect to pursue the Foreign Language option, you must complete a course at or above the fourth semester of university study that involves reading, literature, or history taught in the language. Conversation and grammar courses will not ordinarily satisfy the requirement. Any of the following courses will fill the requirement:

Arab. (colloquial) 301

Arab. (standard) 351 or 531R

Arts and Sciences Electives

The following restrictions apply to the electives:

1. No more than one course taken in the broad area of the student's major will meet the electives requirement. That is, majors in the College of Fine Arts and Communications and in the College of Humanities (except University Studies, see below) may take only one elective in Arts and Letters; majors in the Colleges of Biology and Agriculture, Physical and Mathematical Sciences, Engineering and Technology, and Nursing may take only one elective in Natural Sciences; majors in the College of Family, Home, and Social Sciences (including jointly sponsored programs administered by the David M. Kennedy Center) may take only one elective in Social Sciences; and majors in the Colleges of Education, Physical Education, and Business, as well as majors in University Studies, must distribute the four electives over all three of the categories.

NOTE: Students may choose not to take any elective course in the broad area of the major but to fulfill the elective requirement by completing two approved courses in each of the two categories outside the area of the major.

- 2. No more than two of the remaining three courses taken in any one category will meet the electives requirement (e.g., no more than two in Arts and Letters).
- 3. Students who elect to complete both the Foreign Language and Mathematics options under Academic Skills (see above) are subject to restrictions 1 and 2 but are excused from one of the four Arts and Sciences electives.

Arts and Letters Electives

Honors courses are recommended for students with a composite ACT score of 28 or above or a cumulative university GPA of 3.5 or above. In addition to the courses listed below, any Honors (HonP.) course numbered 203-220 or 303-320 will fill an Arts and Letters elective.

Honors General Education Courses

Honors courses are designated throughout this schedule by either an H following the course number or by HonP. Additional information is provided in the University Honors section of this Class Schedule or from the University Honors Office, 302 MSRB, 378-3038.

Special Examinations

Examinations for basic GE classes are offered at the Testing Center (265 HGB) on the date noted below. The Testing Center is open during the following times:

		Exams	Center
	Open	collected	vacated
Friday	9:00 a.m.	4:45 p.m.	5:00 p.m.
Monday-Thursday	9:00 a.m.	7:45 p.m.	8:00 p.m.
Saturday	Closed		

NOTE: You can retake an examination only after seven days of further preparation and during the posted exam period.

Special Examinations for Exemptions (No Credit or Grade)

Exemption examinations are given in the Testing Center for three GE requirements, Freshman English, Precollege Mathematics, and Physical Science, and one university requirement, Health, on the following dates:

Precollege Mathematics (Math. 99)

Spring May 3-May 10 Summer June 26-July 3

Freshman English—Reading (Engl. 115)

Spring May 3-May 15 Summer June 26-July 10

Freshman English—Writing (Engl. 115)

Spring May 3-May 15 Summer June 26-July 10

NOTE: Students wishing to take the special examination for Freshman English must contact the English Composition Office, 3110 JKHB, for details on the essay parts of the examination. All parts of the examination

must be completed within the semester or term in which the examination was begun.

Physical Science (PhyS. 110)

Spring May 3-May 15 Summer June 26-July 10

Health (Hlth. 129)

Spring May 3-May 10 Summer June 26-July 3

The Precollege Mathematics, Freshman English, and Physical Science exemption examinations are graded on a pass/fail basis for no academic credit. If you pass these examinations, your transcript will automatically reflect that the GE requirement has been completed but no academic credit will be posted on the transcript unless you choose to purchase it. The Health exemption examination is graded on a pass/fail basis with one hour of credit posted to your transcript if you pass.

The Freshman English examination must be taken within the first academic year at BYU for freshman or transfer students. If you do not challenge Freshman English within your first year at BYU, you *must* complete the Freshman English requirement by registering for the appropriate class. Detailed information on the Freshman English examination is available in the English Composition Office, 3110 JKHB.

All students may take the examination for Freshman English and Precollege Mathematics free of charge, one time only, on the dates noted above during their first semester or first term at BYU. Otherwise, authorization to take the examination is obtained by paying a \$5 testing fee for Precollege Mathematics or a \$10 testing fee for Freshman English and Physical Science at the Testing Center.

You may take the exemption examination for Health one time only during the posted testing period of any semester or term at BYU. If you fail the exam, you must complete Hlth. 129 or Hlth. 130 or successfully take the challenge examination for Hlth. 129. The challenge and exemption exams are two different exams. You must wait at least until the following semester to take the challenge examination for Health if you fail the exemption examination.

GENERAL EDUCATION COURSES (continued)

Special Examinations for Graded Credit

You do not necessarily have to be enrolled in a course to challenge it for credit. However, if you pass the special examination for a course, you must purchase the credit as noted below to receive GE or university credit. If you are enrolled in a course that you successfully challenge by special examination for graded credit, you may drop the course but must do so before the official university drop deadline. You can then purchase the academic credit for \$5 per credit hour (in addition to the testing fee) and have the letter grade posted to your transcript. There is a maximum credit-hour fee of \$40 in any one department in any semester.

If you receive a B- or higher grade on the exemption examination for Freshman English, you have the option of purchasing the academic credit and having the grade you received on the examination posted to your transcript. If you receive a C- or higher on the Physical Science exemption examination, you may purchase the academic credit and have the grade posted on your transcript to meet the GE requirement (however, you can only obtain an exemption from the course by passing the examination with a B- or higher grade). The exemption examination for Precollege Mathematics is at the level of Math. 99, which does not carry university credit.

If you do not pass the exemption examination for Health, you may challenge Hith. 129 by examination for credit. Authorization is obtained by paying a \$5 testing fee. If you pass the challenge examination, you may purchase credit and receive a letter grade. You may challenge Hith. 129 whenever you choose (during posted examination periods) and may retake the examination or enroll in Hith. 129 or Hith. 130 to complete the requirement. The challenge examination is given on the following dates:

Health (Hlth. 129)

Spring Summer May 3-May 10 June 26-July 12

In addition, examinations for graded credit for American Heritage, Biology, and Advanced Writing can be taken in the Testing Center. Authorization is obtained by paying a \$10 testing fee. The examinations are given on the following dates:

Advanced Writing, Parts 1 and 2

Spring Summer May 3-May 15 June 26-July 10 NOTE: The Advanced Writing examination has three parts. After passing Parts 1 and 2, a student should contact the departmental office for the course being challenged. Several papers are required for Part 3, which must be initiated before the end of the examination period noted above and completed before the end of the semester or term in which Parts 1 and 2 were taken. An additional \$40 handling fee is required for Part 3. (All parts of the examination must be completed within a single semester or term.) Students cannot challenge the Advanced Writing requirement in the semester in which they intend to graduate.

American Heritage (AHtg. 100)

Spring Summer May 3-May 10 June 26-July 3

Biology (Biol. 100)

Spring Summer May 3-May 10 June 26-July 3

Special examinations for all other GE courses are administered by the departments offering the GE courses. You must make arrangements early in the semester with the department offering the course you intend to challenge.

Transfer Credit

Application of transfer credit to general education requirements will be determined on a course-by-course equivalency basis by the Transfer Evaluation Office, A-183 ASB.

How Do I Get Specific Help with General Education Problems?

The college advisement centers will provide individual assistance on GE matters, including up-to-date reports of your progress in the GE Program. Additional information about the program is found in the General Education Guide (available in college advisement centers and departmental and deans' offices), in the BYU General Catalogue, and from the General Education Office, 302 MSRB, 378-3038.

University Honors

Participation in the University Honors Program

The University Honors Program provides an unusually rich and challenging experience for capable and motivated students. Honors education is not merely a more intensive general education or a more strenuous program in a major. Rather, it is a fully integrated undergraduate program that links the broad university perspective with the specific concentration associated with a major. Students who elect to pursue an Honors education at Brigham Young University will be offered the challenge of Honors courses that form a part of their general education, as well as special and intensive experience in their major.

To graduate from BYU, students must meet not only the requirements of a major department but also earn credit in general education, religion, and physical education. Most students complete the nonmajor requirements through courses in the general university curriculum; capable and motivated students are invited to satisfy general education and religion requirements through the University Honors Program. Students who choose to participate in University Honors courses will be expected to excel in all the requirements of their major as well as in all the university's general education requirements. Although it is hoped that students will choose to complete all University Honors requirements, those who do not intend to do so are still invited to participate in the Honors general education curriculum.

The University Honors Program is unique in that it is open to all capable and motivated students and does not require formal application for membership. Capable is defined to include those students with a composite ACT score of 27 or above, a high school GPA of 3.8 or above, or a university GPA of 3.5 or above. Defining "motivated" is more difficult. The university does not want to recommend Honors courses only to those students with high scores, either GPA or ACT, since it is difficult to gauge a student's ability from scores alone. Such scores may not say much about such important inner qualities as determination and initiative or about recent achievements that may contrast with earlier performance. All capable and motivated students are invited to decide for themselves whether the University Honors Program will provide the kind of academic experiences they seek.

The Advantages of Honors

Professors and Curriculum

The most important advantage of participation in the University Honors Program is the opportunity to participate in demanding courses of high quality taught by some of the university's best professors. In addition, the

Honors Program tries to create a stimulating and enriched learning environment outside of formal course settings.

1. Honors Core.

The Honors Program offers a "core" curriculum that consists of a two-semester sequence in civilization and an intensive writing course. Although not everyone will be taking precisely the same courses, Honors colloquia, seminars, and departmental courses in the core are combined in a variety of ways to provide a similar experience in the historical development of culture, society, science, and ideas.

2. Honors Colloquia.

These are forums of interdisciplinary discussion and learning taught by at least two and often three professors from different fields. Depending on which one you choose, they may fill Arts and Letters, Social and Behavioral Sciences, and Natural Sciences GE electives.

3. Honors Seminars.

These are small (usually 20 students or less), rigorous classes that provide a wide variety of choices for filling your GE requirements. Each semester Honors offers about a dozen Arts and Letters seminars, eight or ten Social and Behavioral Sciences seminars, and six or eight Natural Sciences seminars.

4. Honors Departmental Sections.

Some departments within the university offer introductory courses taught by their strongest teachers intended especially for Honors students. Departmental Honors sections of general education courses are usually smaller than regular GE courses and provide more occasions for classroom discussion and additional reading and writing.

Honors Housing, the Honors Center, and Special Activities

Students in the University Honors Program benefit most directly from their association with fellow Honors students and with Honors faculty. To encourage that interaction among students outside of class, the program offers special on-campus housing for Honors students (in Helaman Halls, Deseret Towers, and Heritage Halls). Honors students also have a special center in the Karl G. Maeser Memorial Building, which provides them with a quiet study hall, a commons room for informal discussion and association, an advisement center, and five classrooms. An Honors computer room and an Honors writing laboratory are housed nearby in the Heber J. Grant Building.

UNIVERSITY HONORS (continued)

The Honors Program publishes the scholarly work of students in *Insight*, a journal with an all-student staff. It sponsors a special series of concerts, dramatic productions, and exhibitions in the Maeser Building presented by faculty in the Departments of Art, Music, and Theatre and Film. Honors student aides provide assistance with academic advisement. The Honors Student Council, which is open to all Honors students, sponsors social and educational events, publishes a regular newsletter, and serves as an important advisory body to the Honors deans.

Early Registration Privilege

The letter inviting students to register by Touch-tone telephone is sent before those of the general student body. This privilege is awarded to a student the semester after he or she completes an Honors class. (New freshmen receive this benefit by registering for an Honors class their first semester.) This significant advantage is given to students who are conscientiously and consistently designing a more rigorous undergraduate education. If a student does not complete an Honors class in a particular semester, the privilege is lost for the following semester but will be available any semester after another Honors class is taken.

University Honors and Honors in Major Field

"University Honors" is a distinction awarded to all graduating students of BYU who have met the Honors-level requirements in their education as described below. This prestigious designation is recorded on the university diploma and on the official transcript, and it appears in the graduation program (all Honors classes taken and the Honors Thesis title also appear on the transcript).

In addition, those students who also complete the Honors track within their major (if one is offered) have the designation *Graduation with Honors* in the particular discipline recorded on their university diploma and official transcript.

University Honors Graduation Requirements

To graduate with University Honors, a student must:

- 1. Complete the Honors core (i.e., two-semester sequence in civilizationa nd an intensive writing course) and three or more additional Honors courses in areas outside his or her major. (Religion classes do not count toward this requirement.)
- 2. Have a cumulative 3.5 GPA at graduation time.
- 3. Achieve a proficiency in mathematics to the level of the GE requirement.
- 4. Achieve a proficiency in any classical or modern foreign language to the level of the GE requirement.

- 5. Complete an independent study of the requisite number of literary and artistic works.
- 6. Complete a senior Honors Thesis (a serious research project in the student's major).
- 7. Apply at the Honors Office for graduation with University Honors.
- 8. Complete an exit interview with Honors deans and thesis faculty advisor(s).

Masterworks of Art and Literature

Honors students are expected to complete over the course of their undergraduate studies a number of the most important works of literature and the arts. A reading, listening, and viewing list provides suggestions, but alternative works may also fulfill the requirements, subject to approval by the deans.

Many of the masterworks may be studied in connection with courses, but the Honors Program also sponsors several series of noncredit "modules" each semester. Conducted by professors who are experts on the subject, each module is devoted to discussion and analysis of a selected work from the list.

Honors Thesis

To graduate with University Honors, a student must complete an Honors Thesis. This provides an opportunity for a student to work closely with a faculty member on a project of the student's choosing in the student's major. It is expected that these projects will differ greatly from one discipline to another. Each, however, requires an independent written work that must receive both departmental and Honors approval.

Honors and Grades

Anyone may register for Honors classes, but the classes are taught on the level of the superior student. Nevertheless, statistics indicate that capable and diligent students do very well in Honors classes. In fact, on the average, they receive slightly higher grades in their Honors classes than in their other classes in any given semester. Honors courses are not graded on a curve. Because the classes are more demanding and fulfilling, students are motivated to perform well.

NOTE: The Honors Program Book, containing a complete course listing and detailed description, is available in the rack outside 350 MSRB (or call 378-3038). This is an essential supplement to the university Class Schedule. Students may register for Honors GE classes at any time during their undergraduate years without necessarily intending to complete all the Honors graduation requirements.

UNIVERSITY ASSEMBLIES

University Forums and Devotionals

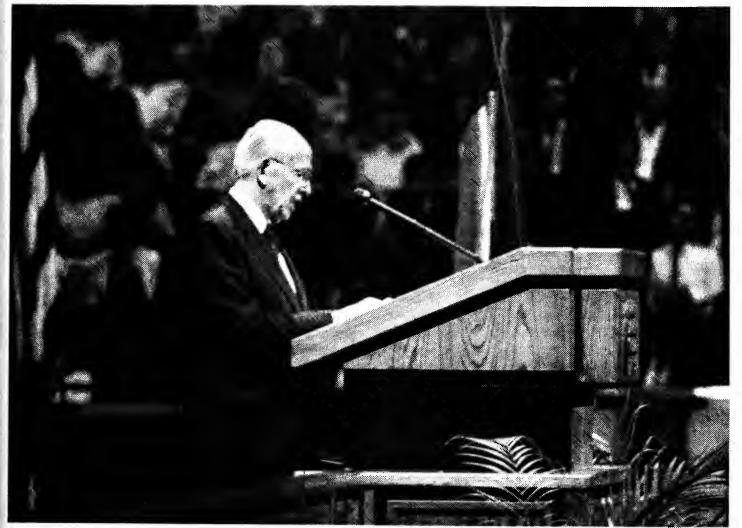

University-wide forums and devotionals are held on selected Tuesdays at 11:00 a.m. through the year. These assemblies are an integral part of the general education experience at Brigham Young University and are an occasion to celebrate the university's sense of community. Participation will extend your understanding of the intellectual and cultural achievements of mankind and renew spiritual commitment and faith.

Speakers for forums are selected carefully from the arts, the sciences, the humanities, the media, and the government. They are chosen for their professional accomplishment, their ability to communicate effectively, and the importance of their contributions to society. Participation in these assemblies (and in the question-and-answer sessions and other lectures that often accompany them) will extend your understanding of intellectual and cultural achievements and will focus

your thinking on significant and engaging issues. The university forums aim at being truly integrative and stimulating.

Devotional speakers are selected from the General Authorities and other leaders of the Church. They come prepared to remind you of the importance of the spiritual dimension of your educational experience, to teach the gospel, to instruct in moral principles, to offer religious enrichment, and to encourage commitment and faith. An additional spiritual opportunity is provided by monthly university-wide stake firesides. These firesides, which also feature General Authorities as speakers, are usually scheduled the first Sunday of each month at 7:30 p.m. in the Marriott Center.

To foster participation in university forums and devotionals, most campus offices and services are closed during the assemblies.

University forums and devotionals are an integral part of the general education experience.

University Policies

Student Classification

At the beginning of each semester, students are classified for that semester as follows:

0-31.9 Freshman 32-63.9 Sophomore 64-95.9 Junior 96 and over Senior

Engineering students having more than 128 semester hours are classified as fifth-year professional students.

Class Attendance Policy

You are expected to attend classes for which you are registered. Each class instructor may determine the relationship of class attendance to the final grade for the course. Officially excused absences are required only when you are away representing the university on official business. All officially excused absences must be approved through the office of the dean of Student Life.

Faculty should tell you what relationship attendance has to your final grade for the course, but you must take the responsibility for your actions. It is not necessary for the instructor to report absences to the office of the dean of Student Life unless he or she has knowledge of an accident or illness that is causing the absence. Notification to teachers of emergency absences (death in the family, serious illness, etc.) is your responsibility.

Academic Standards

Your academic standing in the university is determined by two measures of your work. One measure is the grades that you earn (grade standing) and the other is the progress that you make to complete the work for which you have registered (progress standing). The following outline shows the parallel relationship between grade standing and progress standing:

Academic Standing (Two Measures)

Grade Standing

Progress Standing

Satisfactory Academic Standing (Acceptable Academic Work)

Satisfactory Grade Standing Satisfactory Progress Standing

Unsatisfactory Academic Standing (Levels of Academic Difficulty)

Grade Warning
Grade Probation
Grade Suspension

Progress Warning
Progress Probation
Progress Suspension

Grade Standing

Your grade standing at BYU is based on BYU grades only. To be in satisfactory grade standing you must maintain at least a C average (2.0 GPA) each enrollment. Both semester/term GPA and your BYU cumulative GPA must be above 2.0 to be in satisfactory grade standing. Please note that many departments require a much higher minimum GPA for acceptance into their majors. A grade warning will be given if your most recent semester/term falls below 2.0 even though your cumulative BYU grade point average is at or above 2.0. Grade probation will result if

(1) your cumulative BYU grade point average falls below 2.0, or (2) your semester/term GPA drops below 2.0 for two consecutive semesters/terms even though your BYU cumulative remains above 2.0.

NOTE: Beginning freshman students completing their first college enrollment at BYU will be placed on grade warning if this first enrollment is below 2.0. Transfer students will be placed on grade probation after their first enrollment if they receive a GPA below 2.0.

Grade suspension will result from failure to bring both BYU cumulative and semester GPAs to 2.0 or above during the grade probation semester. Suspension means that a student is no longer eligible to attend day or evening classes at BYU.

Progress Standing

Progress is determined by the percentage of progress grades you earn each enrollment. This percentage is calculated by examining your most recent enrollments until at least 30 credit hours can be evaluated using whole semesters/terms. (For students with fewer than 30 BYU credit hours but more than 10, all hours will be used to calculate the percentage.) Nonprogress grades are W's, E's, UW's, WE's, I's, and grades of repeat classes that already have credit (D— or above). Successfully repeating a failing grade (E, WE, IE, or UW) will not decrease your progress percentage. Withdrawing from a class after the add deadline will result in a W for that class, which will decrease your progress percentage.

The first time your progress percentage drops to 65 percent or less, you will be placed on progress warning. (If, after you regain satisfactory progress standing, your progress percentage drops again to 65 percent or less, you will be placed directly on progress probation.) Receiving nonprogress grades during a progress warning enrollment will result in progress probation unless your progress percentage exceeds 65 percent. Likewise, receiving nonprogress grades during a progress probation enrollment will result in progress suspension, unless your progress percentage exceeds 65 percent.

NOTE 1: Students on grade or progress probation are normally not eligible for university or federal financial aid.

NOTE 2: Because students often preregister and pay tuition for a subsequent semester/term before learning they have been suspended, they are responsible to withdraw (discontinue) and arrange for a tuition refund.

A more complete statement of BYU's academic standards is found in the Academic Standards section of the BYU General Catalogue. Because not all students are at the same level of academic accomplishment, the Academic Support Office has been established to help you reach and exceed BYU's minimum academic standards. You are encouraged to contact this office (151 SWKT, 378-2723) for assistance in achieving academic success

or for clarification about BYU's academic standards as they apply to your specific situation.

Repeating Classes

You can repeat classes at BYU in four ways:

- 1. Repeat at BYU classes taken at BYU.
- 2. Repeat at BYU classes taken at other institutions. A memo of equivalency is needed from the BYU department chairman.
- 3. Repeat at other institutions classes taken at the same institution—and have the credit transferred to BYU.
- 4. Repeat classes taken at BYU through Independent Study or a Continuing Education center.

When you repeat a class, except for classes classified as R classes, the grade used to figure your grade point average is the grade earned the last time the repeated class was taken. You must notify the Records Office, B-150 ASB, during the subsequent semester that the class has been repeated.

The I (Incomplete) Grade

The letter grade I (incomplete) is given on a contractual basis with the instructor for students who are eligible to complete the work in a prescribed time period. An incomplete is only given when extenuating circumstances (serious illness, death in the immediate family, etc.) occur after the twelfth week of a semester or the sixth week of a term. The Incomplete Grade Contract must be completed and signed by the instructor and the fee must be paid before the instructor's submission of the official grade roll at the end of the semester or term. A copy of the Incomplete Grade Contract must accompany the grade roll. If the contract is not attached to the roll, the grade will be changed to an E.

An incomplete is never given when one is failing or has failed the course. The instructor should indicate a specific length of time in which the student must complete the incomplete. The time length may not exceed one year. Class attendance in a subsequent semester or reregistration is not permitted to make up the incomplete. Once the work has been completed, the instructor should fill out the portion of the Incomplete Grade Contract that indicates the grade earned and submit the form to the Records Office, B-150 ASB.

An incomplete is computed in the grade point average as a failing grade until the course work has been completed and the official grade has been submitted by the instructor.

Grade Reports

Grade reports are available at no charge for all day and evening school students after the semester has concluded. Grade reports will be mailed to students who leave self-addressed, stamped envelopes containing their Social Security number at the Records Office. Grade reports are also sent to the parents of unmarried freshman students under twenty.

Changing College or Major

Students who desire to transfer from one major to another, or from one college to another, should go to the

advisement center of their new major, fill out a change of major form, and have it signed. Graduate students should review the policy regarding them that follows.

Withdrawal (Discontinuance) from BYU

A daytime student is not officially withdrawn from the university unless the student has completed the discontinuance process in the Discontinuance Support Office, 170 SWKT.

If you find it necessary to withdraw from all your classes, you must do the following:

- Complete discontinuance forms available from the Discontinuance Support Office, 170 SWKT, 378-7705.
- 2. Obtain instructor and clearance signatures if necessary. Beginning with the sixth week of the semester or third week of the term, you become responsible for grades earned in classes. Signatures must be obtained from individual instructors, who indicate your academic status.
- 3. Submit completed forms and sign out with a member of the Discontinuance Support Office staff.
- 4. Have your student activity sticker voided. You retain the voided sticker as your receipt.
- 5. See page 13 for discontinuance refund information.

Students enrolled through the Office of Evening Classes should discontinue in that office, 120 HCEB. Law School students must initiate their discontinuance through the office of the Law School dean, 348 JRCB.

Students who leave the university under emergency conditions and subsequently do not return still have the responsibility to discontinue before the discontinuance deadline. Official termination can be initiated by contacting the Discontinuance Support Office at the earliest possible time.

Graduate Information

It is the responsibility of each graduate student to understand and follow both the general requirements of the university for graduate work and the specific requirements of the department in which he or she is registered. These are available in the BYU Graduate Studies Catalogue, from the department, and from the Office of Graduate Studies.

Graduate students must register for a minimum of 6 semester hours per academic year and must be registered for a minimum of 2 semester hours in the semester in which they (a) are accepted in a graduate program or (b) plan to graduate.

Graduate International Students

International students will also need to conform to the U.S. Immigration Regulations. This means registering for at least 9 semester hours of credit each fall and winter semester. Anyone having fewer than 9 semester hours of credit remaining in the program will need to register for a minimum of 2 hours per semester. Questions concerning this requirement may be answered in the Office of Graduate Studies.

Registration for Faculty, Staff, Administrative Personnel, and Their Spouses

Full-time regular faculty, staff, and administrative personnel may register for courses up to 6 hours per semester, within the limits indicated below, and will not

be required to pay the cost of the tuition.

Written approval is required for employees to take daytime classes (7:00 a.m. to 5:00 p.m.). Applications for approval may be obtained at the Benefits Office, B-202 ASB, **before** registration. (Final approval for daytime class work rests with the manager of Employee Benefits.) Employees eligible to take daytime classes need to be properly admitted through the Admissions Office.

Full-Time Regular Faculty and Administrative Personnel

(See Personnel Policies and Procedures)

Regular teaching faculty and administrative personnel may register for courses of study up to 6 hours per semester. Those wishing to take daytime classes will need the written approval of the department chairman or supervisor, the dean or director over the area, and the manager of Employee Benefits. Administrative personnel who take classes in the daytime hours will be expected to make up the time they are absent from their regular work.

During the spring and summer terms, faculty members who have teaching duties or administrative personnel may take 3 credit hours per term, or 4 in one and 2 in another. (If no classes are taken in spring term, 6 credit hours may not be taken in the summer term, or vice versa.) Faculty who are not teaching during a spring or summer term, and who are not on contract with the university for research, administrative, or other special assignments, may take as many credit hours during that term as their department permits and will not be required to pay the cost of the tuition.

Full-Time Regular Staff

(See Personnel Policies and Procedures)

Regular staff employees may register for courses of study up to 6 hours per semester. However, these courses may not be taken during regular work hours. Lunch hours, no matter when scheduled, may not be used for class attendance.

With the required approvals, staff employees with staggered hours schedules (See Personnel Policies and Procedures No.215) may register for daytime classes. A staggered hours work schedule, which must first be approved by the employee's supervisor, allows an employee to work eight hours between 7:00 a.m. and 6:00 p.m. with a meal period of at least one-half hour. The work schedule should remain as constant as possible. Whether or not an employee can have a staggered hours schedule and take day classes will depend on the seasonal and daily workload of the department. The opportunity to take a daytime class is limited to classes that are needed to complete a degree or will enhance job performance. Written approval needs to be obtained

from the employee's supervisor, the dean or director over the area, and the manager of Employee Benefits.

During the spring or summer terms, regular staff may take 3 credit hours per term, or 4 in one and 2 in another. (If no classes are taken in spring term, 6 credit hours may not be taken in summer term, or vice versa.)

Spouses of Regular Faculty, Staff, and Administrative Personnel

(See Personnel Policies and Procedures)

Eligible spouses of regular, full-time faculty, staff, and administrative personnel may register for courses of study with no limit as to the number of hours, day or night, and will not be required to pay the cost of the tuition. Those who wish to take daytime classes need to be properly admitted through the Admissions Office.

To be eligible for tuition benefits for their spouses, employees must (a) be at least age 30 and have completed at least one year of service, or (b) have completed five years of service with the university, whichever comes first. Regular employees who terminate employment and are rehired may be able to add prior employment to the most recent period of employment, within the limits indicated in *Personnel Policies and Procedures* No. 236, to achieve the required years of service for eligibility for spouse tuition benefits.

Part-Time Employees

(See Personnel Policies and Procedures)

Part-time, on-call, and temporary employees and their spouses are required to pay tuition costs for courses for which they register.

Auditing Classes

Faculty and administrative employees and their eligible spouses who desire to audit classes should go to the Registration Office, B-130 ASB, for auditing procedures. Any class audited in this manner will not appear on official records. Staff employees are not eligible to audit daytime classes. Those wishing to audit Evening Classes should do so through the Evening Classes Office. Any exceptions should be cleared through the Benefits Office.

University Discontinuance

An employee or spouse enrolled through day school who discontinues his or her entire registration at the university is required to discontinue through the Discontinuance Support Office, 170 SWKT. If all classes are Evening Classes, discontinue through Evening Classes, 120 HCEB.

Evening Classes

Employees and their eligible spouses who desire to register only for Evening Classes may do so at Evening Classes, 120 HCEB. They may obtain their tuition benefit at Evening Classes at the time they register by presenting their employee or employee spouse ID card, or they may obtain vouchers in advance from the Benefits Office, B-202 ASB.

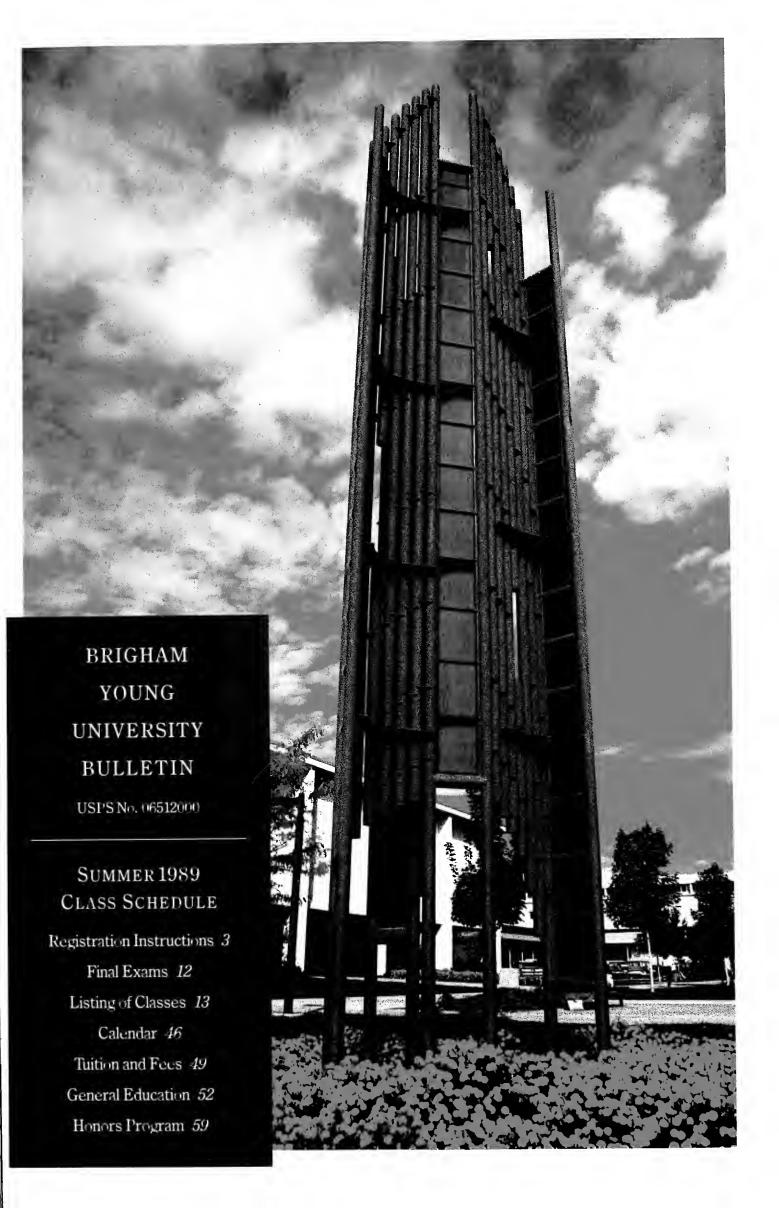

Daytime students taking Evening Classes (sections 400-499) must register for the courses through the same procedure as for day school.

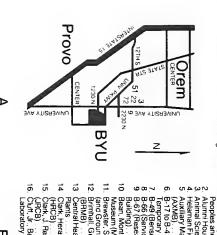

Faculty and staff members who register for Evening Classees only must register by April 24, 1989 for spring term and June 19, 1989 for summer term. On-campus registration will be in 120 HCEB beginning February 1, 1989 for spring term and April 3, 1989 for summer term.

Registration. Forms for registering may be obtained at the Evening Classes Office, 120 HCEB, or in the Benefits Office. Check the current Class Schedule for semester and term deadlines and watch the weekly Y News for instructions. To assure a place in a class, early registration is necessary. All completed registration material must be submitted to 120 HCEB. All matters concerning evening registration are handled in this office.

Changes in Registration. When a change in registration becomes necessary, employees must obtain a change of registration card from 120 HCEB. The approval and signature of the instructors are required to add classes. This card must then be returned to 120 HCEB.

Discontinuance. A student discontinuing his or her entire registration at Evening Classes is required to clear through the Evening Classes Office, 120 HCEB. A \$10 fee is charged for the service after registration has been finalized.

Telephone Registration Work Sheet Summer Term

Use *only* a Touch-tone telephone to make entries. Touch-tone phones make a tone sound after each button is pushed. Phones that make no tone will not work.

If the system does not answer the phone, it is not working. If the phone is busy, all lines are being used. Please call back later.

A voice response will guide you after each entry. Press entire sequence when told to do so: code, numbers, star * key, and pound # key.

Make a longer add list because some classes might be full.

REGISTRATION INSTRUCTIONS

Summer Term 1989

Are You Eligible to Register?

You are eligible to register for summer term 1989 if you registered for and completed regular day school classes during winter semester or winter block 1989 or have been issued a valid letter of admission for summer term 1989 by the Admissions Office. Winter semester day school students will not be able to access the registration system for spring, summer, or fall until they have completed a continuing endorsement interview.

If you do not meet one of these criteria, registration will be blocked.

No Intent to Register Form will be mailed to you spring or summer terms since it is not necessary to declare your intent to register. A \$50 prepayment is required for fall and winter semesters only.

Students may register by Touch-tone telephone beginning December 12, 1988.

New Students: Find additional Registration Information on page 7.

Step 1

Complete the Telephone Registration Work Sheet (See page 4 for details.)

Step 2

Register by Touch-tone Telephone Open Registration Late Registration (See page 4 for details.)

Step 3

Pay Tuition (See page 6 for details.)

Complete the Telephone Registration Work Sheet and register.

STEP 1: COMPLETE THE TELEPHONE REGISTRATION WORK SHEET

The telephone registration work sheet is found inside the front cover of this schedule.

Sample Telephone Registration Work Sheet (see page 5)

This sample shows you how to take the information from the Class Schedule and list it on the work sheet.

Remember: Prioritize your desired classes. Most students list the classes for their major first, and many list more than one section of each course to assure receiving a complete schedule. The computer will not schedule you in more than one section of the same class (except R courses). As you request classes, the computer voice will tell you if you receive a class and will inform you if other sections are available.

If you do not have access to a Touch-tone telephone, or if you prefer, you may complete the work sheet inside the cover and mail it to the Registration Office, B-130 ASB, Provo, Utah 84602.

STEP 2: REGISTER BY TOUCH-TONE TELEPHONE

Register December 12-June 9

Register using a Touch-tone telephone (Touch-tone phones make a clear tone after each button is pushed).

Final Tuition Deadline June 9, 4 p.m.

A Tuition Billing Statement will be sent to all registrants. If you register after May 19, a statement may not arrive before the payment deadline. In the event that a Tuition Billing Statement is not received by mail, FULL TUITION REMAINS THE STUDENT'S RESPONSIBILITY AND IS DUE BY THE PAYMENT DEADLINE. If the billing statement and final tuition payment is not returned by June 9, you will be assessed a \$25 late tuition fee.

Late Registration June 12-June 22

After June 9, A \$25 LATE FEE AND FULL TUITION MUST BE PAID BEFORE THE TELEPHONE SYSTEM WILL BE MADE AVAILABLE FOR LATE REGISTRATION. You may late register by telephone until 5:00 p.m. June 22. Beginning the first day of class, June 26, you should go to the Registration Office to late register in person.

IMPORTANT NOTICE: THE UNIVERSITY RESERVES THE RIGHT TO CLOSE REGISTRATION AT THE TIME THE STUDENT ENROLLMENT REACHES THE MAXIMUM NUMBER SET BY THE BOARD OF TRUSTEES.

SAMPLE REGISTRATION WORK SHEET

Exit System Other Requests Push X# to exit the system and terminate the phone call. List of Scheduled Classes M # If you do not have access to a Touch-tone telephone, you may mail this form to the Registration Office, B-130 ASB, Brigham Young University, Provo, Utah 84602.

STEP 3: PAY TUITION

Address Correction Requested

It is important that your correct mailing address be on file at the Registration Office. If you are uncertain about your mailing address on file, the telephone registration system will report your mailing address (see work sheet, inside front cover). Addresses may be corrected by contacting the Registration Office, B-130 ASB, Provo, Utah, 84602, telephone (801) 378-2824.

Payment Deadline June 9, 1989

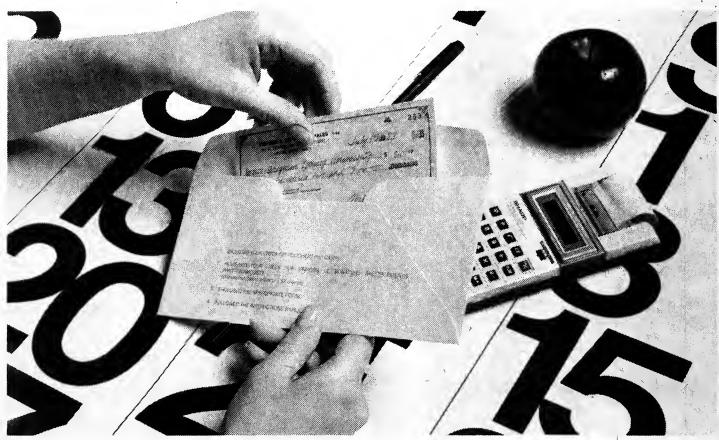

The Tuition Billing Statement and a confirmation of classes will be mailed by May 22, 1989. If you register after May 22 or have not received this notice by June 1, contact the Registration Office immediately. Full tuition must be received in the BYU Cashier's Office by 4:00 p.m. June 9. STUDENTS WHO FAIL TO MEET THE TUITION DEADLINE WILL BE ASSESSED A \$25 LATE FEE. IN THE EVENT YOU DO NOT RECEIVE A TUITION BILLING STATEMENT BY MAIL, PAYMENT STILL REMAINS YOUR RESPONSIBILITY AND IS DUE BY THE DEADLINE.

IMPORTANT NOTICE: You will be assessed a \$25 late tuition fee if you pay less than full-time tuition by June 9 and are then enrolled or later become enrolled for more than 4 credit hours.

Payment Procedure

The Tuition Billing Statement and a check or money order to cover the amount of tuition due should be mailed to the BYU Cashier's Office, D-148 ASB, Provo, Utah 84602. A drop box is provided in the administration building (D-148 ASB) for students on campus who wish to save postage. (Do not use campus mail.)

NOTE: BYU SCHOLARSHIP RECIPIENTS MUST RETURN THE TUITION BILLING STATEMENT EVEN IF NO TUITION PAYMENT IS DUE.

Pay Full Tuition by June 9, 4:00 p.m., to avoid the late fee.

HELP FOR NEW STUDENTS:

Organize Your Registration Materials

You will need the following items to register:

BYU General Catalogue or BYU Graduate Studies Catalogue

The BYU General Catalogue includes all courses and describes university and major requirements for undergraduates. The BYU Graduate Studies Catalogue describes graduate courses and programs. Both are available at the BYU Bookstore or may be ordered by sending \$4, plus \$1 postage and handling, for each catalogue, to BYU Mail Services, 296 UPB.

Telephone Registration Work Sheet

Found inside the front cover of this Class Schedule. Also available at the Registration Office, B-130 ASB, or the college advisement centers.

List of Required Classes

List of classes needed to meet university and major requirements.

Continuing Students should refer to the BYU General Catalogue, contact their advisement center, or refer to the General Education section of this Class Schedule.

New Students are mailed a list of suggested classes from their college advisement center. IF YOU HAVE NOT RECEIVED THIS LIST, YOU SHOULD CONTACT YOUR COLLEGE ADVISEMENT CENTER AS LISTED ON PAGE 1 OF THIS BULLETIN. The following section, Questions New Students Must Be Able to Answer, will help you understand some new college vocabulary.

Questions New Students Must Be Able to Answer

What is a credit hour?

A credit hour usually refers to the number of hours you will meet for formal instruction in class each week. The average freshman can successfully complete from 12.5 to 16 credit hours (five or six classes) per semester or 6 to 8 credit hours (three or four classes) per term. This will vary depending on the difficulty of the classes, outside involvement, and motivation to study.

What is general education?

The General Education Program at BYU assures that the student has achieved competence in certain skills or knowledge before graduating. Proof of competency is achieved by successfully passing required courses. Some students pass the requirement by taking special examinations for credit when they arrive on campus (without having taken prior BYU course work).

What is a major?

A major is a concentrated group of classes in a particular field you take to achieve your educational goals. You may have selected a major on the admission application. If you are presently undecided, you may enter the area called Open-Major Advisement.

How do I request classes?

Students request classes using a Touch-tone telephone. You should complete the Telephone Registration Work Sheet (see inside cover) and have alternate sections available. This will enable you to submit additional requests by phone if the class is full.

Which classes should I select?

New freshmen are mailed a list of suggested classes from their college advisement center. If you have not received this list, you should contact your college advisement center as listed on page 1 of this book, or, you can choose from the classes listed on page 8.

SAMPLE FRESHMAN SCHEDULES

New freshmen are mailed a list of suggested classes from their college advisement center. If you have not received this list, you should contact your college advisement center as listed on page 1. You may wish to choose from the sample schedule of classes listed below.

Additional classes that fill university and general education requirements are listed in the General Education section of this book. Most students will attend three classes (8 credit hours). You will want to prepare a list of as many as 10 classes, so that you can give the computer some additional classes to search for in case some of your first choices are not open or available.

7:30 to 10:00				-	

ADDING AND DROPPING CLASSES

Adding and Dropping by Telephone (before class begins)

Students may add and drop classes by using a Touch-tone telephone. Students who pay their tuition by June 9, 1989, may continue to adjust their schedules through June 23, 1989.

Adding and Dropping Classes (after class begins)

After school has started, each academic department determines how classes are added. DEPARTMENTS' ADDING PROCEDURES ARE LISTED ABOVE THEIR CLASS LISTINGS IN THE CLASS SCHEDULE.

The procedure for using add/drop cards follows:

1. Obtain an add/drop card from the Registration Office or a college advisement center.

2. To add a class, obtain a signature of approval from the instructor or department, as indicated in this Class Schedule. Some classes are added by telephone only the first five days of class.

3. To drop a class, complete the card, indicating the class to be dropped (no signature required).

- 4. After the second day of school, pay a fee for each class dropped to the university cashier. (The amount of the fee increases each day.) The charges per day are printed on the add/drop card.
- 5. Take the add/drop card to the Smith Family Living Center step-down lounge during the first two weeks of school. Beginning the third week of classes, add/drop cards should be taken to the Registration Office, B-130 ASB. Turn the card in before the appropriate deadline listed below.

ADDITIONAL REGISTRATION INFORMATION

Maximum Hours per Semester or Term

Undergraduate students in good standing may register for as many as 18 hours of credit in one semester (9 per term) by following the regular registration procedures. The college advisement centers may authorize a student who has demonstrated superior academic ability to register for a maximum of 21 hours (11 per term). This approval is to be noted by the college advisement center on the add/drop card. Auditing of classes, registering for a class without receiving credit, or registering for evening classes constitute a part of your total registration. Exceptions to these rules should be presented to: University Registrar, B-150 ASB.

Deadlines

During fall or winter semester students may add classes during the first ten class days and drop classes during the first twenty-five class days. During spring or summer term classes may be added during the first six class days and dropped during the first thirteen class days.

Please note the following deadlines for changes in schedule:

Term Classes

June 26	M	Classes begin. You may add, drop, or late register for classes.
June 28	W	First day fees are charged for dropping classes. (The amount of the fee increases each day.
		The charges per day are printed on the add/drop card.)
July 3	M	Last day to add classes, late register, or change classes to audits.
July 3	M	Last day to drop classes without W, official withdrawal, appearing on the transcript.
July 13	Th	Last day you may drop classes for academic reasons.
July 31	M	Last day you may officially withdraw from classes for nonacademic emergencies.
July OI	111	Last day jou may officially whatever nominated for homecadeline efficiency.

Auditing Classes

Students desiring to audit classes (register for a class without receiving credit) must do so on an add/drop card during the last three days of the add period, June 29, 30, and July 3. It is not possible to register for an audit class on the Touch-tone telephone system. You are charged the same tuition for auditing classes as for taking classes for credit. Classes taken on an audit basis will not appear on your official record and will not be considered in calculating enrollment verifications.

Credit to Audit

Students who are registered for credit and wish to change to audit must first drop the class and pay any appropriate drop fees. The class may then be added for audit beginning the fifth through the tenth day of the semester or the fourth through the sixth day of the term.

Admission to Class

Students whose names are on the university class roll are officially registered. If your name is not on the official roll, you should contact the Registration Office, B-130 ASB, immediately. Instructors receive rolls of students in their classes the first day of classes. Other rolls, sent out during the third and eighth weeks, include the names of all students currently registered for that class.

Enrollment Verification

Students are considered full-time by the university if they are enrolled for at least 8.5 credit hours during a semester or 4.5 credit hours during a term. Students enrolled in 4.5 to 8 hours during a semester or 4 hours or less during a term are considered part-time. Students enrolled in 4 or less credit hours for the semester will be considered less than part-time. Audits do not count in total enrollment hours.

International undergraduate students are required to enroll in 12 credit hours a semester or 6 hours a term to be considered full-time students.

Evening Classes

Daytime students taking Evening Classes (sections 400–499) must register for the courses at the same time they register by Touch-tone telephone for day school.

Evening Classes mail-in registration must be received before June 19, 1989. On-campus registration will be in the Evening Classes Office, 120 HCEB, beginning April 3, 1989. Late registration will begin on June 26, 1989.

Faculty and staff members who register for Evening Classes only must register by June 19, 1989.

Independent Study Programs

Independent Study is the university's "portable" program. You may register for courses anytime during the year and take up to a year to finish each course. Tuition is \$54 per semester hour and is not included in your regular BYU daytime tuition. For further information and a free catalogue of courses, contact the Independent Study Office, 206 HCEB, or telephone 378-2868.

FINAL EXAMINATION SCHEDULE FOR SUMMER TERM CLASSES*

Final examinations will be given at the times shown in the following schedule. Examinations are not given early. The examination period is preceded by a reading day, which gives time for conscientious review and study and synthesis of the term's work. The reading and the examination periods are firmly scheduled parts of the term; students must not make plans that interfere with these important academic activities. If illness or other uncontrollable circumstances prevent a student from taking an examination at the scheduled time, that student is responsible to inform the class instructor as soon as possible. The instructor may give the grade *Incomplete*, depending on the circumstances. The incomplete cannot be given unless the student and instructor together prepare a contractual agreement.

If a class begins after the hour, the final exam period is determined by the beginning hour. Example: a class beginning at 8:35 must take the 8:00 exam period.

In cases where a student has conflicting examinations or more than three examinations in one day, individual arrangement for alternative test times may be made by the instructor. Examinations will be held August 16 and 17, with a reading day Tuesday, August 15; therefore, Monday, August 14, 1989, will be the last day of instruction.

*Finals for evening classes will be conducted the last class period Tuesday, August 3; Wednesday, August 4; Thursday, August 5; Friday, August 6; and Monday, August 9.

Classes meeting daily, MTWTH, MWF, MW, M, or W —

Classes meeting TTH, TTHF, TTHS, T, TH, or F –

Regular Class		
Recitation Hour	Date of Final Exam	Time of Final Exam
7:00 a.m.	Thursday, August 17	11:00 a.m. to 12:50 p.m.
8:00 a.m.	Wednesday, August 16	7:00 p.m. to 8:50 p.m.
9:00 a.m.	Wednesday, August 16	9:00 p.m. to 10:50 p.m.
10:00 a.m.	Wednesday, August 16	1:00 p.m. to 2:50 p.m.
12:00 noon	Thursday, August 17	11:00 a.m. to 12:50 p.m.
1:00 p.m.	Thursday, August 17	1:00 p.m. to 2:50 p.m.
2:00 p.m.	Thursday, August 17	1:00 p.m. to 2:50 p.m.
3:00 p.m.	Thursdya, August 17	9:00 a.m. to 10:50 a.m.
4:00 p.m.	Wednesday, August 16	9:00 p.m. to 10:50 p.m.

NOTE TO INSTRUCTORS: Exam periods have been scheduled with recitation hours back to back in most cases. If your class begins on an even hours (8, 10, 12, 2) and continues into the following odd hour (9, 11, 1, 3), you may extend your testing period into the next exam hour. For example, if a class is scheduled MWF, 8-10 a.m., then the exam period available would be 7-10.50 a.m., Wednesday, August 16.

Class Schedule

Telephone Registration Work Sheet Fall Semester

Use only a Touch-tone telephone to make entries. Touch-tone phones make a tone sound after each button is pushed. Phones that make no tone will not work. If you do not have access to a Touch-tone telephone, you may mail this form to the Registration Office, B-130 ASB, Brigham Young University, Provo, Utah 84602.

If the system does not answer the phone, it is not working. If the phone is busy, all lines are being used. Please call back later.

A voice response will guide you after each entry. Press entire sequence when told to do so: code, numbers, star * key, and pound # key.

		Make a le	onger add	list because	some classes	might be full	•

Once you register you are officially enrolled and committed to attend class. If you decide not to be a student, you must officially withdraw before the beginning of school to avoid being charged more than \$50 tuition.

terminate the phone call.

Academic Advisement

Where do you go for academic advisement?

If you have chosen a major, or if you have one in mind, go to the advisement center for the college that offers that major. If you have no major in mind, visit the Open-Major Advisement Center.

All academic advisement centers are open from 8:00 a.m. to 5:00 p.m. Monday-Friday. Write, visit, or call (area code 801—then 378- and the appropriate extension) the advisement center of your choice:

Registration Instructions

Are You Eligible to Register?

You are eligible to register for fall semester 1989 if you registered for and completed regular day school classes during winter semester, winter block, spring term, or summer term 1989 or have been issued a valid letter of admission for fall semester 1989 by the Admissions Office. If you do not meet one of these criteria, registration will be blocked.

IMPORTANT NOTICE: THE UNIVERSITY RESERVES THE RIGHT TO CLOSE REGISTRATION AT THE TIME THE STUDENT ENROLLMENT REACHES THE MAXIMUM NUMBER SET BY THE BOARD OF TRUSTEES.

New students: Find additional registration information on page 8.

Step 1

Declare intent to register. (See page 4 for details.)

Step 2

Complete the Telephone Registration Work Sheet. (See page 4 for details.)

Step 3

Register by Touch-tone telephone. (See page 4 for details.)

Step 4

Pay tuition. (See page 6 for details.)

Complete the Telephone Registration Work Sheet and register.

Step 1: Declare Intent to Register

- A. Receive from the Registration Office an Intent to Register Form. Currently enrolled students will be mailed an Intent to Register Form in April. This form will be mailed to newly admitted students beginning in May and on a continuing basis as they are admitted. If you have not received this form by July 1, contact the Registration Office.
- B. Complete the Intent to Register Form by updating your current mailing address.
- C. Declare your intent to register by returning the form with a \$50 tuition prepayment to the BYU Cashiers' Office, D-148 ASB, Provo, Utah 84602. On receipt of the nonrefundable tuition prepayment, the Touch-tone telephone registration system will be opened for your use. No \$50 prepayment is required of scholarship recipients; however, scholarship recipients must return the Intent to Register Form.

IMPORTANT NOTICE: FALL SEMESTER DAY SCHOOL STUDENTS WILL NOT BE ABLE TO ACCESS THE REGISTRATION SYSTEM FOR WINTER, SPRING, OR SUMMER UNTIL THEY HAVE COMPLETED A CONTINUING ECCLESIASTICAL ENDORSEMENT INTERVIEW.

Step 2: Complete the Telephone Registration Work Sheet

The Telephone Registration Work Sheet is found inside the front cover of this schedule.

Sample Telephone Registration Work Sheet (see page 5)

This sample shows you how to take the information from the Class Schedule and list it on the work sheet.

Remember: Prioritize your desired classes. Most students list the classes for their major first, and many list more than one section of each course to assure receiving a complete schedule. The computer will not schedule you in more than one section of the same class (except R courses). As you request classes, the computer voice will tell you if you receive a class, or if a class is full, and will inform you if other sections are available.

If you do not have access to a Touch-tone telephone, you may complete the work sheet inside the cover and mail it to the Registration Office, B-130 ASB, Provo, Utah 84602.

Step 3: Register by Touch-tone Telephone

Register April 1-August 15

Register using a Touch-tone telephone (Touch-tone telephones make a clear tone after each button is pushed). Registration by telephone is allowed after you declare your intent to register by returning the Intent to Register Form with a \$50 payment (nonrefundable and nontransferable).

Tuition Deadline (without late fee) August 15

ATuition Billing Statement will be sent to all registrants. If you register after August 1, a statement may not arrive before the payment deadline. In the event that a Tuition Billing Statement is not received by mail, FULL TUITION REMAINS THE STUDENT'S RESPONSIBILITY AND IS DUE BY THE PAYMENT DEADLINE. If the billing statement and final tuition payment are not returned by August 15, you will be assessed a \$50 late tuition fee to finalize registration.

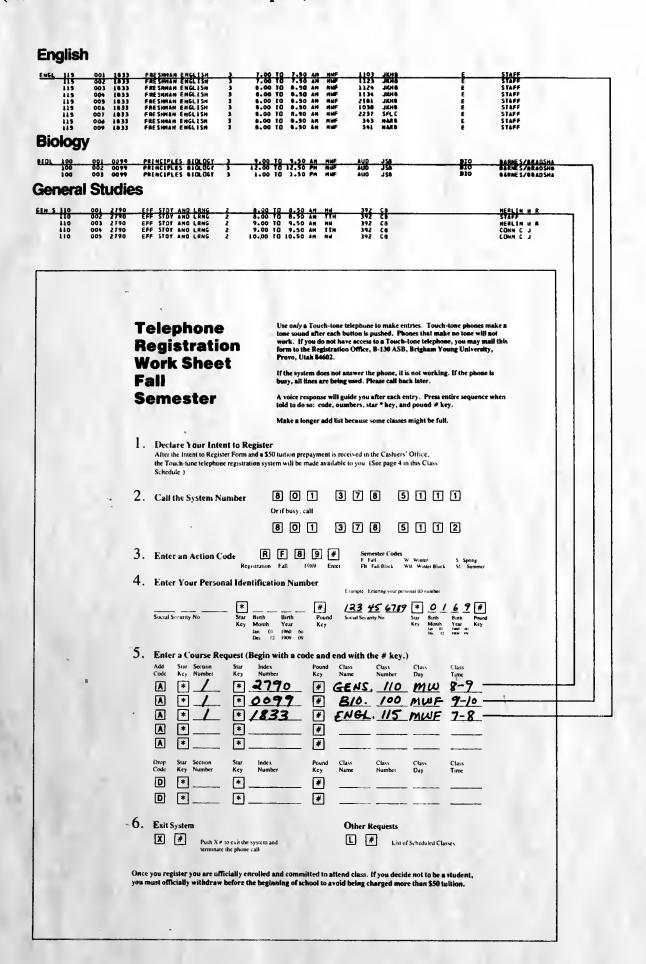

Late Registration August 15-September 1

After August 15, A \$50 LATE FEE AND FULL TUITION MUST BE PAID BEFORE THE TELEPHONE SYSTEM WILL BE MADE AVAILABLE FOR LATE REGISTRATION. You may late register by telephone until 5:00 p.m. September 1. Beginning the first day of class, September 5, you should go to the Registration Office to late register in person. A \$90 late fee will be charged beginning September 5.

IMPORTANT NOTICE: THE UNIVERSITY RESERVES THE RIGHT TO CLOSE REGISTRATION AT THE TIME THE STUDENT ENROLLMENT REACHES THE MAXIMUM NUMBER SET BY THE BOARD OF TRUSTEES.

Sample Registration Work Sheet

(New-freshman courses used as examples.)

Step 4: Pay Tuition

\$50 Prepayment Required Before Registration April 1-July 31, 1989

A minimum of \$50 is required as a tuition prepayment. The prepayment is applied toward total tuition, and the \$50 is nonrefundable. Registration by telephone is allowed after you declare your intent to register by returning the Intent to Register Form. Follow the instructions on the Intent to Register Form carefully. Those who do not prepay \$50 before August 1, 1989, must pay full tuition to access telephone registration.

Address Correction Required

Because it is important that your correct mailing address be on file at the Registration Office, you are expected to submit a mailing address along with your \$50 prepayment. If you are uncertain about your mailing address on file, the telephone registration system will report your mailing address (see work sheet, inside front cover). Addresses may be corrected by contacting the Registration Office, B-130 ASB, Provo, Utah, 84602, telephone (801) 378-2824.

Payment Deadline August 15, 1989 (without late fee)

The Tuition Billing Statement and a confirmation of classes will be mailed by August 1, 1989. If you register after July 31 and/or have not received this notice by August 10, contact the Registration Office immediately. Full tuition must be received in the BYU Cashiers' Office by 4:00 p.m. August 15. STUDENTS WHO FAIL TO MEET THE TUITION DEADLINE WILL BE ASSESSED A LATE FEE (\$50 AUGUST 16-SEPTEMBER 1; \$90 SEPTEMBER 5-SEPTEMBER 18). IN THE EVENT YOU DO NOT RECEIVE A TUITION BILLING STATEMENT BY MAIL, PAYMENT STILL REMAINS YOUR RESPONSIBILITY AND IS DUE BY THE DEADLINE.

IMPORTANT NOTICE: YOU WILL BE ASSESSED A LATE TUITION FEE IF YOU PAY LESS THAN FULL-TIME TUITION BY AUGUST 15 AND ARE THEN ENROLLED OR LATER BECOME ENROLLED FOR MORE THAN 8 CREDIT HOURS. STUDENTS WHO ARE REGISTERED FOR CLASSES BUT HAVE NOT PAID TUITION BY THE FIRST DAY OF SCHOOL WILL INCUR THE \$90 LATE PAYMENT FEE. ALSO, IF YOUR TUITION CHECK IS DISHONORED BY THE BANK, YOU WILL BE CHARGED THE LATE FEE IN EFFECT AT THE TIME THE CHECK IS RETURNED.

Payment Procedure

The Tuition Billing Statement and a check or money order to cover the amount of tuition due should be mailed to the BYU Cashiers' Office, D-148 ASB, Provo, Utah 84602. A drop box is provided in the Abraham O. Smoot Administration Building (D-148 ASB) for students on campus who wish to save postage. (Do not use campus mail.)

NOTE: BYU SCHOLARSHIP RECIPIENTS MUST RETURN THE TUITION BILLING STATEMENT EVEN IF NO TUITION PAYMENT IS DUE.

Pay full tuition by August 15, 4:00 p.m., to avoid the late fee.

Tuition Payment Calendar

Dates	Activities
April 1–July 31	\$50 nonrefundable payment with Intent to Register Form opens the telephone registration system through August 15. (Scholarship or grant students with zero amount due need only submit the Intent to Register Form to access the telephone registration system.)
August 1-August 15	Full tuition payment will open the telephone registration system through September 1.
By August 15	Full tuition payment by this date avoids late fees and keeps the telephone registration system open through September. 1
August 16- September 1	Tuition payment with \$50 late fee will open the telephone registration system through September 1.
September 1	Telephone registration closes.
September 5-September 18	Tuition payment with \$90 late fee. September 18 is the last day for late registration, adding classes, and tuition payment. Students who do not pay tuition by September 18 will be withdrawn from classes. A 20 percent tuition charge will remain on the student's account.

Health Insurance Requirement

Beginning fall semester 1989, all full-time students will be required to have some form of medical insurance as a condition of continued enrollment at BYU. Each student may choose the kind of medical insurance coverage that best accommodates his or her individual circumstances. Coverage through a parental, spousal, or other private plan, or through the BYU student medical plan will meet the university expectation. On the Tuition Billing Statement for fall semester 1989, students will be requested to provide information substantiating their insurance coverage. Any student who is unable to provide such insurance information will automatically be billed for BYU's student medical plan.

Pell Grant Requirement

Tuition assessed on the Tuition Billing Statement is based on full-time enrollment of 8.5 credit hours or more for a semester and 4.5 credit hours or more for a term. Pell Grant amount on the Tuition Billing Statement is based on the assumption that enrollment is for 12 credit hours or more for a semester and 6 credit hours or more for a term. Pell recipients who enroll for less than this receive a partial Pell Grant and must pay the difference between the advanced grant and their tuition charge by the deadline.

Registration Closure

THE UNIVERSITY RESERVES THE RIGHT TO CLOSE REGISTRATION AT THE TIME THE STUDENT ENROLLMENT REACHES THE MAXIMUM NUMBER SET BY THE BOARD OF TRUSTEES.

Help for New Students

Organize Your Registration Materials

You will need the following items to register:

BYU General Catalogue or BYU Graduate Studies Catalogue

The BYU General Catalogue includes all courses and describes university and major requirements for undergraduates. The BYU Graduate Studies Catalogue describes graduate courses and programs. Both are available at the BYU Bookstore or may be ordered by sending \$4, plus \$1 postage and handling, for each catalogue, to BYU Mail Services, 296 UPB.

Telephone Registration Work Sheet

Found inside the front cover of this Class Schedule. Also available at the Registration Office, B-130 ASB, or the college advisement centers.

List of Required Classes

List of classes needed to meet university and major requirements.

Continuing Students should refer to the BYU General Catalogue, contact their advisement center, or refer to the General Education section of this Class Schedule.

New students are mailed a list of suggested classes from their college advisement center. IF YOU HAVE NOT RECEIVED THIS LIST, YOU SHOULD CONTACT YOUR COLLEGE ADVISEMENT CENTER AS LISTED ON PAGE 1 OF THIS BULLETIN. The following section, Questions New Students Must Be Able to Answer, will help you understand some new college vocabulary.

Questions New Students Must Be Able to Answer

What is a credit hour?

A credit hour usually refers to the number of hours you will meet for formal instruction in class each week. The average freshman can successfully complete from 12.5 to 16 credit hours (five or six classes) per semester or 6 to 8 credit hours (three or four classes) per term. This will vary depending on the difficulty of the classes, outside involvement, and motivation to study.

What is general education?

The General Education Program at BYU assures that the student has achieved competence in certain skills or knowledge before graduating. Proof of competency is achieved by successfully passing required courses. Some students pass the requirement by taking special examinations for credit when they arrive on campus (without having taken prior BYU course work).

What is a major?

A major is a concentrated group of classes in a particular field you take to achieve your educational goals. You may have selected a major on the admission application. If you are presently undecided, you may enter the area called open-major advisement.

How do I request classes?

Students request classes using a Touch-tone telephone. You should complete the Telephone Registration Work Sheet (see inside cover) and have alternate sections available. This will enable you to submit additional requests by phone if the class is full.

Which classes should I select?

New freshmen are mailed a list of suggested classes from their college advisement center. If you have not received this list, you should contact your college advisement center as listed on page 1 of this book, or, you can choose from the classes listed on page 9.

Sample Freshman Schedules

New freshmen are mailed a First Semester Suggested Schedule from their college advisement center. If you have not received this schedule, you should contact your college advisement center as listed on page 1. You may likewise develop your schedule according to one of the samples provided below.

Additional classes that fill university and general education requirements are listed in the General Education section of this book. Most students attend five classes (12.5 to 16 credit hours). You will want to prepare a list of as many as ten classes, so that you can select additional ones in case some of your first choices are not open or available.

If you intend to major in one of the social sciences, Sample A is a suggested schedule. Sample B is suggested for the science and technology majors, and Sample C is an option for majors in the humanities.

Foreign Language***

Sample A is for a student who wishes to pursue either the Mathematics or Foreign Language option in the General Education Academic Skills area—students who cannot meet the General Education Precollege Mathematics requirement should begin with the appropriate course as outlined in the General Education section of this Class Schedule.

Sample B is for a student who wishes to pursue the Mathematics option in the General Education Academic Skills area.

Sample C is for a student who wishes to pursue the Foreign Language option in the General Education Academic Skills area—it is assumed that a student pursuing this option has completed the Precollege Mathematics requirement.

⁺PE—S 129 and Hlth. 129 (concurrent registration required) should be taken during *one* of the semesters of the freshman year.

^{*}RelA. 421 and 422 are for returned missionaries.

^{**}See the General Education section on the Precollege Mathematics Requirement.

^{***}See the General Education section on the Foreign Language or Mathematics requirement.

Plan Your Schedule

We suggest that you use the following form to work out your ideal schedule. BE CAREFUL NOT TO SELECT CLASSES THAT MEET AT THE SAME TIME ON THE SAME DAYS. Consult the listing of classes beginning on page 41. After listing your ideal schedule, list additional courses or sections for submission if your first choices are not available.

4:00					
5:00 to 7:30					100
7:30 to 10:00					

Adding and Dropping Classes

Adding and Dropping by Telephone (before class begins)

Students may add and drop classes by using a Touch-tone telephone. Students who declare their intent to register and pay their tuition by August 15, 1989, may continue to adjust their schedules through September 1, 1989.

Adding and Dropping Classes (after class begins)

After school has started, no drops will be processed by the telephone system and each academic department determines how classes are added. DEPARTMENTS' ADDING PROCEDURES ARE LISTED ABOVE THEIR CLASS LISTINGS IN THE CLASS SCHEDULE.

The procedure for using add/drop cards follows:

- 1. Obtain an add/drop card from the Registration Office or a college advisement center.
- 2. To add a class, obtain a signature of approval from the instructor or department, as indicated in this Class Schedule. Some classes are added by telephone only the first five days of class.
- 3. To drop a class, complete the card, indicating the class to be dropped (no signature required).
- 4. After the second day of school, pay a fee for each class dropped at the Cashiers' Office. (The amount of the fee increases each day.) The charges per day are printed on the add/drop card.
- 5. Take the add/drop card to the Smith Family Living Center step-down lounge during the first two weeks of school. Beginning the third week of classes, add/drop cards should be taken to the Registration Office, B-130 ASB. Turn the card in before the appropriate deadline listed below.

Additional Registration Information

Maximum Hours per Semester or Term

Undergraduate students in good standing may register for as many as 18 hours of credit in one semester (9 per term) by following the regular registration procedures. The college advisement centers may authorize a student who has demonstrated superior academic ability to register for a maximum of 21 hours (11 per term). This approval is to be noted by the college advisement center on the add/drop card. Auditing of classes, registering for a class without receiving credit, or registering for evening classes constitute a part of your total registration. Exceptions to these rules should be presented to: University Registrar, B-150 ASB.

Deadlines

During fall or winter semester students may add classes during the first ten class days and drop classes during the first twenty-five class days. During spring or summer term classes may be added during the first six class days and dropped during the first thirteen class days.

Please note the following deadlines for changes in schedule:

Semester Classes

Deliterer Cimpe	,	
September 5	T	Classes begin. You may add, drop, or late register for classes.
September 7	Th	First day fees are charged for dropping classes. (The amount of the fee increases each day The charges per day are printed on the add/drop card.)
September 18	M	Last day to add classes, late register, or change classes to audits.
September 18	M	Last day to drop classes without W, official withdrawal, appearing on the transcript.
October 9	M	Last day to drop classes for academic reasons.
November 30	Th	Last day to officially withdraw from the university or drop classes for nonacademic emergencies.

First Block Classes

Little Diock Cias	22C2	
September 5	T	Classes begin. You may add, drop, or late register for classes.
September 7	Th	First day fees are charged for dropping classes. (The amount of the fee increases each day. The charges per day are printed on the add/drop card.)
September 18	M	Last day to add first block classes.
September 18	M	Last day to drop block classes without W, official withdrawal, appearing on the transcript.
September 21	Th	Last day to drop first block classes for academic reasons.
October 9	M	Last day to officially withdraw from the university or drop first block classes for nonacademic emergencies.

Second Block Classes

Decoma Divers Cit		
October 25	W	Classes begin. You may add or drop classes.
October 27	F	First day fees are charged for dropping classes. (The amount of the fee increases each day.
		The charges per day are printed on the add/drop card.)
October 31	T	Last day to add second block classes or change classes to audits.
October 31	T	Last day to drop block classes without W, official withdrawal, appearing on the transcript.
November 10	F	Last day to drop second block classes for academic reasons.
November 30	Th	Last day to officially withdraw from the university or drop classes for nonacademic
		emergencies.

Auditing Classes

Students desiring to audit classes (register for a class without receiving credit) must do so on an add/drop card during the last five days of the add period, September 12, 13, 14, 15, 18. It is not possible to register for an audit class on the Touch-tone telephone system. You are charged the same tuition for auditing classes as for taking classes for credit. Classes taken on an audit basis will not appear on your official record and will not be considered in calculating enrollment verifications.

Credit to Audit

Students who are registered for credit and wish to change to audit must first drop the class and pay any appropriate drop fees. The class may then be added for audit the fifth through the tenth day of the semester or the fourth through the sixth day of the term.

Admission to Class

Students whose names are on the university class roll are officially registered. If your name is not on the official roll, you should contact the Registration Office, B-130 ASB, immediately. Instructors receive rolls of students in their classes the first day of classes. Other rolls, sent out during the third and eighth weeks, include the names of all students currently registered for that class.

Enrollment Verification

Students are considered full-time by the university if they are enrolled for at least 8.5 credit hours during a semester or 4.5 credit hours during a term. Students enrolled in 4.5 to 8 hours during a semester or 4 hours or less during a term are considered part-time. Students enrolled in 4 or less credit hours for the semester will be considered less than part-time. Audits do not count in total enrollment hours.

Evening Classes

Daytime students taking Evening Classes (sections 400–499) must register for the courses at the same time they register by Touch-tone telephone for day school.

Evening Classes mail-in registration must be received before August 15, 1989. On-campus registration will be in the Evening Classes Office, 120 HCEB, beginning May 15, 1989. Late registration will begin on September 5, 1989.

Faculty and staff members who register for Evening Classes only must register by August 15, 1989.

Independent Study Programs

Independent Study is the university's "portable" program. You may register for courses anytime during the year and take up to a year to finish each course. Tuition is \$56 per semester hour and is not included in your regular BYU daytime tuition. For further information and a free catalogue of courses, contact the Independent Study Office, 206 HCEB, or telephone 378-2868.

Tuition and Fees

One of the nation's largest private universities, BYU is owned and operated by The Church of Jesus Christ of Latter-day Saints. A significant portion of the cost of operating the university is paid from the tithes of Church members. Because of this, students or their families who are Church members already have made a monetary contribution to the operation of the university. To equalize this cost, nonmembers are assessed higher tuition. This higher tuition still does not cover the total educational costs.

It is required that students pay tuition and class fees to complete registration before beginning classes. Past financial delinquencies must be cleared before a new registration can be completed. Please see page 6 for tuition payment deadlines.

Students are held responsible to pay the correct amount of tuition and fees (in U.S. dollars).

The charge for noncredit courses or for auditing courses is the same as for credit courses. Noncredit courses taken by part-time students will be assessed on the basis of hours involved in lecture classes. For example, 3 hours of lecture a week are considered 3 semester hours and are charged for accordingly. Therefore, if you are taking 7 credit hours plus a noncredit class involving 2 or more lecture hours per week, you are considered to be full-time and must register as a full-time student. For courses in which no lecture hours are involved—for example, dissertations and theses—tuition and fees are charged based on hours being carried during the semester, as determined by the supervising professor.

Advanced-standing students are those students who have received their bachelor's degree (or will have received it by the beginning of the semester for which they are registering) and are not students of the Law School or the Graduate School of Management.

Full-time classification (for tuition assessment) for all students is registration for 8.5 or more credit hours per semester and 4.5 or more credit hours per term.

The university reserves the right to change these figures without notice. Questions regarding fee assessment should be referred to Financial Services.

Tuition and General Fees Per Semester Non-**Undergraduate Students** LDS LDS Full-time (more than 8 credit hours) \$ 900 \$1,350 92 Part-time \$ \$ 140 per hour per hour **Advanced-Standing Students** Full-time (more than 8 credit hours) \$ 1,050 \$1,575 \$ 174 per hour per hour **Graduate School of Management Students** Full-time (more than 8 credit hours) \$ 1,690 \$2,535 \$ 280 per hour per hour **Law School Students** Full-time (more than 8 credit hours) \$ 1,690 \$2,535 \$ 280 per hour per hour

A fraction of an hour in the sum of hours is counted as a full hour in assessing fees. The charge for noncredit courses or for auditing courses is the same as when taking them for credit.

\$50 Tuition Prepayment (nonrefundable)

A prepayment is required of all students to access the telephone registration system before August 1. (See page 6 for registration and payment instructions.)

Tuition Adjustments—Status Change

After the semester begins, a part-time student who increases the number of credit hours must pay for these additional hours on the day they are added. If this is not done, a late fee may be assessed.

A full-time student dropping to part time or a part-time student who decreases credit hours may be entitled to a tuition refund. A refund request must be initiated by the student through the Financial Services Office, D-151, ASB. The activity card must be surrendered at that time. A full refund of the difference between full-time assessment and part-time assessment will be allowed to the last scheduled day for adding classes. Refunds for courses dropped after that date will be subject to the refund schedule listed under Tuition Refunds—Discontinuance.

Late tuition fees will be assessed all students who fail to pay tuition by payment deadline dates. The late fee will also be assessed to students who register as full-time students but pay less than full-time tuition by the deadline.

Any student whose tuition check is dishonored by the bank will be charged the late registration fee in effect at the time the check is redeemed.

Tuition and Fees (continued)

Tuition Refunds—Discontinuance

Both full-time and part-time students who discontinue school will be charged tuition from the first day of classes until the date of discontinuance. A refund is based on the date they report their discontinuance to the Discontinuance Support Office, 170 SWKT. The following rates apply:

Full-time Students

	Tuition	
	Charged	Refund
Before Sep 2	\$50	100% less \$50
Sep 4—Sep 8	10%	90%
Sep 11-Sep 15	20%	80%
Sep 18-Sep 22	40%	60%
Sep 25-Sep 29	60%	40%
Oct 2-Oct 6	80%	20%
After Oct 6	100%	None

A petition for exception to the refund schedule will be considered for students forced to discontinue because of medical incapacitation after the 80 percent refund period. Petition forms are in D-208 ASB.

Part-time Students

Inasmuch as all tuition assessments have a minimum nonrefundable amount of \$50, part-time tuition refunds will be the above percentage of tuition except there will be a minimum \$50 nonrefundable.

A refund due because of discontinuance from school will be made only by check through the mail. It will be mailed approximately two weeks from the date on which you report your discontinuance and have your activity card voided by the Discontinuance Support Office.

Refunds will not be granted to students who are requested to discontinue from the university for violation of standards.

Late fees are not refundable.

Refunds for Class Fees

Class fee refunds are based on the same schedule as listed for tuition refunds. Music and chemistry fees are exceptions to this schedule and must be applied for at the Department of Music (C-550 HFAC) or the Department of Chemistry (104 NICB).

Per-credit-hour charge based on a successfully completed examination. (The maximum fee for credit in any one subject will be \$40 in addition to the examination fee. Each examination will be treated independently of any other examination, and the charge will apply accordingly.)	\$ 5

Debt Collection Fees

Students' past-due debts are referred to Financial Services for collection. If the BYU debt collection officer is unable to collect the debt within a reasonable time, the debt will be referred to an outside collection agency. The student debtor will be required to reimburse the university for such collection agency fees before obtaining a release of a financial hold on his or her transcript and before being considered for readmission.

After August 15, pay full tuition plus the \$50 late fee and register by telephone until September 1, 4:00 p.m. (From September 5 through 18 pay \$90 late fee to register.)

University Calendar

The annual calendar at BYU includes two semesters and two terms. Fall semester 1989 begins the Tuesday after Labor Day and ends before the Christmas holidays. Winter semester is from early January to late April. Spring and summer terms begin in early May and late June, respectively.

Registering for spring and summer terms allows students to accelerate their progress in many degree programs. Registration procedures may change because of the development of new systems. Information on new procedures, fees, and deadlines will be published each semester in the Class Schedule.

Calendar for Fall Semester 1989

w	Feb 15	Last day freshman students may submit applications for Benson Scholarships and talent awards
M	Feb 27	Last day international graduate applicants may submit applications for fall semester admission
W	Mar 1	Financial aid priority deadline for Pell Grants, Stafford Student Loans, and BYU loans for 1989-90
W	Mar 1	Last day continuing undergraduate students may submit scholarship applications for fall 1989 and winter 1990
M	Apr 3	Last day to submit ecclesiastical endorsement without fee
Su	Apr 30	Last day new freshmen (including international students) may submit admission and scholarship applications for fall semester
Th	Jun 15	Last day U.S. graduate applicants may submit applications for fall semester admission
Th	Jun 15	Last day undergraduate international transfer and former BYU students may submit admission and scholarship applications for fall semester
Sa	Jul 1	Last day new transfer students and former BYU students may submit admission and scholarship applications for fall semester
Sa	Jul 1	Last day to apply for BYU short-term loans to pay fall semester tuition by payment deadline
T	Aug 15	Tuition payment deadline for fall semester to avoid late fee
MTW	Aug 28,29,30	Annual University Conference
ThFSa	Aug 31, Sep 1, 2	Orientation
F	Sep 1	Last day to pay tuition with \$50 late fee
F	Sep 1	Grade report distribution for summer term
M	Sep 4	Labor Day holiday
T	Sep 5	Classes begin
T	Sep 5	In-person late registration for students who did not use advance registration system
w	Sep 6	Last day to drop classes without a fee per class (see fee schedule in current Class Schedule)
M	Sep 18	Last day to late register or add classes
M	Sep 18	Last day to pay tuition with \$90 late fee
M	Sep 18	Last day to drop classes without W, official withdrawal, appearing on the transcript
Th	Sep 21	Last day to drop first block classes for academic reasons
F		Last day graduate students may apply for December 1989 graduation (graduation fee must be paid)
F	Sep 22 Sep 22	Last day undergraduates may submit application for December 1989 graduation Last day undergraduates may submit application for December 1989 graduation
Sa		
Sa	Sep 30	Last day new freshmen and new transfer and former students may submit admission and scholarship
	0.40	applications for second block of fall semester
M	Oct 9	Last day to drop continuous classes for academic reasons
M	Oct 9	Last day to officially withdraw from the university without being graded
T	Oct 24	Last day of first block classes
w	Oct 25	Second block classes begin
<u>T</u>	Oct 31	Last day to add second block classes
T	Oct 31	Last day to drop block classes without W, official withdrawal, appearing on the transcript
F	Nov 10	Last day to drop second block classes
F	Nov 17	Last day students in dissertation, thesis, or selected project programs may schedule final oral examination (defense of their work) and submit one copy of their work to the Reserve Library
W	Nov 22	Last day undergraduates may submit to the Records Office all incompletes, T grades, special exams, GE challenges, military credit, official transcripts of work completed at other schools, and any other
		information pertaining to December 1989 graduation
ThF	Nov 23, 24	Thanksgiving holiday
Th	Nov 30	Last day to officially withdraw from the university or drop classes for nonacademic emergencies
F	Dec 1	Last day students in dissertation, thesis, or selected project programs may have a final oral examination (defense of their work)
F	Dec 1	Last day Independent Study course work (undergraduates only) for December 1989 graduation may be submitted (including final examination)
F	Dec 8	Last day graduate students may submit final copies of a dissertation, thesis, or selected project to the library cashier's office (inside copy center) for binding
W	Dec 13	Last day of class instruction
ThF	Dec 14,15	Reading days
F	Dec 15	Last day graduate students may complete degree requirements, pay fees, and submit examination results (oral and written) and grade changes for I's and T's to the Office of Graduate Studies
SaMTWTh	Dec 16,18,19,20,21	Final exams
F	Dec 22	December graduation (no commencement exercises)
w	Dec 27	Last day instructors may submit fall semester grade rolls to the Records Office
M	Jan 8	First day fall semester grade reports are distributed

Calendar for Winter Semester 1990

F	Jun 30	Last day international graduate applicants may submit applications for winter semester admission
Su	Oct 1	Last day undergraduate international students may submit applications for winter semester admission
Su	Oct 15	Last day U.S. graduate applicants may submit applications for winter semester admission
w	Nov 1	Last day new freshmen and new transfer and former BYU students may submit admission and scholarship applications for winter semester
w	Nov 1	Last day to apply for BYU short-term loans to pay winter semester tuition by payment deadline
F	Dec 15	Tuition payment deadline for winter semester to avoid late fee
F	Jan 5	Last day to pay tuition with \$50 late fee
F	Jan 5	Orientation
M	Jan 8	Classes begin
M	Jan 8	In-person late registration for students who did not use advance registration system
T	Jan 9	Last day to drop classes without a fee per class (see fee schedule in current Class Schedule)
M	Jan 15	Martin Luther King Day holiday
M	Jan 22	Last day to late register or add classes
M	Jan 22	Last day to pay tuition with \$90 late fee
M	Jan 22	Last day to drop classes without W, official withdrawal, appearing on the transcript
Th	Jan 25	Last day to drop first block classes for academic reasons
F	Jan 26	Last day undergraduates may apply for April 1990 graduation
F	Jan 26	Last day graduate students may apply for April 1990 graduation (graduation fee must be paid)
W	Jan 31	Last day new freshmen and new transfer and former students may submit admission and scholarship applications for second block of winter semester
M	Feb 12	Last day to drop continuous classes for academic reasons
M	Feb 12	Last day to officially withdraw from the university without being graded
M	Feb 19	Presidents' Day holiday
F	Feb 23	Last day students in dissertation, thesis, or selected project programs may schedule final oral examination (defense of their work) and submit one copy of their work to the Reserve Library
W	Feb 28	Last day of first block classes
Th	Mar 1	Second block classes begin
Th	Mar 1	Last day continuing undergraduate students may submit scholarship applications for fall 1990 and winter 1991
W	Mar 7	Last day to add second block classes
W	Mar 7	Last day to drop block classes without W, official withdrawal, appearing on the transcript
F	Mar 9	Last day students in dissertation, thesis, or selected project programs may have a final oral examination (defense of their work)
F	Mar 16	Last day graduate students may submit final copies of a dissertation, thesis, or selected project to the library cashier's office (inside copy center) for binding
M	Mar 19	Last day to drop second block classes
F	Mar 23	Last day graduate students may complete requirements for a degree, pay fees, and submit examination results (oral and written) and grade changes for I's and T's to the Office of Graduate Studies
F	Mar 30	Last day undergraduates may submit to the Records Office all incompletes, T grades, special exams, GE challenges, military credit, official transcripts of work completed at other schools, and any other information pertaining to April 1990 graduation
T	Apr 3	Last day to officially withdraw from the university or drop classes for nonacademic emergencies
F	Apr 13	Last day Independent Study course work (undergraduates only) for April 1990 graduation may be submitted (including final examination)
T	Apr 17	Last day of class instruction
WThF	Apr 18,19, 20	Reading days
SaMTWTh	Apr 21,23,24,25,26	Final exams
F	Арт 27	Graduation day
T	May 8	Last day instructors may submit winter semester grade rolls to the Records Office
T	May 15	First day winter semester grade reports are distributed

Calendar for Spring Term 1990

M	Oct 30	Last day international graduate applicants may submit applications for spring term admission
Th	Feb 1	Last day undergraduate international students may submit applications for spring term admission
Τ .	Feb 20	Last day U.S. graduate applicants may submit applications for spring term admission
Th	Mar l	Last day continuing undergraduate students may submit scholarship applications for spring term
Th ·	Mar l	Last day new freshmen and new transfer and former BYU students may submit admission and scholarship applications for spring term
Th	Mar 1	Last day to apply for BYU short-term loans to pay spring term tuition by payment deadline
M	Apr 3	Last day to submit ecclesiastical endorsement without fee
M	Apr 23	Tuition payment deadline for spring term to avoid late fee
T	May 1	College advisement center meeting for new students
T	May 1	Last day to pay tuition with \$25 late fee
W	May 2	Classes begin
W	May 2	In-person late registration for all students who did not use the advance registration system
Th	May 3	Last day to drop classes without a fee per class (see fee schedule in current Class Schedule)

University Calendar (continued)

W	May 9	Last day to late register or add classes
W	May 9	Last day to pay tuition with \$45 late fee
W	May 9	Last day to drop classes without W, official withdrawal, appearing on the transcript
F	May 18	Last day to drop continuous classes for academic reasons
F	May 18	Last day to officially withdraw from the university without being graded
F	May 18	Last day graduate students may apply for August 1990 graduation (graduation fee must be paid)
F	May 18	Last day undergraduates may apply for August 1990 graduation
M	May 28	Memorial Day holiday
W	Jun 6	Last day to officially withdraw from the university or drop classes for nonacademic emergencies
w	Jun 20	Last day of class instruction
Th	Jun 21	Reading day
F	Jun 22	Last day students in dissertation, thesis, or selected project programs may schedule final oral examination (defense of their work) and submit one copy of their work to the Reserve Library
FSa	Jun 22,23	Final exams
Sa	Jun 30	Last day instructors may submit spring term grade rolls to the Records Office
T	Jul 10	First day spring term grade reports are distributed

Calendar for Summer Term 1990

Su	Dec 31	Last day international graduate applicants may submit applications for summer term admission
Th	Mar 1	Last day continuing undergraduate students may submit scholarship applications for summer term
T	Apr 3	Last day to submit ecclesiastical endorsement without fee
Su	Apr 15	Last day undergraduate international students may submit applications for summer term admission
Su	Apr 15	Last day U.S. graduate applicants may submit applications for summer term admission
M	Apr 30	Last day new freshmen and new transfer and former BYU students may submit admission and scholarship applications for summer term
T	May 1	Last day to apply for BYU short-term loans to pay summer term tuition by payment deadline
F	May 18	Last day graduate students may apply for August 1990 graduation (graduation fee must be paid)
F	May 18	Last day undergraduates may apply for August 1990 graduation
F ·	Jun 15	Tuition payment deadline for summer term to avoid late fee
F	Jun 22	Last day students in dissertation, thesis, or selected project programs may schedule final oral examination (defense of their work) and submit one copy of their work to the Reserve Library.
F	Jun 22	Last day to pay tuition with \$25 late fee
Sa	Jun 23	College advisement center meeting for new students
M	Jun 25	Classes begin
M	Jun 25	In-person late registration for all students who did not use advance registration system
T	Jun 26	Last day to drop classes without a fee per class (see fee schedule in current Class Schedule)
M	Jul 2	Last day to late register or add classes
M	Jul 2	Last day to pay tuition with \$45 late fee
M	Jul 2	Last day to drop classes without W, official withdrawal, appearing on the transcript
w	Jul 4	Independence Day holiday
F	Jul 6	Last day students in dissertation, thesis, or selected project programs may have a final oral examination (defense of their work)
Th	Jul 12	Last day to drop continuous classes for academic reasons
Th	Jul 12	Last day to officially withdraw from the university without being graded
F	Jul 13	Last day graduate students may submit final copies of a dissertation, thesis, or selected project to the library cashier's office (inside copy center) for binding

General Education

Why General Education?

General education is, quite simply, at the heart of what the university is about. In an age of increasing specialization, technical complexity, and rapid change, general education increases our understanding of humankind's most valuable knowledge and achievements in the arts, letters, and sciences. It helps us understand the development of our culture and civilization. It sharpens our awareness of the relationships among human activities and knowledge.

Furthermore, general education teaches us the importance of critical thinking, moral judgment, aesthetic sensibility, and a sense of the past. These, together with training in basic language and mathematical skills, help prepare us for a lifetime of learning, problem solving, effective communication, responsible action, and appreciation of the good, the beautiful—all that is worthwhile.

At BYU, the General Education Program stresses both how we have come to our present state of knowledge and culture and the methodological limitations to our pursuit of "truth." In this important sense, general education provides a foundation for intellectual development. In addition, Brigham Young University's concern for the eternal development of the individual gives an added significance to the kind of understanding that general education can provide.

What Are the General Education Requirements?

General Education Requirements for the Bachelor's Degree*

No. of Courses

Academic Skills

Freshman English

rresnman English	1	
Precollege Mathematics	0-1	
Advanced Writing	1	
Language or Mathematics	1-4	
Arts and Sciences		
Core (five courses)		
American Heritage	1	
Biological Science	1	
Physical Science	1	
History of Civilization	2	
Electives (four courses)		
Selected from approved GE	4	
courses in Arts and Letters,		
Natural Sciences, and		
Social and Behavioral		
Sciences		

In addition to the general education requirements, there are the following:

University Requirements for the Bachelor's Degree

Religion**	No. of Courses
RelA. 121-122 or 421-422	2
RelA. 211 or 212	1
RelA. 324 or 325	1
Electives	3
Physical Education	
PE—S 129	1
Electives (100 level)	2
Health	
Hlth. 129 or 130	1 or 2

*Certain modifications are made for degree-seeking students in fine arts, engineering, music, and nursing. See your college advisement center for specific information. **In general, only 2 credit hours of religion should be taken each semester or term; if you register for more than 2 credit hours in a single semester, no more than 4 credit hours taken in any single semester may be counted toward graduation requirements.

GE for Students Enrolled Before Fall 1988

Students enrolled before fall semester 1988 or transfer students enrolled before fall semester 1990 will be required to fulfill the following GE requirements:

Academic Skills	No. of Courses
Freshman English	1
Precollege Mathematics	0-1
Advanced Writing	1
Language or Mathematics	1–4
Arts and Sciences	
Core (three courses)	
American Heritage	1
Biological Science	1
Physical Science	1
Electives (six courses)* Selected from approved GE	
courses in:	
Arts and Letters	3
Natural Sciences	1
Social and Behavioral	
Sciences	2

^{*}To meet the elective requirements, a student may not take more than one class from any single department.

In addition to the general education requirements, the university requirements listed above are required.

How Should I Choose General Education Classes?

An undergraduate degree signifies that the recipient has completed at least two types of study: concentrated study in a single discipline or major and a more general education in the subject matters and methods of the commonly accepted categories of knowledge. The second, broader study is intended not to supplement the major but to complement it.

Since the purpose of general education is to provide you with broad educational experiences, you should try to use your general education credits to learn about aspects of the world your major will not lead you to confront. Looking for what is likely to be "useful" in your career is not, therefore, the best way of choosing classes from among those approved to meet the various general education requirements. Instead, choose your classes as if each were your only opportunity for instruction in some area you might want to know more about once you have left the university.

Your general education classes should give you the necessary background to learn more about a subject on your own through reading, asking questions, and knowing how to find answers to those questions. For students entering after fall semester 1988, a Civilization sequence will be required so that you might better understand your political, social, cultural, and intellectual heritage.

Is There an Honors General Education Track?

Yes. An enriched general education curriculum designed to challenge especially capable and motivated students is offered through University Honors. Further information about University Honors is provided in the University Honors section of this Class Schedule and from the Honors and General Education Office, 302 MSRB, 378-3038.

When Should General Education Requirements Be Completed?

Students are encouraged to complete Freshman English and Precollege Mathematics during their first year at the university. Any student challenging the Freshman English requirement by examination must complete the

challenge within a year after entering BYU. No challenge will be allowed thereafter.

Students are also encouraged to complete the Biology, Physical Science, and American Heritage requirements early in their college program since these courses are prerequisite to some electives. The History of Civilization sequence should be completed during the sophomore year.

Any student pursuing the Mathematics requirement must complete Math. 110 (or have equivalent high school or transfer credit) before enrolling in subsequent courses in mathematics or statistics. Registration in subsequent courses before the completion of Math. 110 will be blocked.

Finally, the Advanced Writing requirement must be completed by the end of your junior year, never post-poned until the final semester before graduation. A student must have completed the Freshman English requirement before enrolling in any course that will meet the Advanced Writing requirement.

How Do I Complete the General Education Requirements?

GE requirements can be met in four ways:

- 1. Successfully complete approved general education courses.
- 2. Successfully complete Honors general education courses.
- 3. Pass special examinations.
- 4. In some cases, transfer acceptable credit from other institutions.

We strongly encourage you to meet the general education requirements by enrolling in departmental or Honors courses at the university designed specifically for this purpose. As we noted earlier, general education is at the heart of what the university is about. As a consequence, the university devotes substantial resources and engages its best faculty in providing this kind of educational opportunity for you. However, some of the general education requirements can also be met through special examinations or with transfer credit on a course-by-course basis where sufficiently strong courses meet the university's requirements.

General Education Courses

The official list of all courses that satisfy current general education requirements follows. In addition, a GE column appears with the listing of courses in this Class Schedule. The codes identify all general education courses, both required and elective. Definitions of these codes are listed at the bottom of each page.

Courses for Academic Skills

Freshman English

(One course. This should be taken during your freshman year.)

Engl. 115, 115H, or HonP. 200, or Phil. 105, 105H

Transfer Students: If you have not already completed this requirement and wish to challenge the course, you must do so during your first year at BYU. See the English Department for details.

NOTE: We strongly encourage you to take a freshman writing course (Engl. 115, Honors 200, or Phil. 105) even if you have received AP credit for English, because the skills taught in these courses are essential to a successful university education.

Precollege Mathematics

(One course. This should be taken during your freshman year.)

Math. 99, 100, 110, 111, 112, 112H, 113, 113H, or 119 See course suggestions for freshmen and for transfer students below. If you are uncertain about which course to register for, contact your college advisement center.

Freshmen: You should register for the appropriate mathematics course according to your ACT mathematics subscore, as shown below:

ACT Mathematics

Subscore 21 or above 19-20

13 - 18

12 or below

Precollege Mathematics Requirement waived

Challenge Math. 99 or enroll in Math. 100

Register for Math. 99 if you have taken high school algebra. Otherwise, see next recommendation. NOTE: Math. 99 is a noncredit course requiring

an additional fee. Register for Math. 98

NOTE: Math. 98, a noncredit course requiring an additional fee, does not satisfy the GE requirement, but it prepares you for a course that does-Math. 100. Math. 99 also satisfies the GE requirement.

Transfer Students: You may satisfy the requirement by (1) submitting your ACT mathematics subscore if it is 21 or above, (2) passing any one of the BYU mathematics courses listed or (3) submitting equivalent mathematics transfer credit to Admissions and Records (A-153 ASB).

Advanced Writing

(One course. This should be taken during your junior year; see your college advisement center for the course recommended for your major).

Engl. 311, 312, 312H, 313, 315, 315H, 316, 316H, or IM 320 or Phil. 311, 311H or HonP. 300.

Foreign Language or Mathematics (This should be started early in your college career. Contact your college advisement center for details.) The Foreign Language or Mathematics requirement need not be filled outside the major, but foreign language, mathematics, and statistics students may be required to fill a block of compensatory requirements designated by their department or college.

Foreign Language Option:

If you elect to pursue the Foreign Language option, you must complete a course at or above the fourth semester of university study that involves reading, literature, or history taught in the language. Conversation and grammar courses will not ordinarily satisfy the requirement. Any of the following courses will fill the requirement:

Arab. (colloquial) 301

Arab. (standard) 351 or 531R

Chin. 202, 301, 321, 322, 441, 442, 443, or 444

Dansh. (Scand. 441)

Dutch 340

Finn. (Scand. 447)

Fren. 301, 401, 441, 442, 443, 444, 445, or 446

Germ. 202, 330, 430, 431, 441R, or 442R Greek (Classical) 301, 302, 311, 430, 431, 434, or 435

Heb. (Modern) 202 or 341 Heb. (Biblical) 431 or 442

IcInd. (Scand. 529)

Ital. 301, 441, 442, 443, 444, 445, or 446

Japan. 202, 301, 321, 322, 441, 443, or 444

Korea. 301, 303, 315, 321, 340, 441, or 443

Latin 301, 302, 430, 431, 435, 436, or 437

Norwe. (Scand. 441)

Port. 301, 339, 341, 345, 355, 441, or 451

Russ. 202, 441, or 442

Span. 202, 302, 339, 345, 355, 441, 443R, 451, 454, 456, 458, 461R,

or 485

Swed. (Scand. 445)

Special arrangements are made for the following less commonly taught languages (see the Humanities Research Center, 3060 JKHB, for details):

Afrikaans Rarotongan Avmara Samoan Cakchiquel Serbo-Croatian Greek (Modern) Tagalog Indonesian Tahitian Maori Thai Navaio Tongan Persian/Farsi Vietnamese Quechua Welsh

Nonnative speakers of the English language may fulfill this requirement through Engl. 282, 230, Hum. 261, or TESL 573.

Mathematics Option:

If you elect to pursue the Mathematics option, you must complete a calculus, college algebra-based statistics, or quantificational logic course. Any of the following courses will fill the requirement:

Math. 112, 112H, 113, 113H, or 119

Phil. 305

Math. 110 plus one of the following:

Stat. 221, 222, 321, or 501.

General Education Courses (continued)

Arts and Sciences Core Courses

The core courses in American Heritage, Biology, and Physical -required of all students-should be taken during the freshman year and the History of Civilization sequence during the sophomore year.

Honors courses are recommended for students with a composite ACT score of 27 or above or a cumulative university GPA of 3.5 or above.

American	ı Her	itage

Arts and Sciences Electives

The following restrictions apply to the electives:

1. No more than one course taken in the broad area of the student's major will meet the electives requirement. That is, majors in the College of Fine Arts and Communications and in the College of Humanities (except University Studies, see below) may take only one elective in Arts and Letters; majors in the Colleges of Biology and Agriculture, Physical and Mathematical Sciences, Engineering and Technology, and Nursing may take only one elective in Natural Sciences; majors in the College of Family, Home, and Social Sciences (including jointly sponsored programs administered by the David M. Kennedy Center) may take only one elective in Social Sciences; and majors in the Colleges of Education, Physical Education, and Business, as well as majors in University Studies, must distribute the four electives over all three of the categories.

NOTE: Students may choose not to take any elective course in the broad area of the major but to fulfill the elective requirement by completing two approved courses in each of the two categories outside the area of the major.

- 2. No more than two of the remaining three courses taken in any one category will meet the electives requirement (e.g., no more than two in Arts and Letters).
- 3. Students who elect to complete both the Foreign Language and Mathematics options under Academic Skills (see above) are subject to restrictions 1 and 2 but are excused from one of the four Arts and Sciences

Arts and Letters Electives

Honors courses are recommended for students with a composite ACT score of 28 or above or a cumulative university GPA of 3.5 or above. In addition to the courses listed below, any Honors (HonP.) course numbered 203-220 or 303-320 will fill an Arts and Letters elective.

General Education Courses (continued)

Honors General Education Courses

Honors courses are designated throughout this schedule by either an H following the course number or by HonP. Additional information is provided in the University Honors section of this Class Schedule or from the University Honors Office, 302 MSRB, 378-3038.

Special Examinations

Examinations for basic GE classes are offered at the Testing Center (265 HGB) on the dates noted below. The Testing Center is open during the following times:

	Open	Exams collected	Center vacated
Monday-Friday	8:00 a.m.	7:45 p.m.	8:00 p.m.
Saturday	9:00 a.m.	12:45 p.m.	1:00 p.m.

NOTE: You can retake an examination only after seven days of further preparation and during the posted exam period.

Special Examinations for Exemptions (No Credit or Grade)

Exemption examinations are given in the Testing Center for three GE requirements, Freshman English, Precollege Mathematics, and Physical Science, and one university requirement, Health, on the following dates:

Precollege Mathematics (Math. 99) Sep 5-18

Freshman English—Reading (Engl. 115) Sep 5-Oct 3

Freshman English—Writing (Engl. 115) Sep 5-Oct 3

NOTE: Students wishing to take the special examination for Freshman English must contact the English Composition Office, 3110 JKHB, for details on the essay parts of the examination. All parts of the examination must be completed within the semester or term in which the examination was begun.

Physical Science (PhyS. 100) Sep 5-Oct 3 Health (Hlth. 129)

Sep 5-18

The Precollege Mathematics, Freshman English, and Physical Science exemption examinations are graded on a pass/fail basis for no academic credit. The level of performance required to obtain an exemption varies from exam to exam. If you pass these examinations, your transcript will automatically reflect that the GE requirement has been completed but no academic credit will be posted on the transcript unless you choose to purchase it. The Health exemption examination is graded on a pass/fail basis with one hour of credit posted to your transcript if you pass.

The Freshman English examination must be taken within the first academic year at BYU for freshman or transfer students. If you do not challenge Freshman English within your first year at BYU, you *must* complete the Freshman English requirement by registering for the appropriate class. Detailed information on the Freshman English examination is available in the English Composition Office, 3110 JKHB.

All students may take the examination for Freshman English and Precollege Mathematics free of charge, one time only, on the dates noted above during their first semester or first term at BYU. Otherwise, authorization to take the examination is obtained by paying a \$5 testing fee for Precollege Mathematics or a \$10 testing fee for Freshman English and Physical Science at the Testing Center.

You may take the exemption examination for Health one time only during the posted testing period of any semester or term at BYU. If you fail the exam, you must complete Hlth. 129 or Hlth. 130 or successfully take the challenge examination for Hlth. 129. The challenge and exemption exams are two different exams. You must wait at least until the following semester to take the challenge examination for Health if you fail the exemption examination.

Special Examinations for Graded Credit

You do not necessarily have to be enrolled in a course to challenge it for credit. However, if you pass the special examination for a course, you must purchase the credit as noted below to receive GE or university credit. If you are enrolled in a course that you successfully challenge by special examination for graded credit, you may drop the course but must do so before the official university drop deadline. You can then purchase the academic credit for \$5 per credit hour (in addition to the testing fee) and have the letter grade posted to your transcript. There is a maximum credit-hour fee of \$40 in any one department in any semester.

If you receive a B- or higher grade on the exemption examination for Freshman English, you have the option of purchasing the academic credit and having the grade you received on the examination posted to your transcript. If you receive a C- or higher on the Physical Science exemption examination, you may purchase the academic credit and have the grade posted on your transcript to meet the GE requirement (however, you can only obtain an exemption from the course by passing the examination with a B- or higher grade). The exemption examination for Precollege Mathematics is at the level of Math. 99, which does not carry university credit.

If you do not pass the exemption examination for Health, you may challenge Hlth. 129 by examination for credit. Authorization is obtained by paying a \$5 testing fee. If you pass the challenge examination, you may purchase credit and receive a letter grade. You may challenge Hlth. 129 whenever you choose (during posted examination periods) and may retake the examination or enroll in Hlth. 129 or Hlth. 130 to complete the requirement. The challenge examination is given on the following dates:

Health (Hlth. 129)

Sep 5-18

In addition, examinations for graded credit for American Heritage, Biology, and Advanced Writing can be taken in the Testing Center. Authorization is obtained by paying a \$10 testing fee. The examinations are given on the following dates:

Advanced Writing, Parts 1 and 2

Sep 5-Oct 3

NOTE: The Advanced Writing examination has three parts. After passing Parts 1 and 2, a student should contact the departmental office for the course being challenged. Several papers are required for Part 3, which must be initiated before the end of the examination period noted above and completed before the end of the semester or term in which Parts 1 and 2 were taken. An additional \$40 handling fee is required for Part 3. (All parts of the examination must be completed within a single semester or term.) Students cannot challenge the Advanced Writing requirement in the semester in which they intend to graduate.

American Heritage (AHtg. 100)

Sep 5-Oct 3

Biology (Biol. 100)

Sep 5-25

Physical Science (PhyS. 100)

Sep 5-Oct 3

Special examinations for all other GE courses are administered by the departments offering the GE courses. You must make arrangements early in the semester with the department offering the course you intend to challenge.

Transfer Credit

Application of transfer credit to general education requirements will be determined on a course-by-course equivalency basis by the Transfer Evaluation Office, A-183 ASB.

How Do I Get Specific Help with General Education Problems?

The college advisement centers will provide individual assistance on GE matters, including up-to-date reports of your progress in the GE Program. Additional information about the program is found in the General Education Guide (available in college advisement centers and departmental and deans' offices), in the BYU General Catalogue, and from the General Education Office, 302 MSRB, 378-3038.

University Honors

Participation in the University Honors Program

The University Honors Program provides an unusually rich and challenging experience for capable and motivated students. Honors education is not merely a more intensive general education or a more strenuous program in a major. Rather, it is a fully integrated undergraduate program that links the broad university perspective with the specific concentration associated with a major. Students who elect to pursue an Honors education at Brigham Young University will be offered the challenge of Honors courses that form a part of their general education, as well as special and intensive experience in their major.

To graduate from BYU, students must meet not only the requirements of a major department but also earn credit in general education, religion, and physical education. Most students complete the nonmajor requirements through courses in the general university curriculum; capable and motivated students are invited to satisfy general education and religion requirements through the University Honors Program. Students who choose to participate in University Honors courses will be expected to excel in all the requirements of their major as well as in all the university's general education requirements. Although it is hoped that students will choose to complete all University Honors requirements, those who do not intend to do so are still invited to participate in the Honors general education curriculum.

The University Honors Program is unique in that it is open to all capable and motivated students and does not require formal application for membership. Capable is defined to include those students with a composite ACT score of 27 or above, a high school GPA of 3.8 or above, or a university GPA of 3.5 or above. Defining "motivated" is more difficult. The university does not want to recommend Honors courses only to those students with high scores, either GPA or ACT, since it is difficult to gauge a student's ability from scores alone. Such scores may not say much about such important inner qualities as determination and initiative or about recent achievements that may contrast with earlier performance. All capable and motivated students are invited to decide for themselves whether the University Honors Program will provide the kind of academic experiences they seek.

The Advantages of Honors

Professors and Curriculum

The most important advantage of participation in the University Honors Program is the opportunity to participate in demanding courses of high quality taught by some of the university's best professors. In addition, the Honors

Program tries to create a stimulating and enriched learning environment outside of formal course settings.

1. Honors Core.

The Honors Program offers a "core" curriculum that consists of a two-semester sequence in civilization and an intensive writing course. Although not everyone will be taking precisely the same courses, Honors colloquia, seminars, and departmental courses in the core are combined in a variety of ways to provide a similar experience in the historical development of culture, society, science, and ideas.

2. Honors Colloquia.

These are forums of interdisciplinary discussion and learning taught by at least two and often three professors from different fields. Depending on which one you choose, they may fill Arts and Letters, Social and Behavioral Sciences, and Natural Sciences GE electives.

3. Honors Seminars.

These are small (usually 20 students or less), rigorous classes that provide a wide variety of choices for filling your GE requirements. Each semester Honors offers about a dozen Arts and Letters seminars, eight or ten Social and Behavioral Sciences seminars, and six or eight Natural Sciences seminars.

4. Honors Departmental Sections.

Some departments within the university offer introductory courses taught by their strongest teachers intended especially for Honors students. Departmental Honors sections of general education courses are usually smaller than regular GE courses and provide more occasions for classroom discussion and additional reading and writing.

Honors Housing, the Honors Center, and Special Activities

Students in the University Honors Program benefit most directly from their association with fellow Honors students and with Honors faculty. To encourage that interaction among students outside of class, the program offers special on-campus housing for Honors students (in Helaman Halls, Deseret Towers, and Heritage Halls). Honors students also have a special center in the Karl G. Maeser Memorial Building, which provides them with a quiet study hall, a commons room for informal discussion and association, an advisement center, and five class-rooms. An Honors computer room and an Honors writing laboratory are housed nearby in the Heber J. Grant Building.

The Honors Program publishes the scholarly work of students in *Insight*, a journal with an all-student staff. It sponsors a special series of concerts, dramatic productions, and exhibitions in the Maeser Building presented by faculty in the Departments of Art, Music, and Theatre and Film. Honors student aides provide assistance with academic advisement. The Honors Student Council, which is open to all Honors students, sponsors social and educational events, publishes a regular newsletter, and serves as an important advisory body to the Honors deans.

Early Registration Privilege

The letter inviting students to register by Touch-tone telephone is sent before those of the general student body. This privilege is awarded to a student the semester after he or she completes an Honors class. (New freshmen receive this benefit by registering for an Honors class their first semester.) This significant advantage is given to students who are conscientiously and consistently designing a more rigorous undergraduate education. If a student does not complete an Honors class in a particular semester, the privilege is lost for the following semester but will be available any semester after another Honors class is taken.

University Honors and Honors in Major Field

"University Honors" is a distinction awarded to all graduating students of BYU who have met the Honors-level requirements in their education as described below. This prestigious designation is recorded on the university diploma and on the official transcript, and it appears in the graduation program (all Honors classes taken and the Honors Thesis title also appear on the transcript).

In addition, those students who also complete the Honors track within their major (if one is offered) have the designation *Graduation with Honors* in the particular discipline recorded on their university diploma and official transcript.

University Honors Graduation Requirements

To graduate with University Honors, a student must:

- . Complete the Honors core (i.e., two-semester sequence in civilization and an intensive writing course) and three or more additional Honors courses in areas outside his or her major. (Religion classes do not count toward this requirement.)
- . Have a cumulative 3.5 GPA at graduation time.
- . Achieve a proficiency in mathematics to the level of the GE requirement.
- Achieve a proficiency in any classical or modern foreign language to the level of the GE requirement.

- Complete an independent study of the requisite number of literary and artistic works.
- 6. Complete a senior Honors Thesis (a serious research project in the student's major).
- 7. Apply at the Honors Office for graduation with University Honors.
- 8. Complete an exit interview with Honors deans and thesis faculty advisor(s).

Masterworks of Art and Literature

Honors students are expected to complete over the course of their undergraduate studies a number of the most important works of literature and the arts. A reading, listening, and viewing list provides suggestions, but alternative works may also fulfill the requirements, subject to approval by the deans.

Many of the masterworks may be studied in connection with courses, but the Honors Program also sponsors several series of noncredit "modules" each semester. Conducted by professors who are experts on the subject, each module is devoted to discussion and analysis of a selected work from the list.

Honors Thesis

To graduate with University Honors, a student must complete an Honors Thesis. This provides an opportunity for a student to work closely with a faculty member on a project of the student's choosing in the student's major. It is expected that these projects will differ greatly from one discipline to another. Each, however, requires an independent written work that must receive both departmental and Honors approval.

Honors and Grades

Anyone may register for Honors classes, but the classes are taught on the level of the superior student. Nevertheless, statistics indicate that capable and diligent students do very well in Honors classes. In fact, on the average, they receive slightly higher grades in their Honors classes than in their other classes in any given semester. Honors courses are not graded on a curve. Because the classes are more demanding and fulfilling, students are motivated to perform well.

NOTE: The Honors Program Book, containing a complete course listing and detailed description, is available in the rack outside 350 MSRB (or call 378-3038). This is an essential supplement to the university Class Schedule. Students may register for Honors GE classes at any time during their undergraduate years without necessarily intending to complete all the Honors graduation requirements.

Honors Program GE Courses

SIX CLASSES REQUIRED FOR GRADUATION WITH UNIVERSITY HONORS

- 1 Honors 200 or English 115H
- 2 History of Civilization (two-semester sequence)
- 2 Two elective courses in Arts and Sciences
- 1 Any other Honors course, including Advanced Writing or Advanced Mathematics

University Assemblies

University Forums and Devotionals

University-wide forums and devotionals are held on selected Tuesdays at 11:00 a.m. through the year. These assemblies are an integral part of the general education experience at Brigham Young University and are an occasion to celebrate the university's sense of community. Participation will extend your understanding of the intellectual and cultural achievements of humanity and renew spiritual commitment and faith.

Speakers for forums are selected carefully from the arts, the sciences, the humanities, the media, and the government. They are chosen for their professional accomplishment, their ability to communicate effectively, and the importance of their contributions to society. Participation in these assemblies (and in the question-and-answer sessions and other lectures that often accompany them) will extend your understanding of intellectual and

cultural achievements and will focus your thinking on significant and engaging issues. The university forums aim at being truly integrative and stimulating.

Devotional speakers are selected from the General Authorities and other leaders of the Church. They come prepared to remind you of the importance of the spiritual dimension of your educational experience, to teach the gospel, to instruct in moral principles, to offer religious enrichment, and to encourage commitment and faith. An additional spiritual opportunity is provided by monthly seventeen-stake firesides. These firesides, which also feature General Authorities as speakers, are usually scheduled the first Sunday of each month at 7:30 p.m. in the Marriott Center.

To foster participation in university forums and devotionals, most campus offices and services are closed during the assemblies.

University forums and devotionals are an integral part of the general education experience.

University Policies

Student Classification

At the beginning of each semester, students are classified for that semester as follows:

0-31.9 Freshman 32-63.9 Sophomore 64-95.9 Junior 96 and over Senior

Engineering students having more than 128 semester hours are classified as fifth-year professional students.

Class Attendance Policy

You are expected to attend classes for which you are registered. Each class instructor may determine the relationship of class attendance to the final grade for the course. Officially excused absences are required only when you are away representing the university on official business. All officially excused absences must be approved through the office of the dean of Student Life.

Faculty should tell you what relationship attendance has to your final grade for the course, but you must take the responsibility for your actions. It is not necessary for the instructor to report absences to the office of the dean of Student Life unless he or she has knowledge of an accident or illness that is causing the absence. Notification to teachers of emergency absences (death in the family, serious illness, etc.) is your responsibility.

Academic Standards

Your academic standing in the university is determined by two measures of your work. One measure is the grades that you earn (grade standing) and the other is the progress that you make to complete the work for which you have registered (progress standing). The following outline shows the parallel relationship between grade standing and progress standing:

Academic Standing (Two Measures)

Grade Standing

Progress Standing

Satisfactory Academic Standing (Acceptable Academic Work)

(Acceptable Academic Work)
Satisfactory Grade Standing Satisfactory Progress Standing

Unsatisfactory Academic Standing

(Levels of Academic Difficulty)
Grade Warning Progress

Grade Probation
Grade Suspension

Progress Warning Progress Probation Progress Suspension

Grade Standing

Your grade standing at BYU is based on BYU grades only. To be in satisfactory grade standing you must maintain at least a C average (2.0 GPA) each enrollment. Both semester/term GPA and your BYU cumulative GPA must be above 2.0 to be in satisfactory grade standing. Please note that many departments require a much higher minimum GPA for acceptance into their majors. A grade warning will be given if your most recent semester/term falls below 2.0 even though your cumulative BYU grade point average is at or above 2.0. Grade probation will result if (1) your cumulative BYU grade

point average falls below 2.0, or (2) your semester/term GPA drops below 2.0 for two consecutive semesters/terms even though your BYU cumulative remains above 2.0.

NOTE: Beginning freshman students completing their first college enrollment at BYU will be placed on grade warning if this first enrollment is below 2.0. Transfer students will be placed on grade probation after their first enrollment if they receive a GPA below 2.0.

Grade suspension will result from failure to bring both BYU cumulative and semester GPAs to 2.0 or above during the grade probation semester. Suspension means that a student may take BYU courses only through the Independent Study program.

Progress Standing

Progress is determined by the percentage of progress grades you earn each enrollment. This percentage is calculated by examining your most recent enrollments until at least 30 credit hours can be evaluated using whole semesters/terms. (For students with fewer than 30 BYU credit hours but more than 10, all hours will be used to calculate the percentage.) Nonprogress grades are W's, E's, UW's, WE's, I's, and grades of repeat classes that already have credit (D— or above). Successfully repeating a failing grade (E, WE, IE, or UW) will not decrease your progress percentage. Withdrawing from a class after the add deadline will result in a W for that class, which will decrease your progress percentage.

The first time your progress percentage drops to 65 percent or less, you will be placed on progress warning. (If, after you regain satisfactory progress standing, your progress percentage drops again to 65 percent or less, you will be placed directly on progress probation.) Receiving nonprogress grades during a progress warning enrollment will result in progress probation unless your progress percentage exceeds 65 percent. Likewise, receiving nonprogress grades during a progress probation enrollment will result in progress suspension, unless your progress percentage exceeds 65 percent.

NOTE 1: Students on grade or progress probation are normally not eligible for university or federal financial aid.

NOTE 2: Because students often preregister and pay tuition for a subsequent semester/term before learning they have been suspended, they are responsible to withdraw (discontinue) and arrange for a tuition refund.

A more complete statement of BYU's academic standards is found in the Academic Standards section of the BYU General Catalogue. Because not all students are at the same level of academic accomplishment, the Academic Support Office has been established to help you reach and exceed BYU's minimum academic standards. You are encouraged to contact this office (151 SWKT, 378-2723) for assistance in achieving academic success or for clarification about BYU's academic standards as they apply to your specific situation.

Repeating Classes

You can repeat classes at BYU in four ways:

- 1. Repeat at BYU classes taken at BYU.
- Repeat at BYU classes taken at other institutions. A memo of equivalency is needed from the BYU department chairman.
- 3. Repeat at other institutions classes taken at the same institution—and have the credit transferred to BYU.
- 4. Repeat classes taken at BYU through Independent Study or a Continuing Education center.

When you repeat a class, except for classes classified as R classes, the grade used to figure your grade point average is the grade earned the last time the repeated class was taken. You must notify the Records Office, B-150 ASB, during the subsequent semester that the class has been repeated.

The I (Incomplete) Grade

The letter grade I (incomplete) is given on a contractual basis with the instructor for students who are eligible to complete the work in a prescribed time period. An incomplete is only given when extenuating circumstances (serious illness, death in the immediate family, etc.) occur after the twelfth week of a semester or the sixth week of a term. The Incomplete Grade Contract must be completed and signed by the instructor and the fee must be paid before the instructor's submission of the official grade roll at the end of the semester or term. A copy of the Incomplete Grade Contract must accompany the grade roll. If the contract is not attached to the roll, the grade will be changed to an E.

An incomplete is never given when one is failing or has failed the course. The instructor should indicate a specific length of time in which the student must complete the incomplete. The time length may not exceed one year. Class attendance in a subsequent semester or reregistration is not permitted to make up the incomplete. Once the work has been completed, the instructor should fill out the portion of the Incomplete Grade Contract that indicates the grade earned and submit the form to the Records Office, B-150 ASB.

An incomplete is computed in the grade point average as a failing grade until the course work has been completed and the official grade has been submitted by the instructor.

Grade Reports

Grade reports are available at no charge for all day and evening school students after the semester has concluded. Grade reports will be mailed to students who leave self-addressed, stamped envelopes containing their Social Security number at the Records Office. Grade reports are also sent to the parents of unmarried freshman students under twenty.

Changing College or Major

Students who desire to transfer from one major to another, or from one college to another, should go to the advisement center of their new major, fill out a change of major form, and have it signed. Graduate students should review the policy regarding them that follows.

Call to be taken to be

Withdrawal (Discontinuance) from BYU

A daytime student is not officially withdrawn from the university unless the student has completed the discontinuance process in the Discontinuance Support Office, 170 SWKT. (Contact the Records Office, B-150, ASB, directly after April 4.)

If you find it necessary to withdraw from all your classes, you must do the following:

- 1. Complete discontinuance forms available from the Discontinuance Support Office, 170 SWKT, 378-7705.
- 2. Obtain instructor and clearance signatures if necessary. Beginning with the sixth week of the semester or third week of the term, you become responsible for grades earned in classes. Signatures must be obtained from individual instructors, who indicate your academic status.
- 3. Submit completed forms and sign out with a member of the Discontinuance Support Office staff:
- 4. Have your student activity sticker voided. You retain the voided sticker as your receipt.
- 5. See page 14 for discontinuance refund information.

Students enrolled through the Office of Evening Classes should discontinue in that office, 120 HCEB, Law School students must initiate their discontinuance through the office of the Law School dean, 348 JRCB.

Students who leave the university under emergency conditions and subsequently do not return still have the responsibility to discontinue before the discontinuance deadline. Official termination can be initiated by contacting the Discontinuance Support Office at the earliest possible time.

Graduate Information

It is the responsibility of each graduate student to understand and follow both the general requirements of the university for graduate work and the specific requirements of the department in which he or she is registered. These are available in the BYU Graduate Studies Catalogue, from the department, and from the Office of Graduate Studies.

Graduate students must register for a minimum of 6 semester hours per academic year and must be registered for a minimum of 2 semester hours in the semester in which they:(a) are accepted in a graduate program or (b) plan to graduate.

Graduate International Students

International students will also need to conform to the U.S. Immigration Regulations. This means registering for at least 9 semester hours of credit each fall and winter semester. Anyone having fewer than 9 semester hours of credit remaining in the program will need to register for a minimum of 2 hours per semester. Questions concerning this requirement may be answered in the Office of Graduate Studies.

Registration for Faculty, Staff, Administrative Personnel, and Their Spouses

Full-time regular faculty, staff, and administrative personnel may register for courses up to 6 hours per semester, within the limits indicated below, and will not be required to pay the cost of the tuition.

Written approval is required for employees to take daytime classes (7:00 a.m. to 5:00 p.m.). Applications for approval may be obtained at the Benefits Office, B-202 ASB, before registration. (Final approval for daytime class work rests with the manager of Employee Benefits.) Employees eligible to take daytime classes need to be properly admitted through the Admissions Office.

Full-Time Regular Faculty and Administrative Personnel

(See Personnel Policies and Procedures)

Regular teaching faculty and administrative personnel may register for courses of study up to 6 hours per semester. Those wishing to take daytime classes will need the written approval of the department chairman or supervisor, the dean or director over the area, and the manager of Employee Benefits. Administrative personnel who take classes in the daytime hours will be expected to make up the time they are absent from their regular work.

During the spring and summer terms, faculty members who have teaching duties or administrative personnel may take 3 credit hours per term, or 4 in one and 2 in another. (If no classes are taken in spring term, 6 credit hours may not be taken in the summer term, or vice versa.) Faculty who are not teaching during a spring or summer term, and who are not on contract with the university for research, administrative, or other special assignments, may take as many credit hours during that term as their department permits and will not be required to pay the cost of the tuition.

Full-Time Regular Staff

(See Personnel Policies and Procedures)

Regular staff employees may register for courses of study up to 6 hours per semester. However, these courses may not be taken during regular work hours. Lunch hours, no matter when scheduled, may not be used for class attendance.

With the required approvals, staff employees with staggered hours schedules (See Personnel Policies and Procedures No.215) may register for daytime classes. A staggered hours work schedule, which must first be approved by the employee's supervisor, allows an employee to work eight hours between 7:00 a.m. and 6:00 p.m. with a meal period of at least one-half hour. The work schedule should remain as constant as possible. Whether or not an employee can have a staggered hours schedule and take day classes will depend on the seasonal and daily workload of the department. The opportunity to take a daytime class is limited to classes that are needed to complete a degree or will enhance job performance. Written approval needs to be obtained from the employee's

supervisor, the dean or director over the area, and the manager of Employee Benefits.

During the spring or summer terms, regular staff may take 3 credit hours per term, or 4 in one and 2 in another. (If no classes are taken in spring term, 6 credit hours may not be taken in summer term, or vice versa.)

Spouses of Regular Faculty, Staff, and Administrative Personnel

(See Personnel Policies and Procedures)

Eligible spouses of regular, full-time faculty, staff, and administrative personnel may register for courses of study with no limit as to the number of hours, day or night, and will not be required to pay the cost of the tuition. Those who wish to take daytime classes need to be properly admitted through the Admissions Office.

To be eligible for tuition benefits for their spouses, employees must (a) be at least age 30 and have completed at least one year of service, or (b) have completed five years of service with the university, whichever comes first. Regular employees who terminate employment and are rehired may be able to add prior employment to the most recent period of employment, within the limits indicated in *Personnel Policies and Procedures* No. 236, to achieve the required years of service for eligibility for spouse tuition benefits.

Part-Time Employees

(See Personnel Policies and Procedures)

Part-time, on-call, and temporary employees and their spouses are required to pay tuition costs for courses for which they register.

Auditing Classes

Faculty and administrative employees and their eligible spouses who desire to audit classes should go to the Registration Office, B-130 ASB, for auditing procedures. Any class audited in this manner will not appear on official records. Staff employees are not eligible to audit daytime classes. Those wishing to audit Evening Classes should do so through the Evening Classes Office. Any exceptions should be cleared through the Benefits Office.

University Discontinuance

An employee or spouse enrolled through day school who discontinues his or her entire registration at the university is required to discontinue through the Discontinuance Support Office, 170 SWKT. If all classes are Evening Classes, discontinue through Evening Classes, 120 HCEB.

Evening Classes

Employees and their eligible spouses who desire to register only for Evening Classes may do so at Evening Classes, 120 HCEB. They may obtain their tuition benefit at Evening Classes at the time they register by presenting their employee or employee spouse ID card, or they may obtain vouchers in advance from the Benefits Office, B-202 ASB.

Daytime students taking Evening Classes (sections 400-499) must register for the courses through the same procedure as for day school.

Faculty and staff members who register for Evening Classes only must register by April 24, 1989, for spring term and June 19, 1989, for summer term. On-campus registration will be in 120 HCEB beginning February 1, 1989, for spring term and April 3, 1989, for summer term.

Registration. Forms for registering may be obtained at the Evening Classes Office, 120 HCEB, or in the Benefits Office. Check the current Class Schedule for semester and term deadlines and watch the weekly Y News for instructions. To assure a place in a class, early registra-

tion is necessary. All completed registration material must be submitted to 120 HCEB. All matters concerning evening registration are handled in this office.

Changes in Registration. When a change in registration becomes necessary, employees must obtain a Change of Registration Card from 120 HCEB. The approval and signature of the instructors are required to add classes. This card must then be returned to 120 HCEB.

Discontinuance. A student discontinuing his or her entire registration at Evening Classes is required to clear through the Evening Classes Office, 120 HCEB. A \$10 fee is charged for the service after registration has been finalized.

Final Examination Schedule for Day Classes—Fall 1989

Final examinations will be given at the times shown in the following schedule. Examinations are not given early. The examination period is preceded by reading days, which give time for conscientious review, study, and synthesis of the semester's work. The reading and the examination periods are firmly scheduled parts of the semester; students must not make plans that interfere with these important academic activities. If illness or other uncontrollable circumstances prevent a student from taking an examination at the scheduled time, that student is responsible to inform the class instructor as soon as possible. The instructor may give the grade *Incomplete*, depending on the circumstances. The incomplete cannot be given unless the student and instructor together prepare a contractual agreement.

Second block class examinations will be given at the time shown in the schedule below. First block examinations will be given during the last regular class period. In cases where a student has conflicting examinations or more than three examinations in one day, individual arrangement for alternative test times may be made by the instructor.

Examinations will be held December 16, 18, 19, 20, and 21, with reading days December 14 and 15; therefore, Wednesday, December 13, 1989, will be the last day of instruction.

Classes meeting DAILY, MTWTH, MWF, MW, M, or W-

Regular Class Recitation Hour	Date of Final Exam	Time of Final Exam
7:00 a.m.	Thursday, December 21	7:00 a.m. to 10:00 a.m.
8:00 a.m.	Tuesday, December 19	7:00 a.m. to 10:00 a.m.
9:00 a.m.	Monday, December 18	11:00 a.m. to 2:00 p.m.
10:00 a.m.	Saturday, December 16	11:00 a.m. to 2:00 p.m.
11:00 a.m.	Tuesday, December 19	3:00 p.m. to 6:00 p.m.
12:00 noon	Wednesday, December 20	7:00 a.m. to 10:00 a.m.
1:00 p.m.	Saturday, December 16	7:00 p.m. to 10:00 p.m.
2:00 p.m.	Wednesday, December 20	3:00 p.m. to 6:00 p.m.
3:00 p.m.	Thursday, December 21	3:00 p.m. to 6:00 p.m.
4:00 p.m.	Thursday, December 21	7:00 a.m. to 10:00 a.m.

Classes meeting TTH, TTHF, TTHS, T, TH, or F-

Recitation Hour	Date of Final Exam	Time of Final Exam			
7:00 a.m.	Saturday, December 16	7:00 a.m. to 10:00 a.m.			
8:00 a.m.	Monday, December 18	7:00 a.m. to 10:00 a.m.			
9:00 a.m.	Saturday, December 16	3:00 p.m. to 6:00 p.m.			
10:00 a.m.	Wednesday, December 20	11:00 a.m. to 2:00 p.m.			
12:00 noon	Tuesday, December 19	11:00 a.m. to 2:00 p.m.			
1:00 p.m.	Monday, December 18	3:00 p.m. to 6:00 p.m.			
2:00 p.m.	Thursday, December 21	11:00 a.m. to 2:00 p.m.			
3:00 p.m.	Tuesday, December 19	8:00 p.m. to 11:00 p.m.			
4:00 p.m.	Saturday, December 16	7:00 a.m. to 10:00 a.m.			

IF A CLASS BEGINS AFTER THE HOUR OR IS SCHEDULED FOR MORE THAN 50 MINUTES PER CLASS PERIOD, THE FINAL EXAM PERIOD IS DETERMINED BY THE BEGINNING HOUR. FOR EXAMPLE, A CLASS HELD FROM 8:35 TO 9:50 MUST TAKE THE 8:00 EXAM PERIOD.

Final Examination Schedule for Evening Classes—Fall 1989

ALL SECTION 400 CLASSES BEGINNING AT 4:00 P.M. OR AFTER MUST FOLLOW THIS SCHEDULE.

Time and Day of Regular Class Meeting	Date of Final Exam	Time of Final Exam
4:00 p.m. (M) 5:00 p.m. (M) 6:00 p.m. (M)	Monday, December 18	5:00 p.m. to 7:00 p.m.
4:00 p.m. (Daily, MTWTH, T) 5:00 p.m. (Daily, MTWTH, T) 6:00 p.m. (Daily, MTWTH, T)	Tuesday, December 19	6:00 p.m. to 8:00 p.m.

4:00 p.m. (MWF, MW, W, F) 5:00 p.m. (MWF, WTH, W, MW) 6:00 p.m. (MWF)	Wednesday, December 20	6:00 p.m. to 8:00 p.m.
6:00 p.m. (MW,W) 7:00 p.m. (W)	Wednesday, December 20	8:00 p.m. to 10:00 p.m.
4:00 p.m. (TTH, TH) 5:00 p.m. (TH, TTH, MTH) 6:00 p.m. (TTH, TH) 7:00 p.m. (TTH, TH) 5:00 p.m. (F) 8:00 a.m. (S) 9:00 a.m. (S)	Thursday, December 21	6:00 p.m. to 8:00 p.m.

IF A CLASS BEGINS AFTER THE HOUR OR IS SCHEDULED FOR MORE THAN 50 MINUTES PER CLASS PERIOD, THE FINAL EXAM PERIOD IS DETERMINED BY THE BEGINNING HOUR. FOR EXAMPLE, A CLASS HELD FROM 8:35 TO 9:50 MUST TAKE THE 8:00 EXAM PERIOD.

Class Schedule Abbreviations

Class Schedule Abbreviations

The courses in the Listing of Classes section are listed under their respective departments, which appear alphabetically. Abbreviations used in the Class Schedule are as follows:

DEPT-the department of the university which offers the class. The university is divided into ten colleges and each college is divided into various departments. See the BYU General Catalogue for a listing of the colleges and departments at BYU.

CATG NO-the catalog number. The numbers indicate the following classifications:

Preparatory and remedial courses 1–99
Lower-division courses 100–299
Upper-division courses 300–499
Courses for graduates or advanced undergraduates 500–599

Graduate courses 600 or above Freshmen and sophomores should not take courses with numbers above 299 unless approval has been obtained from the dean of their

college.

R designates a course that may be repeated for credit. Two R courses with the same number on a transcript are treated as two independent

If an R course is repeated for the purpose of raising the grade received, the grades will be averaged because it is assumed that the subject matter varies from time to time.

AB or QZ-lab or quiz section noted by L or Q.

SEC-section. When more than one class of a particular course is offered, they are distinguished by different section numbers. Enter this number on the work sheet.

INDEX-index number. Each course has a different index number for computer identification purposes. Enter this number on the work sheet. CR HR-credit hours. To graduate, you must have completed 128 credit

hours of course work. To graduate in eight semesters, you must average 16 credit hours per semester. V means variable credit hours. Register for the desired number of hours within the approved range indicated in the schedule (see advisement center for further information). Arr. means credits to be arranged.

BLK-block. Each semester is divided into two blocks. Block classes are offered either during the first or second block of the semester.

DAYS TAUGHT-class days.

ROOM-BLDG-where the class meets (see below for building abbreviations).

SPECIAL ENROLLMENT-classes restricted to particular students.

JE CATG-General Education Category-E = Freshman English, M = Precollege Mathematics, AL = Arts and Letters, NS = Natural Sciences, SS = Social Sciences, AW = Advanced Writing, L/M = Foreign Language or Mathematics Requirement.

APPROV OR FEE-classes requiring special approval or fee. See the explanatory footnote at the bottom of every other page.

TBA-to be announced (see department).
